A BRIEF BIOGRAPHY OF OUR GRAND MASTER

M.W. Bro. Gary Laverne Atkinson was born in Petrolia, Ontario, in the County of Lambton. He was raised in the Village of Wyoming (now the Town of Plympton-Wyoming) and graduated from Lambton Central Collegiate Vocational Institute in Petrolia.

After starting his working career in the automotive industry, he ventured to Sarnia's Chemical Valley, where he gained employment working for Imperial Oil for a period of two years.

In 1972, he joined Shell Canada, at the Refinery in Corunna, Ontario. Throughout his career at Shell Canada he progressed to the position of Senior Operator, and served as the site's Chairman of the Safety Promotions Team for a period of twenty years. He retired from the Sarnia Manufacturing Centre in June 2005, after thirty-three (33) years' service.

In 1978, he married the former Sandy Bentley from St. Thomas, and they have two grown sons; Greg, a Heavy Equipment Operator and Apprentice Mechanic, and Drew, currently a student at Lambton College, in Sarnia, looking forward to a career as a Horticultural Technologist, and working in the golf industry.

Both Greg and Drew are members of Burns' Lodge No. 153, and have recently started through the Officer Progression Programme of the lodge.

M.W. Bro. Atkinson was initiated into, and is an Honorary Life Member of, Burns' Lodge No. 153. He served as the Worshipful Master in 1979 and was the Lodge Secretary for 15 years. In 2001, he was named Secretary Emeritus.

In 1986, Bro. Atkinson was elected District Deputy Grand Master of the Sarnia District.

A member of the Board of General Purposes since 1989, he served our Grand Lodge as a member of various committees, namely, Benevolence, Masonic Education, Condition of Masonry, Long Range Planning, Blood Donors and Communications, chairing the last two committees. In 1999, he was elected to serve on the Management Committee. From 1994-1999, he served as a Director of the Masonic Foundation of Ontario.

In July 2003, he was elected Deputy Grand Master. Installed as Grand Master July 23, 2005.

He is the Grand Representative of our Grand Lodge to the Grand Lodge of Connecticut.

M.W. Bro. Atkinson is a member of both the York and Scottish Rite bodies. In September 2005, he was coroneted a 33° Mason in Toronto, Ontario.

He is an Honorary Member of: Ancient St. John's No. 3, Kingston; St. John's No. 20, London; Victoria No. 56, Sarnia; Acacia No. 61, Hamilton; Kilwinning No. 64, London; Corinthian No. 96, Barrie; Lebanon Forest No. 133, Exeter; Burns' No. 153, Wyoming; Alexandra-Inwood No. 158, Oil Springs; Wentworth No. 166, Stoney Creek; Havelock No. 238, Watford; Oak Branch No. 261, Innerkip; Cedar No. 270, Oshawa; Seymour No. 277, St. Catharines; Lorne No. 282, Glencoe; Moore No. 294, Sarnia; Victoria No. 299, Centreville; Mount Olivet No. 300, Thorndale; Ionic No. 328, Napier; King Solomon's No. 378, London; Huron No. 392, Camlachie; Leopold No. 397, Brigden; Liberty No. 419, Sarnia; Burns No. 436, Hepworth; Tuscan No. 437, Sarnia; King Edward No. 488, Harrow; St. Paul No. 601, Sarnia; Caledonia No. 637, Scarborough; and a Charter Member (now honorary member) of New Light No. 744, in Waterloo District.

M.W. Bro. Atkinson is a member of the Wyoming United Church. When not involved in his Masonic endeavours, he is actively involved in many community activities. They are:

- Past President and Director of the Plympton & Wyoming Agricultural Society.
- Director for St. Francis Advocates – a residence for autistic adults.
- Former member of the Committee of Adjustment for the Town of Plympton-Wyoming.
- Coach in the Wyoming Minor Baseball Association; awarded Coach of the Year in 2000.

In February of 2003, Bro. Atkinson became the recipient of the Queen's Golden Jubilee Medal for his contribution to his community and Freemasonry.

His hobbies include Motorcycling, Quarter Horses, Gardening and Classic Cars.

PAST GRAND MASTERS

The Grand Master presented our Past Grand Masters who were present, namely: M.W. Bros. Robert E. Davies, Ronald E. Groshaw, William R. Pellow, C. Edwin Drew, Durward I. Greenwood, Terence Shand and Donald H. Mumby. Grand Honours were given.

ADDRESS OF WELCOME TO GRAND LODGE

W. Bro. Alex Sandahl, Master of St. George Lodge No. 367, Toronto District 7, delivered the Address of Welcome, which was responded to by M.W. Bro. Gary L. Atkinson, Grand Master.

MINUTES

The Grand Secretary proceeded to read the Minutes of the last meeting held in Toronto, on July 22, 2005, when it was moved by M.W. Bro. R. E. Groshaw, seconded by M.W. Bro. D. I. Greenwood, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

RULES OF ORDER

As the Grand Secretary read the Rules of Order as prescribed by the Constitution of Grand Lodge, it was moved by M.W. Bro. R. E. Groshaw, seconded by M.W. Bro. W. R. Pellow, and resolved: That the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

M.W. Bro. Gary L. Atkinson announced that R.W. Bro. Robert T. Runciman had accepted the request to serve as parliamentarian, and any controversial constitutional problems that may arise would be decided by Bro. Runciman.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

My Brethren:

I would like to extend my personal welcome to the Masons of Ontario, as well as our many Guests to this the 151st Annual Communication of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario. It is gratifying to see so many Brethren from all across our great province in attendance today.

To our special guests from across Canada and the United States, it is with much pleasure that I join with the Masons of Ontario, in extending a fraternal hand of friendship and welcome to each of you. Those of you who are attending for the first time, I extend a special welcome.

It is a sincere pleasure to greet our many Masonic friends, and attempt to return the gracious hospitality extended to us during our visits to your Jurisdictions. We trust your stay with us will be enjoyable and rewarding.

From a personal perspective, I thank you for the gift of your friendship which I value very much.

When you return home to your respective Grand Lodges, please convey the fondest fraternal good wishes of our Grand Lodge to your respective members.

NECROLOGY

As Masons, we are blessed with the opportunity to share the road of life with men of high ideals, steadfast loyalty, impeccable integrity, and upright morals. When the journey for these rare and precious individuals is terminated and they lay down their working tools, we who remain, although we have been privileged to travel with them, experience a great loss.

Albert Pike wrote: "remember that life's length is not measured by its hours and days, but by that which we have done therein for this country and mankind."

While we remember all who have gone before us, I would like to make special reference to the following:

M.W. Bro. Norman Edward Byrne

Born in Hamilton, Ontario, M.W. Bro. N. E. Byrne was initiated into Freemasonry in University Lodge No. 496, in Toronto. He became a charter member of Meridian Lodge No. 687; serving that lodge as Master in 1961, as well as Lodge Organist for many years.

Despite the many senior offices held by M.W. Bro. Byrne, he never forgot or failed to support his Craft Lodge. He always made sure those around him were aware of "where we all came from," as he continued to promote the lessons we learned, and the importance of our Craft Masonry in all our endeavors.

He served our Grand Lodge as a member of the Board of General Purposes from 1973 until his election as Deputy Grand Master in July 1989. From 1991 – 1993, he served our fraternity as the Grand Master of the Grand Lodge of Canada, in the Province of Ontario.

In 1992, he was appointed vice-chairman of the Conference of Grand Masters of Masons in North America and was chairman of the Conference of Canadian

Grand and District Grand Lodges that same year.

M.W. Bro. Byrne, a member of King David Chapter, R.A.M., was appointed Grand Senior Sojourner in 1992. He was a Shriner and a member of Rameses Temple in Toronto. In 1998, he was awarded the Gold Honour Award by the York Sovereign College of North America. In Scottish Rite Masonry, he was an active and involved member of all the Hamilton Scottish Rite bodies, serving as T.P.G.M. of Murton Lodge of Perfection in 1970–1971 and Commander-in-Chief of Moore Sovereign Consistory in 1980 and 1981. In 1997, he was made an Honorary Past Most Wise Sovereign of Hamilton Chapter of Rose Croix. M.W. Bro. Byrne was coroneted an Honorary Inspector-General at Vancouver in 1973, and was crowned a Sovereign Grand Inspector General at Thunder Bay in 1991. On September 16, 2000, he was elected and installed as Sovereign Grand Commander at Winnipeg, Manitoba. He served that office well and faithfully during his term. He made sure he visited every Valley in Canada. In 1975, he was made a member of the Royal Order of Scotland at Hamilton, and he served as Organist for many years.

He was also a very active member of his Church and community. Bro. Byrne was the Grand Representative of the Grand Lodge of Connecticut.

M.W. Bro. Byrne was one of those rare people who would make good things happen in others. He could, and did, inspire those around him to do not just a good job but the best job possible in any task, and then take a genuine interest and pleasure, as he watched the rest of us succeed. He was indeed a *Prince among Men*.

R.W. Bro. Charles George Copeland

R.W. Bro. Copeland was initiated into Freemasonry on September 18, 1953, in Kilwinning Lodge No. 565; and later affiliated with Chinguacousy Lodge No. 738 in 1992. R.W. Bro. Copeland served as District Deputy Grand Master of Toronto District 1 in 1991–1992,

Charlie—as he liked to be called—was a very special man. A man and a Brother who was admired for the dedication he exhibited to his family and to his community. Nothing is more evident than the work he did within his community than the support and dedication he gave to the Runnymede Healthcare Centre. Fund raising was R.W. Bro. Copeland's specialty—famous for raising over \$100,000 for a special project at the Hospital; as well as his arriving at the Hospital every Christmas dressed as Santa Claus—making sure every patient received a present.

Remembered and well respected throughout his community as a man who exemplified those principles of our Fraternity, it only seems fitting that I share with you remarks that were shared with those who attended R.W. Bro. Copeland's funeral service. And I quote "We all know that he was a special man who anyone of us would be proud to call a friend, and I pledge that we will continue to honour his memory in the new building by proudly displaying the very symbol of strength he commissioned, the butterfly window, telling the wonderful story of Charlie's commitment and loyalty to the patients he served."

Always a true gentleman, we will miss Charlie's warm smile and gentle handshake. The memory of this man, who gave so much to his community and to our fraternity, will be remembered for generations to come.

R.W. Bro. Frederick (Fred) Norman Leaver

R.W. Bro. Leaver was initiated, passed and raised in Niagara Lodge No. 2, Niagara-on-the-Lake, in 1969, and served as Master in 1979.

In 1987, he moved to Sarnia District, settling in the Alvinston – Watford area. He affiliated with Havelock Lodge No. 238 in 1987, and immediately stepped in to assist wherever the need be. As well as taking an active role in the Sarnia District activities, he served his lodge as Master. In 1990, he was elected District Deputy Grand Master of Sarnia District.

Fred was a very special and unique individual. Nominated and selected as the Senior Citizen of the Year by the residents in the municipality in which he lived, Fred always maintained a high profile, helping those less fortunate and promoting the principles of Masonry that we all should live by. He was a devoted family man who, although he didn't know it, influenced many a man and a person within his community with his gentle style, humble manner and a genuine concern for those less fortunate. R.W. Bro. Leaver passed to the Grand Lodge Above May 14, 2006.

V.W. Bro. Donald Horn Paisley

V.W. Bro. Donald Paisley was initiated in Seven Star Lodge No. 285, Georgian South District, on January 12, 1976, just two months shy of his 48th birthday. He made use of his 29 years in Masonry when he twice served his lodge as Master and Junior Warden and three times as Senior Warden. Each time he repeated a chair, it was designed to help the lodge by allowing a junior officer to progress smoothly through the chairs.

Don was an active Mason, not only in his Craft Lodge but, as well, in the Scottish and York Rite and the Order of the Eastern Star.

Although I never had the pleasure of meeting Don in person, when you take the time to listen to his many friends talk about him, he was the type of Mason everyone would want to get to know. A quiet man with a tremendous sense of humour. That sense of humour never failed to entertain the brethren within the lodge in a respectful manner. He had a very special way about him that could clarify and enlighten debate.

A devoted family man and community leader, he passed to the Grand Lodge Above within months of receiving his Grand Lodge appointment. His many friends and Brethren miss him, but his memory will be cherished for years to come.

W. Bro. Frank George Gross

W. Bro. Frank Gross became a member of Parthenon Lodge No. 267, Chatham, in September, 1949, and served as Master in 1954. He was awarded the Chatham District Mason-of-the-Year Award in 2001.

As well as being actively involved in his lodge and the many activities within Chatham District, Frank felt there was a need to help those less fortunate within his community. His charity and community involvement was marked in June, 1995, with recognition from the Lieutenant Governor of Ontario, The Hon. Henry Jackman, with the Ontario Senior Achievement Award and Volunteer Service Award for Ontario. Unfortunately, W. Bro. Gross passed to the Grand Lodge Above on January 13, 2006, after fighting a courageous battle with cancer. Several days later, he was posthumously honoured in Queen's Park for his many years of fund raising and volunteer work. W. Bro. Gross was one of 38 recipients of the Ontario Medal for Good Citizenship (OMGC) presented to those who have made an outstanding public contribution to community life.

W. Bro. Gross rode his bike for twenty-six years in the local Canadian Cancer Society's Ride and Stride, and raised more than \$83,000 for medical research. His

son—Dr. Paul Gross from Comox, B.C.—accepted the award on behalf of his father from the Honorable James K. Bartleman, Lieutenant Governor of Ontario.

Mrs. Dianne Waterfield, W.G.M., O.E.S.

In February of this year, our Masonic Family lost a true leader in the person of Mrs. Dianne Waterfield, Worthy Grand Matron of the Order of the Eastern Star. After fighting a valiant battle with cancer, Dianne was called to the Grand Chapter Above. She will be missed for her forthright contributions and the love that she gave to her family, her friends and to Grand Chapter.

Our sincere sympathy is extended to her family, as well as the members of the Order of the Eastern Star.

"I shall pass through this world but once, any good thing therefore that I can do, or any kindness that I can show to any human being let me do it now. let me not deter it or neglect it, for I shall not pass this way again."

AD HOC COMMITTEES

The ad hoc committee re discussion with Prince Hall Masonry.

Last year at our Annual Communication, full right of reciprocal visitation with Prince Hall Free and Accepted Masons within this jurisdiction was authorized.

It was recommended by the Grand Master of the day, M.W. Bro. Donald H. Mumby, that a committee composed of an equal number of members from the Grand Lodge of Canada in the Province of Ontario and Ontario and jurisdiction Prince Hall Freemasons be established to explore future paths that may be taken. After reviewing that recommendation, and upon further discussions with the Grand Master of Prince Hall Free and Accepted Masons, M.W. Bro. Clive Barnes, I established an ad hoc committee to start discussions on behalf of our Grand Lodge. This committee is chaired by R.W. Bro. George Hinds and consists of R.W. Bro. Errol Stewart and M.W. Bro. Donald H. Mumby. The work of this committee is ongoing and the groundwork for continued discussions have been established. I recommend that this committee remain in place during the upcoming Masonic year, so they may continue with their appointed task.

The ad hoc committee on the establishment of an Office Manual for our Grand Lodge.

With the many changes and regulations taking place in our provincial government, I felt it prudent to establish an ad hoc committee to formulate an Office Manual that will prove beneficial in today's environment for Privacy and Labour Ministry legislation. I feel this can be considered an essential element for both present and future staff.

This ad hoc committee is comprised of R.W. Bros. Reade K. Spence and Earl M. Jones, and chaired by M.W. Bro. William R. Pellow.

In the past few years, there have been several ad hoc committees established to look at and make recommendations pertaining to the office of the Grand Secretary. Each and every one of them has produced some enlightening and positive information that has given us further insight into the job scope and the requirements of this

office. After reviewing the findings of these previous committees, this ad hoc committee has included in their findings some suggested recommendations pertaining to the duties of the Grand Secretary.

I have received the report of this ad hoc committee and am now prepared to review their recommendations and bring them forth to you at our next Annual Communication.

To the members of this committee, my sincere appreciation to each of you for your time, and working together as Masons should, for the betterment of our fraternity.

WILLIAM MERCER WILSON MEDAL

Throughout our jurisdiction there are a number of Masons who quietly perform their labours with loyalty and dedication in support of their lodges and their communities. They have never been nor will they ever be the Master of their lodge, yet they are an indispensable part of it. It is to men such as this that our prestigious William Mercer Wilson Medal is presented.

The committee, composed of M.W. Bros. R. E. Davies, N. R. Richards and D. I. Greenwood, reviewed all nominations for this honour and have recommended that the medal be presented to the following:

Bro. Frederick Vernon Thompson – Enniskillen Lodge No. 185, Caledonia
 Bro. Ernest Mierau – Minden Lodge No. 253, Kingston

PRINCE HALL FREEMASONRY

As was mentioned earlier in this address, full right of reciprocal visitation was extended last year at our 150th Annual Communication with the Brethren of Prince Hall Free and Accepted Masons within our jurisdiction.

My first meeting with M.W. Bro. Clive Barnes proved to be successful and rewarding. I found him to be a true and genuine Mason who has strong beliefs in the principles and teachings of the fraternity. In fact, I invited M.W. Bro. Barnes and several of his Grand Lodge Brethren, to join with me on a fraternal visit to Ancient Landmarks Lodge No. 654 (incorporating the former Doric Lodge) in Hamilton, on September 27, 2006, the evening Mr. Brad Petrisor (the son of our D.G.M., R.W. Bro. A. J. Petrisor) was initiated into Freemasonry, and became Bro. Brad Petrisor. M.W. Bros. Mumby and Shand, the Deputy Grand Master, as well as many of our past and present Grand Lodge Officers accompanied me on that historical evening. The Brethren of Ancient Landmarks Lodge are to be commended for their hospitality and for making the evening one to remember for the visiting Brethren from Prince Hall Freemasonry.

On February 25th, 2006, along with our Grand Lodge Officers, I was extended an invitation to attend the Mother Lodge of M.W. Bro. Barnes, in Hamilton. With a lodge room filled to capacity, we had an opportunity to get to know each other that much better; later that evening we joined together for an historical fraternal greeting and banquet at the Sheraton Hotel.

My appreciation to the Brethren who worked so hard on behalf of our Grand Lodge to facilitate this event.

This year, all across our jurisdiction, we have witnessed inter-visitation taking place and, from the reports I have received, all those involved are enjoying the fellowship to the utmost.

U.S. – CANADIAN FRIENDSHIP NIGHT

On Monday, March 13th, 2006, I had the honour of representing our Grand Lodge at the annual Friendship Night, hosted by Ogdensburg-Acadian Lodge No. 128, F. & A.M. of the State of New York. Joined by the current Grand Master, M.W. Bro. Neal Bidnick (who at that time was the D.G.M.), we were part of a group of over 240 Masons who filled the lodge hall in Ogdensburg to capacity. What a great evening for developing and continuing fraternal relations with our American Brethren.

I am so pleased with the support we received from the Brethren who attended from all across Ontario. Special “Thanks” to those Brethren who organized the many car pools, especially those from Frontenac, St. Lawrence, Eastern, Ottawa 1 and Ottawa 2 Districts. As a good friend of mine once said, “A border may separate us, but our beliefs and principles join us forever.” That is so true my Brethren!

PAST RANK

Pursuant to Section 73 of the Book of the Constitution, I recommend that the rank of Past Master be conferred upon the following: W. Bro. Mark P. Mainprize, Wentworth Lodge No. 166, Stoney Creek; W. Bro. Donald Moxam, Friendship Lodge No. 691, Sudbury; and, posthumously, W. Bro. Howard Snowdon, Keene Lodge No. 374, Keene.

APPOINTMENTS

This year we had several changes to the Board of General Purposes. With the resignation of R.W. Bro. Terrence V. Horner, Honorary Member of the Board of General Purposes, and in accordance with Section 49 of the Book of Constitution, I have appointed R.W. Bro. Norman G. McCarthy to the Board of General Purposes to serve the remainder of R.W. Bro. Horner’s term. This appointment will end in July 2006.

To fill Bro. Horner’s vacancy on the Management Committee, I appointed R.W. Bro. Terry A. McLean to fill same. This appointment will also end in July 2006.

Due to the need to relocate for his employment, I accepted the resignation of R.W. Bro. William C. Thompson, who served our Grand Lodge as G.S.W. in 1994, and continued to serve our fraternity on the Board of General Purposes from 1998 until his resignation.

I appointed R.W. Bro. Frank Wilson, P.D.D.G.M. of Prince Edward District, to fill this vacancy until July 2006. Frank also assumed the chairmanship of the Brother-2-Brother Committee, replacing Bro. Thompson.

My sincere appreciation to R.W. Bros. Horner and Thompson for their many years of service and contributions to our fraternity.

R.W. Bros. McCarthy and Wilson are to be commended for fulfilling the vacancies and serving our Grand Lodge.

R.W. Bro. G. Wayne Nelson, after many years of service to our Grand Lodge, is retiring from his position on the Board of General Purposes. Wayne was appointed as the Assistant Grand Secretary in 1987. He has served on the Board of General Purposes since 1990, when he was appointed to that position by the late M.W. Bro. Norman E. Byrne. In 1999, he was appointed Hon. P.G.S.W.

Besides putting Englehart on the Masonic map, R.W. Bro. Nelson has been a

resource for information, guidance and assistance for the Brethren of Temiskaming District and beyond. His work as a Director on the Masonic Foundation of Ontario, and well as the organizer and scout for the degree team composed of present and past Grand Lodge Officers that tours areas all across our great province, will be missed. You are a true and dedicated Mason and we wish you and Nancy all the best in your future endeavors.

As his tenure as an honorary member of the Board of General Purposes expires, I would like to "Thank" R.W. Bro. William Shields for his many contributions. Your willingness to serve on the Grand Lodge Audit and Finance Committee, as well as the work you have done to facilitate the amalgamation and smooth operation of the new Lost Villages Lodge, is much appreciated. We wish you continued good health and success in all your future endeavors.

Pursuant to Section 131(e) of the Book of Constitution, I am pleased to recommend the appointment of the R.W. Bro. Brian E. Bond to a three-year term of honorary membership on the Board of General Purposes.

Further, I recommend the reappointment of R.W. Bros. Frederick Halpern and Norman G. McCarthy to a three-year term of honorary membership on the Board of General Purposes.

MERITORIOUS SERVICE AWARDS

Meritorious Service awards are presented to those Brethren who have worked tirelessly for a number of years to promote the cause of Freemasonry, not only within their district, but within our jurisdiction as a whole. These Brethren have given freely of their time and talents. Their Masonic Brethren, and the communities in which they reside, hold them in high esteem. They exemplify Freemasonry on a daily basis. It is my pleasure and privilege to grant the Grand Master's Meritorious Service Award to:

R.W. Bro. G. Wayne Nelson

Englehart Lodge No. 534, Englehart – Temiskaming District

R.W. Bro. Ross B. Ferguson

Lebanon Forest Lodge No. 133, Exeter – South Huron District

The service these two Brethren have given to our Fraternity is remarkable. I commend each of you for the continuing service that you provide to our Fraternity. I will trust you will wear this award with pride.

GRAND REPRESENTATIVES

I am pleased to accept the recommendations of the respective Grand Masters and to confirm the appointment of the following brethren as our Grand Representatives near the Grand Lodge of:

Kansas – M.W. Bro. Lawrence J. Mersberg

Louisiana – Bro. Ricky Albert Venable

Maryland – Bro. Fred W. Tober

Austria – Bro. Gordon Murray

Victoria – R.W. Bro. Terence R. Bates

I am also pleased to recommend to the Grand Masters of the respective Grand Lodges, the appointment of the following Grand Representatives of their Grand Lodge near our Grand Lodge:

Connecticut	–	M.W. Bro. Gary L. Atkinson
Utah	–	R.W. Bro. M. Lee Shea
Cartagena	–	R.W. Bro. Alan R. Milner
Costa Rica	–	R.W. Bro. Barry J. Hutton
Guatemala	–	V.W. Bro. Scott C. Dunlop

PAST GRAND MASTERS

It is my pleasure to acknowledge the dedication and devotion of the Past Grand Masters. Along with their wives, they continue to support and serve our jurisdiction in a variety of ways. They were only a phone call or e-mail away if I needed them for advice or consultation. I would like to “Thank” each of them for availing themselves as the need arose this past year. Your sincerity and encouraging words are appreciated.

This year the Past Grand Masters suffered a devastating loss in the passing of M.W. Bro. Norman E. Byrne, who was a pillar of strength and support for many and always had a positive outlook on the future and our beloved fraternity.

We shall miss the presence of M.W. Bros. N. R. Richards and D. C. Bradley, who are unable to be with us this year. They have been a “voice of reason” over the years, well respected in all that they do. We look forward to their participation in the future.

GRAND LODGE OFFICERS

The Grand Lodge Officers elected and appointed this year have served with great zeal and attachment.

I asked those Brethren who received Grand Lodge appointments to take on an added role – to promote visitation within their districts and, if possible, to visit as many lodges as they could to promote those principles our fraternity is based upon. I can’t tell you how pleased I am with the reports I have received from the lodges across the province. You have done what has been asked of you with contagious enthusiasm and dedication that is second to none, and the Brethren were so pleased to have you join with them.

To the members of the Board of General Purposes: I want to tell you how much I appreciate your commitment to the future of our fraternity. The committee meetings, reports to be completed, the fraternal visits and the support at the Grand Master’s receptions, are part and parcel of the job, but the extra effort you make to serve the Brethren, the Lodges and the Districts within our fraternity is much appreciated by me.

A personal expression of gratitude is extended to the District Deputies of the 46 Districts as well as the District Secretaries. You have given your time and talents as my representative in your District. You have all served so well and deserve the accolades given to you by your Brethren. I offer my deepest thanks and appreciation.

Sandy and I would like to thank those who have made our visit to your district that much more enjoyable. You have been gracious hosts and have certainly made us feel right at home. May each of you enjoy good health and happiness in all your future endeavors.

To the Grand Senior Warden, R.W. Bro. Thomas J. Forbes; to the Grand Junior

Warden, R.W. Bro. Glenn A. Cousins; and to the Grand Registrar, R.W. Bro. Thomas R. Harland, you have undertaken the responsibilities of your respective offices with dignity and style. Each of you has fulfilled your responsibilities with class, and I believe you have raised the bar that much higher.

Sandy and I appreciated the friendship that we have made with you and your Ladies, and we “Thank You” for your continued support this past year.

The Grand Chaplain, R.W. Bro. Hugh Kernohan and his wife Peggy have travelled near and far to fulfil the numerous Masonic functions required by the Office of Grand Chaplain. Not only has R.W. Bro. Kernohan been a spiritual leader, he has become a true friend to many Masons across this province, as well as a personal friend. Thank You, Reverend Sir!

R.W. Bro. Alan R. Milner, Grand Director of Ceremonies, and V.W. Bro. Scott C. Dunlop, Assistant Grand Director of Ceremonies – my Brethren, both of you have performed the duties of your office with grace and impressive dignity. Wherever we have travelled, you attended with kindness and courtesy and were great ambassadors for your Grand Master, as well as our Grand Lodge. Withstanding personal difficulties this past year, we have enjoyed many miles together, and at all times the well being of this Grand Master and his Lady has always been in the forefront.

Sandy and I “Thank” both of you, from the bottom of our hearts, for all that you have done for us. You are more than just Masonic Brethren – you are true friends!

DEDICATION

This year, new Masonic lodge premises were dedicated in Onondaga by Grand Lodge, on April 25th, 2006. The Brethren of Onondaga Lodge No. 519 were able to purchase and renovate a former church, a few short blocks from their previous Masonic home. They are to be commended for a job well done. They now have a new Masonic home as well as a renewed enthusiasm within the community. Our best wishes for a successful future in your new home.

ANNIVERSARIES

As our Grand Lodge’s sesquicentennial celebrations concluded in December, the anniversaries of lodges and districts have continued throughout this Masonic year. I have been pleased to attend and participate in the following:

St. John's Lodge No. 68, Ingersoll – March 11, 2006

Ontario District's 150th Celebration, Cobourg – April 21, 2006

CORNERSTONES

Ceremonies celebrating the relaying of a cornerstone were conducted in August, at the Trinity Anglican Church in Belleville. R. W. Bro Thomas Forbes, Grand Senior Warden, conducted this ceremony in my absence.

On June 12, 2006, we joined with the Masons of Prince Edward District, as well as those from across the jurisdiction, as we dedicated a time capsule to be deposited in a cornerstone at the new Belleville City Library.

AMALGAMATIONS

In society, today, we are constantly facing new and challenging changes. Lodges in this province are no exception. This past year, several lodges, due to dwindling numbers, financial circumstances, the constant recycling of officers and even the lack of future members within their community, have deemed it necessary to enter into the amalgamation process. I must point out that amalgamation should only be considered after all avenues have been reviewed and exhausted to try and keep the lodge vibrant and progressive.

This year, several lodges entered into amalgamation discussions, but as the talks progressed, they realized that maybe amalgamation wasn't the way they should be headed. They, in turn, made a positive step – to step back, reassess their future and pull together to keep the lodge going. I commend them for that effort and decision.

I have found that many lodges that enter into amalgamations are reporting positive results. With a renewed enthusiasm, and the willingness to make it work, many of their Brethren have rekindled their Masonic flame, and are enjoying working together and being part of a new lodge and a proud future.

To the Brethren I appointed to chair the joint committees for the proposed amalgamations, I would like to express my sincere appreciation. Your assistance to the lodges involved, as well as your dedication to the future of our fraternity, is much appreciated.

I have approved and presided over the following amalgamations:

November 21, 2005

Amalgamation of Alexandra Lodge No. 158 and Inwood Lodge No. 503 – now Alexandra-Inwood Lodge No. 158, Oil Springs, Sarnia District.

March 6, 2006

Amalgamation of Melita Lodge No. 605 and High Park Lodge No. 531 – now High Park Melita Lodge No. 531, Thornhill, Toronto Don Valley District.

March 21, 2006

Amalgamation of Wentworth Lodge No. 166 and T. H. Simpson Lodge No. 692 – now Wentworth Lodge No. 166, Stoney Creek, Hamilton B District.

May 9, 2006

Amalgamation of Irving Lodge No. 154, Doric Lodge No. 233 and Craig

Lodge No. 574 – now Craig Lodge No. 574, Ailsa Craig, South Huron District.
May 29, 2006

Amalgamation of Walker Lodge No. 321 and Friendship Lodge No. 732 – now
Walker-Friendship Lodge No. 321, Georgetown, Wellington District.

June 7, 2006

Amalgamation of Petrolia Lodge No. 194 and Washington Lodge No. 260 –
now Petrolia-Washington Lodge No. 194, Petrolia, Sarnia District.

June 8, 2006

Amalgamation of Farran-Ault Lodge No. 256 and Wales Lodge No. 458 – now
Lost Villages Lodge No. 256, Ingleside, Eastern District.

REMOVAL OF CHARTER

After numerous efforts to keep the lodge going over the last few years by several of its dedicated members, and realizing that there was a lack of support from its members and seeing no visible future for this lodge, I deemed it necessary to ask the District Deputy Grand Master of Eastern District to remove the charter of Excelsior Lodge No. 142, Morrisburg.

To those Brethren who have joined other lodges within their community, I appreciate your efforts to try and keep the lodge going. May all your Masonic journeys be successful, enjoyable and rewarding.

RECOGNITION OF 100 YEARS OF SERVICE

In accordance with Section 394 of the Book of Constitution of Grand Lodge, I am pleased to grant permission for the following lodges to wear gold braided regalia, effective the dates indicated:

Russell Lodge No. 479, Russell, as of March 16, 2006

Hiram Lodge No. 490, Markdale, as of November 7, 2008

Port Arthur Lodge No. 499, Thunder Bay, as of October 28, 2011.

THE MASONIC FAMILY AND SPECIAL EVENTS

This year, as in the past, our Masonic Leaders continue to meet on a regular basis in order to share areas of mutual concern and to exchange information that is relevant to each of our organizations, as well as to the future of our fraternity. This year, as Masonic Leaders, we visited the Masonic Display Tent that was at the International Plowing Match, just outside of Listowel. What a great opportunity for all Masonic Bodies to join together and work in harmony. Later that evening, along with the Masonic Leaders, I attended a sold out “Meet and Greet” at the Kin Centre in Listowel. Congratulations are extended to W. Bro. Scott Tanner, Master of Bernard Lodge No. 225, as well as the members of the Grand Lodge Public Relations Committee, for arranging, co-ordinating and promoting this event.

In September of 2005, it was my pleasure to be in attendance at the 131st Annual Session of Supreme Council 33° of the Ancient & Accepted Scottish Rite of Freemasonry of Canada, held in Toronto. Not only did I represent this Grand Lodge at the conference, I was also a candidate, when I was coroneted a 33° Mason.

I was pleased to attend and represent this Grand Lodge at the Annual Convocation of the Grand Chapter of Royal Arch Masons, held in St. Catharines during the first week of April 2006.

In addition, I attended the Imperial Council of the Shrine, in Tampa, Florida. Due

to previous commitments, I was unable to attend the Annual Communications of the Order of the Eastern Star, DeMolay for Boys, as well as the International Order of Rainbow for Girls, but was represented by the Deputy Grand Master, R.W. Bro. Fred Smallbone, D.D.G.M. of London West, and the Grand Registrar respectively.

PRESENTATIONS OF MILESTONE RECOGNITIONS

One of the most rewarding experiences I have had this past year is being able to recognize long-standing service that many of our Brethren have made to our fraternity. I was pleased to present fifteen (15) 50 years a member pins, six (6) 60 years a member pins, and one (1) 50 years a Past Master pin. Added to that, numerous twenty-five (25) years a member pins to dedicated brethren all across our jurisdiction. As well, I was pleased to present two (2) 50 years a Past District Deputy Grand Master pins to R.W. Bro. Donald Winn from Macnab Lodge No. 169, in Port Colborne, and R.W. Bro. John Rice from Burns' Lodge No. 153, in Wyoming. During each of these presentations, I had an opportunity to get to know each of these Brethren a little bit better. I found that they may be long in service to our Craft, but they have a lot to teach us about life, Masonry and the effect it can have on our lives and society.

CONFERENCES

The Deputy Grand Master and I attended the North American Conference of Grand Masters, held in Nashville, Tennessee, during February of 2006. What a great opportunity to meet with other leaders of our Fraternity and discuss events of mutual interest and common concerns. Although our fraternity shares mutual concerns, i.e., membership, attendance and financial issues, it appears that most jurisdictions have noticed a renewed interest in Freemasonry. Men of all ages are looking for something in their lives that they are missing, and finding that Masonry is offering that to them.

I am always amazed at the high esteem and respect that our Grand Lodge is held in – worldwide. I believe we owe a debt of gratitude to those Past Grand Masters who have gone before me. They have raised the bar – one notch higher each time.

The Grand Secretary, the Deputy Grand Master and myself also attended the annual "All Canada Conference" held in Winnipeg, Manitoba, in April 2006. In the capacity of observers, we were joined by R.W. Bro. Brian Bond – Chairman of the Computer Resources Committee (who was taking part in Computer Workshop sessions in Western, Algoma and Algoma East Districts) and R.W. Bro. Ed Standish, Honorary Member of the Board of General Purposes, and representing the Scottish Rite as Executive Secretary. Five formal papers were presented during this session, including one by our Deputy Grand Master, R.W. Bro. Allan J. Petrisor (who did a great job), as well as breakout sessions with topics such as Membership, Surrender of Charters, Insurance Coverage for Lodges/Corporations, cost of Regalia and ongoing programmes being used by respective Grand Lodges.

Changes were made for the upcoming year so the cost of this Conference will be more evenly distributed and the cost factor for our Grand Lodge will be reduced.

Congratulations are extended to our Grand Secretary, who was re-elected as the Conference Treasurer.

I look forward to next year's Conference, as I have been selected to chair this auspicious event. I consider it an honour to have been chosen for this position by

my peers from across Canada. I look forward to working together for the betterment of our fraternity.

ANNUAL COMMUNICATIONS OF GRAND LODGES

Because of numerous commitments within our province, I found it necessary to forego attendance at many of the external communication sessions that we were invited to attend outside of Ontario. This notwithstanding, Sandy and I were able to represent this Grand Lodge at the Annual Communications of the Grand Lodge of Pennsylvania, the Grande Loge Nationale Française, the Grand Lodge of Connecticut, the Grand Lodge of New York, the Grand Lodge of New Brunswick, the Grand Lodge of Indiana, the Grand Lodge of Michigan and the Grand Lodge of Saskatchewan, which, this year, is celebrating their 100th Anniversary. In all cases, we were well received and treated with class.

I would like to express my appreciation to the Grand Masters of those jurisdictions we visited that asked me to address their Brethren. It is always my pleasure to bring greetings on behalf of my Brethren from across this great province.

My Brethren, it has often been said that reciprocal visitation has been described as the lifeblood of our fraternity, and I couldn't agree more.

DISCIPLINE

Pursuant to Section 84 of the Book of the Constitution of the Grand Lodge of Ancient Free and Accepted Masons of Canada, in the Province of Ontario, it became necessary for your Grand Master to act upon a situation that requires a report to this Grand Lodge.

This past year, a number of Masonic Complaints were received from lodge members towards other lodge members. Upon receiving each complaint, it is my duty to review it and deal with same accordingly. Most of them, I find, turn out to be private piques and quarrels. Those that aren't are dealt with either by myself or by a Committee of Inquiry that I appoint, and in accordance with the Constitution of Grand Lodge.

Recently, I summoned a brother to the Grand Lodge Office to address several concerns regarding a Masonic complaint that was received and investigated at my discretion. Further, it was established that there were a number of incidents involving this Brother that have occurred over an extended period of time, that I deem to be Masonic offenses relevant to Section 410 (e) of the Book of Constitution. Subsequently, in an effort to restore harmony within the lodge and within the district, I suspended the Brother concerned forthwith, April 26, 2006, pending my report to this Annual Communication. After further review and consideration, I recommend that the suspension of the Brother concerned remain in place until the next Annual Communication of our Grand Lodge.

My Brethren, I would remind you to stop and ask yourself: Why am I a Mason? Do I act as a Mason? If I don't... why not? Each day we should remember those principles and teachings that this fraternity is founded upon. Each day we should act as Men ... and as a Masons.

ONTARIO MASON

This year the *Ontario Mason* has undergone several changes. First of all, it is no longer under the umbrella as a "Special Committee." It now stands alone and

reports to the Grand Master.

R.W. Bro. Robert R. Beckett has been appointed the Editor of the Magazine. In the fall of 2005, there was a hard copy of the magazine published which featured several items relating to the celebration of our 150th Anniversary, special features on some of your Grand Lodge Committees, as well as highlights of special events that took place around our jurisdiction.

Our appreciation is extended to each of the advertisers, whose contributions assist us in the publication of this magazine. We are indebted to you for your support and generosity.

I would remind you, my Brethren, of the long time support of the Masonic Foundation of Ontario when you receive the magazine and see the yellow appeal envelope.

This past spring, the *Ontario Mason* took a step in a new direction and through the e-zine edition, became a major player in the electronic age. The results and feedback we have received to date have been very positive and encouraging. Brethren from across our jurisdiction, as well as those in other provinces throughout Canada and the United States, have remarked how great it is to view our magazine through this avenue.

To our Editor and the members of his committee, I “Thank You” for your commitment that ensures the Brethren of our jurisdiction can stay in touch with what is happening with our Grand Lodge.

Special mention is given to W. Bro. Bob Price for the extra effort to assist this committee and to help us get on line. There is a link to the magazine through our Grand Lodge web site or it can be accessed alone at www.theontariomason.ca

I am pleased to inform you that, through your generous support and donations, there will be a hard copy of the *Ontario Mason* published this coming fall.

My Brethren, this is your *Ontario Mason* magazine. Enjoy it... and feel free to contribute to it.

TORONTO DISTRICTS REALIGNMENT

Last year, in the 2005 Grand Lodge Proceedings, it was reported by then Grand Master, M.W. Bro. Donald H. Mumby, the findings of an ad hoc committee that he had established to conduct an in-depth examination of the Condition of Masonry within the Greater Toronto Area (GTA).

This committee concluded its findings and recommended that the current seven (7) Districts should be reduced to five (5). M.W. Bro. Mumby concurred with the recommendation and directed that it be implemented for a two (2) year trial period effective April 15, 2006.

In review of M.W. Bro. Mumby’s recommendation, and to implement same, the following action was taken. Along with the Deputy Grand Master, I sat down and reviewed the correspondence that was received in response to the proposed changing of the Districts, their sizes and their proposed names. Being ever mindful of the numerous amalgamation talks that were, and still are, underway throughout the GTA, as well as reviewing the condition of Masonry throughout the whole Toronto area, now and for the future, adjustments were made to the District alignments.

Working closely with the current District Deputy Grand Masters as well as the District Secretaries, we reviewed all questions and concerns that came our way.

This included regalia costs, assessments and what will it cost to run the new District. I asked the District Deputies to implement a District Team that would assist them in the transition and to work together to utilize those positive events previous Districts found to be successful, i.e., Wardens' groups, P.D.D.G.M.s' Associations, District social activities, etc.

I also asked the District Deputy Grand Masters to poll the new Districts for a new name that the District could relate to and be proud of. It was made perfectly clear to all involved that the final approval of the name would be given by me. I am pleased to report that the names of the new Districts are as follows: Toronto West, Toronto Don Valley, Toronto Humber Valley, Toronto York, and Toronto East.

As was previously mentioned, this change was to take place in April 2006. As arrangements were not totally in place by that date, implementation will become effective tomorrow, July 20th, 2006.

I encourage you to look at this alignment in a positive sense. With togetherness and leadership, we will ensure a positive future for Freemasonry in the Greater Toronto Area.

ACKNOWLEDGMENTS AND APPRECIATION

Each year in our Grand Lodge Proceedings, immediately following the report of the Committee on Fraternal Relations, you will find over twenty pages of reviews relating to the activities and events that have happened in jurisdictions throughout Canada and around the world. The careful recording of these events just doesn't happen. Our Grand Lodge is indebted to a Brother who has done this job with untiring dedication and devotion, not only to our Craft, but to our Grand Lodge. My Brethren, we owe a debt of gratitude to R.W. Bro. Fred Branscombe for his careful selection of items for our interest, and the countless hours of preparation of these reviews.

This year, R.W. Bro. Branscombe has announced that he is retiring from this position. We express our sincere gratitude to you, R.W. Bro. Branscombe, and "Thank You" for all that you have done over the years for our Fraternity.

I have asked R.W. Bro. Colin Heap, P.D.D.G.M. of Waterloo District, to fill this vacancy, and he has graciously agreed to do so and to assist our Grand Lodge in this capacity.

When I was a coach in the Wyoming Minor Baseball Association, one thing I stressed to all of my players was the fact ... there is no "I" in Team. We all work together... to be successful.

The Custodian of the Work, M.W. Bro. C. Edwin Drew, continues to convey knowledge and understanding to the Masons throughout our Grand Jurisdiction with his well orchestrated participatory seminars. M.W. Bro. Drew, along with the members of the Lodge of Instruction Team, are to be commended for their dedication and active participation, as they take Masonry to the Brethren all across the province. Their enthusiasm is contagious and it continues to create a renewed interest among those Brethren who attend.

I would personally like to express my appreciation to the Custodian for his sage counsel whenever he is asked a question and sends his reply via the District Deputy Grand Masters.

To the Grand Secretary – M.W. Bro. Terence Shand – I would like to express my

sincere appreciation to you “for your assistance, guidance and constructive suggestions” this past year. Some of the issues we had to deal with were very sensitive. Your compassion, understanding and dedication to the Fraternity has made the job that much easier. Thank You for all that you have done.

I am also grateful to the dedicated staff at the Grand Lodge Office who have worked so diligently and so efficiently this past year. My personal ‘Thanks’ to Dorothy Chalmers, Gail Nickerson, Rose Blandin, Stacey Birks, and Donna Harvey for your willingness to assist, your enthusiastic demeanor, as well as your devotion to duty.

I would also like to recognize the untiring efforts of R.W. Bro. Ken Schweitzer for all that he has done and continues to do at our Grand Lodge Office on a volunteer basis. Whatever needs to be done, Ken is always one step ahead and he serves our Grand Lodge with devotion and dedication that is second to none.

To the Deputy Grand Master – R.W. Bro. Allan J. Petrisor, I “Thank You” for the friendly and co-operative manner in which you have approached the duties of your office. Working together with you, for the betterment of the Craft, is a real pleasure, and I value your many contributions, your friendship and your commitment to our Fraternity.

During my term of office, I have selected the Crohn’s and Colitis Foundation of Canada as my project of choice. Having developed Crohn’s Disease in 1979, I would like you to know how much I appreciate the support that the lodges, the districts and the many individual Masons have given to this project. Your generous contributions are greatly appreciated and to the Masonic Foundation of Ontario (Project No. 2400) I appreciate your assistance in this matter.

And, finally, to my wife Sandy, who has been my main supporter since day one. To serve in the capacity of Grand Master without the participation of one’s partner would be impossible. Her confidence in me, her willingness to accommodate last minute changes, her love and encouragement are greatly appreciated. I am also grateful to our family for rearranging their schedules to accommodate our frequent absences throughout the year, particularly during the holiday seasons.

THE YEAR IN REVIEW ... AND AHEAD !

In his book – “Swim with the Sharks without Being Eaten Alive” – businessman and author of one of the number one books on the New York bestsellers list – Harvey Mackay states – “That for a business to be successful in today’s society, it is the responsibility of the employer to ensure their employees have the best tools and equipment available to do their job to the best of their ability.” Quite a profound statement ... isn’t it?

When you think about it, can you see the similarity between the business world and our Grand Lodge? Do we supply our Brethren with the tools that are needed to make them good men, good husbands, good fathers, and good leaders ... be it in their lodges, their places of employment or within their communities?

My Brethren, I feel the answer is ‘yes’ and we are getting better all the time. Our ritual and the teachings upon which our Fraternity is based serves as the foundation on which Masonry is built. We offer information and knowledge to our Brethren through the many Grand Lodge Masonic Education programmes, the Newsletter under the umbrella of the Masonic Education Committee, the

Correspondence Courses through the College of Freemasonry, and of course, there is the regular lodge education programme – which every lodge is encouraged to have at every meeting.

Are we preparing those that have offered their service to our Grand Lodge? I believe you will find that we are. We have a good programme in place for those preparing to be the Grand Master's representative – the District Deputy Grand Masters. Using the resources of the D.D.G.M. Orientation Committee, as well as the knowledge gained by using the Correspondence Course, we are finding our D.D.G.M.s are being better prepared to fulfill their duties and responsibilities.

This year, a new committee was established, called **Leadership Development**. The purpose of this committee is to assist in the orientation of new members of the Board of General Purposes. It will also serve as a resource for experienced members of the Board, so they can expand their knowledge and assist our Brethren as need be.

In the past, every two years or so, several members of the Board of General Purposes, along with members of the Management Committee, have gotten together to take part in a working retreat at Crieff Hills, near Guelph, Ontario. Many issues of importance relating to the future of our Fraternity are discussed, including the Grand Lodge five-year plan. In the year ahead, I have suggested that we cancel the Crieff session and in its place have a one-day in depth session to include all members of the Board of General Purposes. This will afford us an opportunity to have an open and frank discussion relating to the relevant issues facing our fraternity today ... and in the years ahead.

Through the generous support of many devoted Masons throughout our jurisdiction, we have been able to continue funding the Special Programme Fund, which offsets the costs to not only publish the *Ontario Mason* magazine, but many of the activities of the various Grand Lodge Committees.

It was recommended in a previous ad hoc committee that we look for an alternative that would complement the Calendar and Label Fund. Early in our new Masonic Year, I will be putting together a committee to follow up on same.

Last year in my remarks at Grand Lodge, I shared with you my commitment for the year 2005-2006. I shared with you my desire to affirm the basic principles of Freemasonry. My commitment for this past year was to foster a learning experience for the Brethren that would advance traditional Masonic values.

Personal Image and True Masonic Charity!

Personal Image is portrayed by our deeds and actions as well as our body language and tone of voice. "Making good men better" is often misunderstood. Our purpose, our job, our way of life should be to make all men better. We all have this potential.

You have heard me say many times this past year, that Freemasonry itself is not a charity, nor does it have as its main purpose charitable giving. This is but one expression of its true spirit. Charity is receiving and sharing.

My Brethren, I remind you, what we have done for ourselves – dies with us: what we have done for others – will remain with them for their lifetime.

As we take the next step forward into our 152nd year, I remind you of what Masonry has been for generations, and what it should continue to be.

Freemasonry is kindness in the home...honesty in business...courtesy in society...fairness in work...concern for the unfortunate...resistance towards the

wicked...help for the weak...trust in the strong...forgiveness for the penitent...love for one another...and above all...reverence and Love for the Great Architect of the Universe.

Freemasonry is many things – but most of all – Masonry is a way of life!

Gary L. Atkinson
Grand Master

Auditors' Report

To the Most Worshipful Grand Master,
Officers and Members of Grand Lodge A.F. & A.M. of
Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

We have audited the statements of financial position of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 2006, and the statements of operations and fund balances for the general and segregated funds for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 2006 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

Grand Lodge A.F. & A.M. of Canada

In the Province of Ontario

Notes to the Financial Statements

April 30, 2006

1. Purpose of the organization

The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario is a not for profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The organization is exempt from income tax under the Income Tax Act.

2. Summary of significant accounting policies

Fund accounting

The Grand Lodge A.F. and A.M. of Canada in the Province of Ontario follows the restricted fund method of accounting for contributions.

The General Fund reports the organization's administrative activities.

Revenues and expenses related to programme activities are reported only in The Programme Fund.

Revenues and expenses related to the 150th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are consolidated and reported in the Segregated Fund.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition. Bank borrowings are considered to be financing activities.

Investments

Investments are recorded at cost less write-downs when any decline in value is considered to be other than temporary. Discounts and premiums on the acquisition of bonds are not amortized, but are maintained at cost with the final gain or loss recorded on disposition.

Revenue recognition

Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Grand Lodge A.F. & A.M. of Canada

In the Province of Ontario

Notes to the Financial Statements

April 30, 2006

2. Summary of significant accounting policies (continued)

Foreign currency translation

Transactions denominated in foreign currencies are recorded in the accounts of the organization at the rate of exchange prevailing during the date of the transaction. At year end, monetary assets and liabilities denominated in a foreign currency are translated into Canadian dollars at year end rates of exchange.

Financial instruments

For cash and cash equivalents receivables and payables and accruals, the carrying amounts of these financial instruments approximates their fair value due to their short term maturity or capacity of prompt liquidation. For the investments, fair values are disclosed in the consolidated statement of financial position.

The financial risk is the risk to the organization's earnings that arises from fluctuations in interest rates and the degree of volatility of these rates. The organization does not use derivative instruments to reduce its exposure to interest rate.

Unless otherwise noted, it is management's opinion that the organization is not exposed to significant interest, currency, or credit risks arising from these financial instruments.

Use of estimates

In preparing the organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

3. Notes receivable - Masonic Holdings

	<u>2006</u>	<u>2005</u>
6% debentures - Series A	<u>\$ 50,000</u>	<u>\$ 55,000</u>

The debentures are receivable on demand.

The notes receivable are not expected to be repaid within the next fiscal year.

8. Related entities

The Board of Directors of both The Masonic Foundation of Ontario and Masonic Holdings consists of members of the Board of General Purposes of The Grand Lodge A.F. and A.M. of Canada in the Province of Ontario.

The object of The Masonic Foundation of Ontario is to receive, maintain, manage, control and use donations exclusively for charitable purposes within Ontario. The Foundation is permitted to use its donations for the relief of poverty, the advancement of education and the advancement of other purposes beneficial to the community. The Foundation is committed to funding bursaries, hearing research, drug and substance abuse education in the school systems and other specific and community projects which fall within its guidelines.

Title to the land and building, situated at 363 King Street West, Hamilton, Ontario was taken in the name of Masonic Holdings Inc., an entity incorporated as a not for profit corporation within the meaning of the Income Tax Act (Canada) and without share capital. Masonic Holdings Inc. was incorporated in 1957 to acquire and operate adequate premises for the administration, personnel and staff of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario. As an incorporated entity it requires a separate auditors report and financial statements.

9. Statement of cash flows

A statement of cash flows has not been included since, in the opinion of the organization's management, it would not provide any additional meaningful information and cash flows from operating, investing and financing activities are readily apparent from the other financial statements.

REPORT OF THE GRAND TREASURER

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to be with you again this year and to present the report of your Grand Treasurer on the business affairs and financial condition of our Grand Lodge at this point in our history.

Firstly, we take comfort in advising of a satisfactory financial year behind us and the prospect of another such year ahead. The per capita dues increase has begun to assist in our financial health and as that increase solidifies over the next two years – providing we are successful in holding the membership base at its present level of some 50,000 – we are hopeful of our future with regard to our financial security.

A secondary, but most important source of revenue is the good health of our investment portfolio. Our goal in that respect is twofold – one, to secure our future by managing a soundly based investment portfolio which will withstand the vagaries of financial markets and two, to generate predictable and stable revenues via the interest and dividend distributions. The track record of the portfolio and its management over the past many years is evidence of the commitment on both these mandates.

The market value of our three principal funds, viz: General, Commutation, and Memorial, is still holding at an aggregate figure of \$4 million. Our rate of return on the total investment portfolio during the past year is 8.16%, thanks mostly to the overall gain in our equities of some 19.13%. Fixed income investments, i.e. high grade mid term bonds have yielded very low returns this year and the equity gains have made the difference. I am satisfied and entirely comfortable with the performance of our Investment Manager, Scotia Cassels, as is the Audit and Finance Committee.

Perusal of our financial reports of the past year and of the budget plan for the year ahead will disclose the satisfactory state of revenues versus outlays. We hope to continue to report a balanced budget or preferably a planned surplus for the immediate future.

The 150th Anniversary Committee has distinguished itself in several ways given the fine quality of their celebratory events. And they certainly deserve special mention given they managed their entire mandate so professionally and within the budget constraints they were permitted. Indeed, they not only managed well within budget, they returned a surplus of \$35,000 from the proceeds of Anniversary related merchandise. Thank you Terry McLean and your committee.

It is the intention that this sum, i.e. \$35,000, be clearly dedicated towards our 175th Anniversary. Given the considerable period until that time, it is our intention – supported by the Audit and Finance Committee – to invest the full amount in blue chip equities to be managed by our appointed investment manager. Your approval of this report will permit our implementation of that plan.

The staff at the Grand Lodge office have always given full dedication to their responsibilities. I wish to convey a word of appreciation to each of them again this year, perhaps especially Gail Nickerson who was challenged to reconstruct an entire year of financial files following a computer crash earlier this year.

The Audit and Finance Committee and the Benevolence Committee, each of which administers the bulk of Grand Lodge assets and disbursements, continue to be most diligent in their respective responsibilities for which a word of appreciation to these chairmen, i.e. R.W. Bro. Thomas Lewis and R.W. Bro. David Bell, is directed.

I do wish to express appreciation to our Grand Master, M.W. Bro. Gary L. Atkinson, and to the President of the Board, R.W. Bro. Allan J. Petrisor, for the support they have provided to all of us who toil in the interests of Masonry in general and this Grand Lodge in particular.

Respectfully and fraternally submitted.

T. RICHARD DAVIES
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed the auditing firm, Grant Thornton, to serve as scrutineers this year.

Printing and Publications

During the past year a number of brochures have been updated and reprinted, others are in review. The Fall 2006 Lodge of Instruction agenda pamphlet has been distributed and a supplement to the Question & Answer booklet has been produced and is available for sale. Additionally, two sets of banners suitable for floats and/or parades, depicting the Family of Freemasonry logos, have been obtained by our Public Relations committee and are now available for use throughout our jurisdiction.

Computerization

The upgrade of computer hardware and software continues to occur. Office staff presently receive upwards of 600 e-mails, on any given day, many of which are Spam. It therefore becomes essential that the subject matter of a message identifies it as a Masonic matter, i.e. Lodge Name/No. Also, that the sender be recognized by staff as a Mason in order to avoid a message being deleted as Spam prior to opening.

Warrants

Excelsior Lodge No. 142, Morrisburg, ceased operation and surrendered its warrant. Several lodges deemed it necessary to amalgamate during the past year, others are in the negotiation process. Alexandra Lodge No. 158, amalgamated with Inwood Lodge No. 503; Melita Lodge No. 605 with High Park Lodge No. 531; T. H. Simpson Lodge No. 692 with Wentworth Lodge No. 166; Irving Lodge No. 154 with Craig Lodge No. 574 and Doric Lodge No. 233; Walker Lodge No. 321 with Friendship Lodge No. 732; Washington Lodge No. 260 with Petrolia Lodge No. 194; and Farran Ault Lodge No. 256 with Wales Lodge No. 458.

Conferences

In February 2006, I attended 'The Conference of Grand Secretaries in North America' held at Nashville. Several presentations were made covering topics such as: "Electronic Communications between Grand Lodges, Grand Secretaries, Executive Directors, Business Managers," "Masonic Libraries & Museums" "Masonic Renewal" and "Membership & Leadership."

I represented the Canada Region on the 'Commission for Information on Recognition' which dealt with information regarding several Irregular Grand Lodges, together with presentation requests from Grand Lodges of Andorra, Bulgaria, Macedonia, Mauritius, Morocco, Prince Hall, Romania, and the Ukraine.

In April 2006, I accompanied our Grand Master to the "All Canada Conference" held at Winnipeg. Breakout discussion sessions were held and several presentation papers were given, entitled: "Modern Masonic Ritual," "Candidate Proficiency," "Them and Us Syndrome," "Membership Problems and the Need for Change" and "Redistribution of Districts" given by our Deputy Grand Master. Our Grand Master was nominated and elected Chairman of the 2007 Conference and I re-elected as Treasurer.

At the direction of the Management Committee, the following is submitted regarding invitations and visitations of this Grand Lodge. During the past year we have received nineteen international invitations, of which your Grand Master and I attended one. Additionally, we received twenty-eight North American invitations of which the Grand Master attended seven and I, four. The international visit provided an opportunity to dialogue with one's counterpart and learn from Masonic leaders of Europe, Asia, Africa, Australia and other parts of the World. Several countries discuss recognition issues. Two provided discord and documentation requesting recognition which was returned to Ontario as information to our Fraternal Relations Committee. The North American visits provide an opportunity to compare Masonic trends, to learn from each other and especially maintain the longstanding and cordial relationships enjoyed these many years.

Secretary Seminars

On November 19, 2005, thirty-three brethren from Niagara Districts 'A' and 'B' attended at St. Catharines; November 26, 2005, twenty-eight brethren from Toronto Districts 3, 4, 5 and 6, attended at Scarborough. December 10, 2005, forty-six brethren from Toronto Districts 1, 2 and 7 attended at Rameses. March 18, 2006, thirty-seven brethren from Georgian North and South Districts attended at Stayner, and May 13, 2006, twenty-eight brethren from Temiskaming and Nipissing East

Districts attended at Haileybury. The seminar comprises a half-day session of friendly interaction regarding responsibilities and issues of Lodge Secretaries in relation to their dealings with Grand Lodge. An update on current constitutional amendments, together with an overview of staff operations. Once again, future Secretary Seminars will be made available through and at the request of the respective District Deputy Grand Master.

Semi Annual Returns

Your Grand Lodge staff and I live in the hope that, one day, this paragraph will not be necessary in the proceedings of this Grand Lodge.

As of this writing, some Semi-annual Returns have not been received at the Grand Lodge office, consequently negating the three principal officers an opportunity to vote at this Communication. Please consider submission of this document, on or before the 8th day of January and the 8th day of July an important one by sending the return in a timely manner.

Closing Remarks

In March, present and former staff members, family and spouses, gathered together for an especial reception and dinner honouring Mrs. Dorothy Chalmers in achieving the remarkable milestone of fifty years in the employ of our Grand Lodge. Those many years have been spent in a loyal, devoted, exemplary manner and are deserving of our utmost praise and especial thanks.

As stated heretofore, my remarks regarding our entire courteous and efficient staff have been endorsed time and time again by comments received when attending Secretary Seminars and elsewhere, both within and beyond our jurisdiction. As well, the numerous accolades heard during my telephone conversations with various persons in their dealings with our personnel. I acknowledge, with thanks, the high standard of excellence they continue to maintain.

This electronic age of rapid communication places an ever increasing demand on office workload. We thank those having business dealings for their patience and forbearance, especially the many Lodge Secretaries who give unstintingly of their time and talents in service to our Craft. Your cooperation and timely submissions are sincerely appreciated.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

Forty-six reports of the District Deputy Grand Masters were presented by the Grand Secretary, and, on motion of the Grand Secretary, seconded by R.W. Bro. G. E. Hinds, they were referred to the Board of General Purposes.

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. A. J. Petrisor, Chairman, and on motion of R.W. Bro. Petrisor, seconded by R.W. Bro. D. G. Dowling, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the several members who formulate the Management Committee.

This year we welcomed two new members in the persons of R.W. Bro. David Sheen and R.W. Bro. Terry McLean.

I would point out for your interest and perusal the Management Committee mandate which can be found in Section 136(j) of the Book of Constitution.

Several issues were brought to the table for consideration. The following were acted upon:

- Five pages of Comments and Ideas from the Crieff Retreat held in January of 2005 were addressed and assigned to various committees, groups or individuals for their thoughts and suggestions. Their results were reviewed, accepted, acknowledged and forwarded to the Long Range Planning Committee.
- M.W. Bro. D. H. Mumby, P.G.M., in his Grand Master's address, referred the Report of the Ad Hoc Committee on Finances, chaired by R.W. Bro. Ed Standish, to the Management Committee. These items were severally dealt with by the Audit and Finance Committee and only one recommendation was adopted, that of travel expenses for committee chairmen. Briefly, for special committee assignments approved by the Grand Master and Deputy Grand Master an allowance for travel expense of \$.10 (cents) per km per vehicle for distances greater than 160 km one way, for meals \$10 for each of two, \$40 for each of two sharing a motel which is more than 2 hours from home.

The report of the Condition of Masonry Committee was received. Once again, problem areas that were identified in individual lodges fell into the following categories:

- Financial problems stemming from lack of proper budgeting and Long Range Planning.
- Lack of use of Grand Lodge Programmes such as Mentor and Friend to Friend.
- Membership decline through attrition.

All were referred to the Grand Lodge Committee Chairmen of either Lodge Finances Advisory, Lodge Buildings Advisory, Long Range Planning, Friend to Friend/Mentor, or Brother to Brother Committees for their follow up. Fifty-five recommended action items out of the 2005 Chairmen's reports contained in the Preliminary Proceedings were reviewed and assigned to various committees for their further action or disposal. My thanks go to R.W. Bro. David Sheen for compiling these action items.

Provision for more copies of the Preliminary Proceedings in the 2006 budget has been made following the many complaints received after the 2005 Communication from brethren who were unable to acquire a copy.

With the favorable results of the Grand Lodge Display Marquee at the 2005 International Plowing Match held in Listowel, it was agreed to continue on with plans for the presence of a Grand Lodge Display at the International Plowing Match to be held in Peterborough from September 19th to 23rd, 2006. The Grand Master will take part in the opening day festivities,

a plowing contest as well as the usual Meet and Greet to be held later in the week.

All Grand Lodge Tartan products available were requested from the U.K. suppliers and were sold by Grand Lodge until the supply was exhausted. It was a consensus that Grand Lodge, itself, not continue in the active sale of Tartan product. A release therefore, drafted by our Discipline Committee chairman and signed by our Grand Master, was sent to the tartan suppliers in Scotland to enable any Tartan shop to order Grand Lodge of Canada in the Province of Ontario Tartan material or product.

Copies of the 150th Anniversary DVD were made available on a limited basis for purchase by 150th Committee members, including those in the cast of the play 'Then and Now,' and other interested individuals at a price of \$15. A copy was set aside for the Grand Lodge Library.

The Friend to Friend and Mentor Committee was authorized to produce and sell 100 DVD packages of the Friend to Friend video tape "Freemasonry in Ontario" at \$10 per copy and 100 CD's of the audio tape "What is Freemasonry?" at \$5 per copy.

The Blood Donor Committee was authorized to order 8000 new and redesigned Blood Donor pamphlets. These pamphlets were generously paid for by Canadian Blood Services. In the Mentor Program, it is suggested that a Blood Donor pamphlet be given to each newly initiated Mason. Pamphlets are to be distributed to each lodge as soon as printed.

An amount of \$35,000, part of the residual remaining in the 150th Anniversary budget, was set aside for use as seed money for the 175th Anniversary of our Grand Lodge.

One hard copy of the Ontario Mason Magazine was approved for publication in the Fall of 2006. A further Web Site edition was approved for the spring of 2007.

The Public Relations Committee has been authorized to proceed in the development and production of a 20 minute DVD to promote Freemasonry as a Fraternity to the public in a genuine manner and to be distributed to the media for use by Cable TV stations. The video will feature professional actors who are members of our fraternity. It is expected to follow the format of an interview.

A 2007 edition of the Grand Lodge Calendar was approved for production to be mailed in late fall to approximately 10,000 Masons, generally those who may have contributed previously. Proceeds from this calendar fund raising programme offset the costs of our Special Programme Budget.

An interesting pamphlet developed by the Long Range Planning Committee entitled "Freemasonry, Is It For Me?" was presented for consideration and forwarded to the G-15 group of The Masonic Education Committee for their review. Current pamphlets available from Grand Lodge are being researched for duplication of information and dated statistics.

A subcommittee has been struck to investigate the issue of Proxy voting at Grand Lodge (Sections, 56(a), 57 and 303, Book of Constitution) to ensure that each vote available is utilized in a fair and equitable manner.

Endorsements of commercial enterprises should not be included on District Deputy Grand Master Trestleboards, or printed programmes for Grand Master or Grand Lodge Officer receptions.

Computer Resources Committee Chairman, R.W. Bro. Brian Bond, recommends the discontinuance of a password with an e-mail summons. Management Committee endorses this proposal with the following proviso.

- All e-mail address lists must be properly maintained and kept up to date.
- The PDF format is the best choice for reproduction.
- The assigning of a further password to protect the summons is redundant.

We received several interesting presentations throughout the year on the following topics:

- Record keeping at Grand Lodge by Mrs. Dorothy Chalmers and Mrs. Gail Nickerson.
- Constitutional amendments and their regularity or otherwise by R.W. Bro. Fred Halpern, Chairman of Constitution and Jurisprudence Committee.
- Origins and role of the Management Committee by Management member R.W. Bro. Terry McLean.

All of which is respectfully submitted on behalf of the following committee members: R.W. Bros. D. A. Campbell, D. G. Dowling, T. W. Hogeboom, T. McLean, D. M. Sheen and ex-officio M.W. Bro. G. L. Atkinson (Grand Master), R.W. Bro. T. E. Lewis (Chairman, Audit and Finance) and by invitation, R.W. Bro. T. R. Davies (Grand Treasurer). I offer my sincere thanks to M.W. Bro. T. Shand, Grand Secretary, for so capably recording and distributing the minutes and giving assistance where necessary.

ALLAN J. PETRISOR, Chairman

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. F. Halpern, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Halpern, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee has received the following eight (8) Notices of Motion for consideration.

1. The first proposal deals with recognition of various jewels and pins. The proposal suggests amending Section 384 as follows:

Add a new paragraph (a) to read as follows:

384. (a) The Grand Lodge recognizes and adopts the usage of the Lewis Jewel in our jurisdiction.

The current first paragraph shall be renumbered 384 (b) and be amended to read as follows:

384. (b) No jewels shall be worn in a lodge other than those specified for the officers, except the jewel of a Past Master, a representative of another Grand Lodge, a Royal Arch Mason, a Lewis Jewel, the Veteran Jubilee Medal, the Maple Leaf pin with the square and compasses, the Grand Master's Meritorious Award and any other jewel, button, or medal specially designed and/or authorized by Grand Lodge, and any lodge insignia approved by the Grand Master.

The current Section 384 (a) shall be renumbered Section 384 (c).

Your committee finds this proposal regular.

2. The second proposal deals with the minimum fee charged to become a Mason as set out in Section 378 of the Book of Constitution.

The proposal suggests amending Section 378 to read as follows:

378. No lodge shall make a mason for a lesser fee than One Hundred Dollars over the cost of items received by, or paid on behalf of the candidate. Such items include

but are not limited to an apron, bible, books, booklets, Grand Lodge fees. No lodge shall remit or postpone the payment of any part of this sum.

Your committee finds this proposal regular.

3. The third proposal deals with Section 134.1 of the Book of Constitution dealing with the Advisory Board.

This proposal suggests deleting Section 134.1 in its entirety.

Your committee finds this proposal regular.

4. The fourth proposal deals with the creation of a collar for William Mercer Wilson recipients by adding a subsection (a) to Section 172 of the Book of Constitution to read as follows:

172. (a) William Mercer Wilson recipients shall be entitled to wear a white collar as follows: (i) The collar shall be of white corded moire ribbon and 102 mm in width throughout. The centre seam at the bottom of the collar shall be covered with 13 mm silver braid. The collar shall be lined with sky blue cloth material. The interlining of the collar shall be of sufficient stiffness so that the collar will not pucker or wrinkle unduly, nor become limp.

Your committee finds this proposal regular.

5. The fifth proposal deals with the time period for an application for restoration by a brother who has requested and received a Certificate of Severance and suggests an amendment to Section 425(b) to read as follows:

425. (b) An application for restoration by a brother who has been suspended indefinitely may only be made after the expiration of five years from the date upon which the suspension took effect. An application for restoration of a brother who has been granted a Certificate of Severance may only be made after the expiration of one year from the date upon which the Certificate of Severance took effect. Application for restoration shall be made in writing to the lodge from which he was suspended.

Section 425(b) (i) through (ix) as written.

Your committee finds this proposal irregular.

6. The sixth proposal deals with amending Section 318 dealing with the committee of inquiry by striking out the word “forthwith.” The proposed amendment shall read as follows:

318. Each application, having been read in open lodge, **shall be referred to a committee of inquiry** of 3 or more Master Masons appointed by the Master, none of whom shall have proposed or seconded the application. The committee shall inquire into the character and qualifications of the applicant, and shall report in writing thereon to the lodge at its next regular meeting, held after the lapse of not less than four weeks, or as soon as possible thereafter.

Your committee finds this proposal regular.

7. The seventh proposal proposes a change to Section 15 to allow a Master Mason receiving a long service award to be extended the Grand Honours. The proposed amendment shall read as follows:

Change the existing Section 15 (g) to Section 15 (h) and add a new Section 15 (g) to read:

15. (g) a brother on the occasion of receiving a long service award, 50 year, 60 year or seventy year (service is computed from the date of initiation to the present, less any time deducted for demit or suspension) – three; and

Your committee finds this proposal regular.

8. Proposal eight deals with an amendment to Section 65 by adding a Section (c) to read as follows:

65. (c) Only those brethren who have placed first or second on the first ballot for the office of District Deputy Grand Master, shall be eligible as candidates for the second ballot.

This will eliminate multiple ballots.

Your committee finds this proposal regular.

All of which is respectfully submitted on behalf of the committee.

FREDERICK HALPERN, Chairman

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

R.W. Bro. G. Wayne Nelson presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. Nelson, that the Report be received. (See page 193)

REPORT OF THE LIBRARY, MUSEUM and ARCHIVES COMMITTEE

This Report was presented by R.W. Bro. P.W. Hooper, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hooper, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to report on the activities of the Library, Museum and Archives Committee of this Grand Lodge for the past year.

Library

The Library sub-committee consisted of R.W. Bros. Lanny Salmon (Team Leader), Don Jagger and Vic Lepp, along with W. Bro. Ron Bivens.

The Library Committee was again very busy this past year. There are many members who worked diligently behind the scenes and assisted with the cataloguing and placing of books.

R.W. Bro. Salmon reports that he would like to take this opportunity to thank all the volunteers and helpers and especially the young people who assisted us. Workers: Bro. Mike Samiola, W. Bro. Bill Brimer, W. Bro. Mark Mainprize, W. Bro. Harold Ogilvie, W. Bro. Ted Shannon.

This past year has been very productive for the Library Committee. The library computer has been updated. The former columns in the system have been amended to include the

Boyden numbering system column along with a description column. The lending portion of the library, as listed in the computer, has been catalogued using the Boyden System. The descriptions have been entered for a very few books to date.

Two-thirds of the book spines in our lending library have been labeled with the new Boyden numbering system. Our plan is to have this labeling finished by the end of June 2006. We are also hoping to have all the books filed in the proper sections by the end of June 2006.

This is the completion of an ambitious project that was started last year to re-catalogue the entire library using the Masonic Revised Boyden Cataloguing system. Although we had hoped to do it earlier, the library is now in a position to be able to divest itself of extra books on a permanent loan basis to various district and lodge libraries throughout the province.

We are pleased to report that our other library project is proceeding well. The Scottish Rite now has their own room and the books are being catalogued using our Boyden System.

The next step in the process is to set up the Lending Library on the Internet. Unfortunately, due to the large size of this jurisdiction, the library in Hamilton is not getting the number of visits by our brethren that we would like. Our aim is to extend our coverage of the province by having the books listed on the Web Site. The Computer Resources Committee has been contacted with this request. This committee believes it is very important to give all of our members equal access to our resources.

Museum and Archives

The Museum and Archives Committee consisted of V.W. Bro. Gene Lotz (Team Leader) along with R.W. Bros. Marvin Smith and Bill Wheeler.

The Grand Lodge Museum had one of the most active years in some time. The largest event during the past year was an historic exhibition at Dundurn Castle in Hamilton called "A Masonic Tradition." The exhibition was well received by the Masonic fraternity and the general public. Over twenty-five thousand visitors viewed the exhibition which highlighted the history of our Grand Lodge. The Museum and Library Committee would like to thank all those who lent their artifacts helping make this exhibit a resounding success.

During the past year, several individuals and lodges donated artifacts to the Grand Lodge Museum. This act of generosity has helped to build our historic collection, which is the largest collection of Masonic artifacts in the jurisdiction. Thank you to everyone who helped build our Masonic Museum.

The Grand Lodge Museum is embarking on a project to document and photograph the final resting place of all Past Grand Masters. In order for this project to be a success, every lodge and district which has a Past Grand Master interred within its district should be involved. The results of this project will help adorn the memory of these outstanding Masons.

Another ongoing endeavor of the Museum is to catalogue the Masonic War Dead and Cornerstones laid by the Masonic fraternity. Both these projects are long-term efforts. The Masonic Museum of Grand Lodge is continuing its outreach into the community by highlighting these projects.

Again, to everyone who has contributed to another successful Masonic year – Thank You.

Respectfully submitted on behalf of the committee.

PAUL W. HOOPER, Chairman

REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS

This Report was presented by R.W. Bro. B. J. Hutton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hutton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This report is presented on behalf of its members: R.W. Bros. Roy Chadwick, Robert Cresswell, Bruce Dickson, John Hough and Bill Rose. Their strong commitment to consider seminars that provide exciting and informative sessions for the participants is greatly appreciated. I also wish to thank the committees from the various Grand Lodge programmes already in place that arranged and presented seminars throughout our jurisdiction on such topics as Friend to Friend, Mentors, Brother to Brother, Officer Progression, Masonic Education, Computer Resources and others.

Our primary focus this year was to generate topics and find presenters for the seminars to once again be held during the afternoon of Tuesday, July 18, 2006, prior to the Annual Communication of our Grand Lodge. The following sessions are planned for this year:

Speaking with Ease – *Taming the Pterodactyls!* Presented by Bro. Bruce Palanik. We all experience butterflies when we must stand up in front of a crowd. But, when those butterflies appear to be a flock of pterodactyls, we need to know how to control them.

Office of District Secretary – *Stop your Quill from Quivering.* Presented by V.W. Bro. Roy Pickard, Past District Secretary, St. Thomas District. This office is a very important part of the District team and knowing what to do will greatly benefit anyone who will be assuming those duties.

Ritual for Dummies – *Upgrade your Skills.* Members from the Lodge of Instruction Team, R.W. Bros. Gordon Crutcher, Dennis Hawman and Al Dvorak, will offer pointers on the Mechanics of the Work, referring to the Questions & Answers booklet compiled by that team.

Long Range Planning – *Welcome to the Future.* Presented by R.W. Bro. Victor Codato. Don't get caught relying on the days as we tread on the flowery meads of prosperity. Tomorrow we may totter on the uneven paths of weakness, temptation and adversity and we must be prepared.

Lodge Amalgamations – *The Good, the Bad and the Ugly.* R.W. Bro. Paul Todd will review the steps necessary when considering amalgamation. It can be very successful, but might also not be the ideal solution.

Public Relations – *Our Friends – The Media.* R.W. Bro. John Green will offer helpful hints and suggestions to get the most out of dealing with the public and their often misguided perception of Masons.

Protocol & Etiquette – *But our Lodge does it this way.* Find out from R.W. Bro. Charles Reid why it is important that we follow proper guidelines that make us proud to be part of this fraternity.

Lodge of Discussion – *It's OK to ask Why.* Members from the G-15 Masons, a dedicated group that wants us all to have open dialogue on what Masonry means to each of us and why we feel the way we do.

Computer Resources – R.W. Bro. Brian Bond will offer assistance with the mechanics of e-mail summonses, security of documents and privacy of our member information. (Running continually throughout the afternoon)

Seminars are scheduled to begin at 1:30 p.m., 2:30 p.m. and 3:30 p.m. and will be 50 minutes in duration, allowing participants time to move to the next room.

The committee extends appreciation to the Grand Secretary and members of the office staff for arranging accommodations and equipment. Also, the assistance of the above noted dedicated and knowledgeable Masons to prepare and present these seminars for other members of our fraternity. A heartfelt thanks is extended to each one of them.

Respectfully submitted on behalf of the committee.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. J. D. Kingston for R.W. Bro. R. K. Wallace, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Kingston, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

To the Deputy Grand Master, Grand Lodge A.F. & A.M. of Canada in the Province of Ontario, I am pleased to supply you with the following report of the Advisory Committee on Lodge Buildings.

Ongoing Projects

(A) St. James Lodge No. 73, St. Mary's (South Huron District)

The brethren of St. James Lodge have now completed the conversion of an existing building to use as their new lodge meeting place, and this committee will be carrying out an inspection February 12, 2006. We hope to forward to the Grand Master a recommendation for dispensation to be granted shortly thereafter.

(B) Onondaga Lodge No. 519, Onondaga (Brant District)

The former church building has been renovated to meet Grand Lodge requirements and dispensation has been granted for the brethren to meet in their new premises. A Ceremony of Dedication is planned for April 25, 2006. (This project has now come to fruition and has been consecrated).

(C) Cassia Lodge No. 116, Thedford (Sarnia District)

The lodge membership has purchased an existing building and remodeling is now ongoing. Plans/sketches for the new building are still to be forwarded to the Grand Secretary and also to this committee for review and action.

(D) Brant Lodge No. 45, Brantford (Brant District)

The Brant membership have created a lodge room within the Brantford Shrine Building and now have dispensation to meet there until a Ceremony of Dedication can be arranged.

(E) Percy Lodge No. 161, Warkworth (Peterborough District)

The members have now purchased a building lot on Main Street with the intention of

constructing a new lodge building once the present building has been sold. There have been no offers to date. Plans/sketches for the new building layout are still to be forwarded to the Grand Secretary and also to this committee for review and action.

(F) Reba Lodge No. 515, Brantford (Brant District)

The committee has received a letter from a Lynden Lodge No. 505 brother, regarding the possibility of creating a lodge room for Reba Lodge within a proposed new building. A copy of the Design Guidelines and Construction Requirements has been sent as per the brother's request. Also, he was requested to advise the Grand Secretary of any future developments.

(G) Possible Lodge new meeting places

Orono Lodge No. 325, Orono, and Markham Union Lodge No. 87, Stouffville, have both expressed a desire to possibly relocate to new premises. To date, no further action has taken place.

(H) General Items

This committee has responded to brethren seeking advice from both Western and South Huron Districts. A copy of the "Crieff Hills Think Tank" report has been forwarded to all committee members for review and comments, after which the committee plan to meet for further discussion and possible action.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. B. K. Schweitzer, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Schweitzer, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee on Fraternal Relations met in the boardroom at the Grand Lodge Memorial building on Tuesday, April 25, 2006. The committee reviewed and discussed the three requests for Recognition – the United Grand Lodge of Bulgaria, the Grand Lodge of Malta and the Grand Lodge of Mauritius.

In considering requests for recognition your committee looks at three important criteria:

- Legitimacy of Origin.
- Territorial Sovereignty.
- Adherence to the Ancient Landmarks.

Using these three standards, together with, information received from the requesting Grand Lodges and reports from the Commission on Information for Recognition of the Conference of Grand Masters of Masons in North America, the committee wishes to provide the following information and recommendation.

The Grand Lodge of Malta

The Grand Lodge of Ireland consecrated the Grand Lodge of Malta on November 18, 2004. It presently has five Craft Lodges on its roll, four from the Grand Lodge of Ireland and one from the Grand Lodge of England. The Grand Master is M.W. Bro. Joe Cordina. It appears from the information received that it meets the criteria.

The United Grand Lodge of Bulgaria

In 1992, the Grand Lodge of Yugoslavia resurrected the United Grand Lodge of Bulgaria in a resort near Sofia. It presently has 28 lodges with some 960 members. It is one of two Grand Lodges in Bulgaria where attempts to unite are ongoing.

The United Grand Lodge of Bulgaria has received recognition from some 80 jurisdictions that include, the United Grand Lodge of England, 3 Canadian, 25 American, 27 European and other jurisdictions. In February 2005, the Commission for Information on Recognition identified the United Grand Lodge of Bulgaria as a regular Grand Lodge and recognized M.W. Bro. Petyo Penkov as its Grand Master. It is considered to meet all the standards for recognition.

The Grand Lodge of Mauritius

Mauritius is a small island off the east coast of Africa and currently has 11 lodges on its roll. The Grande Loge Nationale Française consecrated this Grand Lodge on March 12, 2005. The United Grand Lodge of England and the Grand Lodge of India recognize it. The Grand Lodge of Mauritius appears to meet the criteria for recognition. The Grand Master is M. W. Bro. Lindsay Descombe.

The committee recommends that recognition be extended to all three requests.

Points of Interest

There continues to be two Grand Lodges in Morocco; the Grand Loge Du Rouaume du Maroc (GLRM) and the Grande Loge Reguliere du Rouaume de Maroc (GLRRM).

We current only recognize the Grande Loge Reguliere du Rouaume de Maroc (**GLRRM**).

Irregular Grand Lodges are being formed and promoted at an alarming rate. There are several of which we should be aware.

A group identifying itself as The Regular Grand Lodge of England, is creating lodges in many European and South American countries. There are also reports that plans are to create lodges in North America as well.

Another, called the United Grand Lodge of America of Accepted Free Masons, is also trying to gain a foothold in the United States.

With a renewed interest in Masonry brought on by recent books and movies, it appears numerous clandestine groups are trying to capitalize on this situation.

Beware

If you are travelling outside our jurisdiction and wish to visit a lodge please check with the Grand Lodge Office as to its standing.

A list of the Grand Lodges who we have Fraternal Relations with is also located in the front of your Lodge Register. Please make yourself familiar with this information.

On behalf of the committee it's a pleasure to submit this report.

BRIAN K. SCHWEITZER, Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by R.W. Bro. G. O. Loshaw, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Loshaw, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In today's climate of economic uncertainty caused by surging energy prices, escalating insurance rates and high property taxes, many lodges throughout the jurisdiction are beginning to experience financial stress.

While some lodges continue to experience sound financial stability due to well-managed financial expertise, there are a number of lodges in financial difficulty. Your Advisory Committee on Lodge Finances has worked on twenty-seven files and repeatedly find four attributing factors leading them down the path to financial disaster. Those four are: 1) Life Memberships. 2) Lack of Annual Budget. 3) Inadequacy of Dues. 4) Inadequacy of Initiation Fees.

1. Life Memberships

While some lodges have completely removed this item and no longer offer it to the membership, other lodges do continue to offer it, and for those lodges that adhere to the guidelines of the Book of Constitution, they experience no problems. However, there are lodges that offer Life Memberships, as well as Honorary Memberships and do not comply with the regulations and guidelines that are set out in the Book of Constitution. There are lodges that have a higher number of Life Members than dues-paying members without a properly funded Life Membership account. These are the lodges that are experiencing financial difficulty.

The brethren have to accept the fact that there is no free lunch and everyone has to pay his own way.

2. Budget

Every lodge should have a budget and that budget should be adhered to. As home owners, we have budgets, businesses have budgets and those that don't stay within the guidelines of that budget are not in business very long. So, whether it is home, business or the lodge, a budget is an essential part of our future stability.

3. Dues

While Grand Lodge has increased the annual per capita for each member, it is most unfortunate that some lodges refuse to consider an increase in dues. The cost per member should be determined and the lodge would benefit greatly by creating one dues structure and invoicing the members to avoid possible delinquent payment.

4. Initiation Fees

Unfortunately some lodges have not kept themselves abreast of the rising costs for items that are paid for and given to the new candidate, such as Grand Lodge fees, Grand Lodge certificate, Book of the Work, Book of Constitution, regalia, apron case and a Volume of the Sacred Law of the candidate's choice. Instead of these lodges taking the proper business approach and being aware of the actual costs, they are offering "big box store" rates for initiation fee and when the dust settles the lodge has actually lost money on the newest candidate. Lodges should make sure that the candidate is paying his way.

The Advisory Committee on Lodge Finances would take this opportunity to remind all lodges to take advantage of the service offered to them at NO COST – a service completely unheard of outside this great Fraternity. Please call on YOUR ADVISORY COMMITTEE before it is too late.

All of which is respectfully submitted on behalf of the committee members: R.W. Bros. T. E. Lewis, H. E. Standish, P. J. McGrenere, A. Pendleton. The chairman thanks them for their input and support and would take this opportunity to thank R.W. Bro. Robert Wands for his advisory guidance, and extends sincere appreciation to the Grand Secretary, M.W. Bro. Terence Shand, for his counsel and guidance, and the staff at the Grand Lodge office for their support and assistance.

Respectfully and fraternally submitted,

GILES O. LOSHAW, Chairman

REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

This Report was presented by R.W. Bro. J. C. Green, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Green, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This report is submitted on behalf of the brethren of the Public Relations Committee: R.W. Bros. C. John Woodburn, Tom Siemiernik, John Hiley, Gordon Forbes, Ian Millar, Dave Wood, Willard Barnes and V.W. Bro. Alan Arbuckle.

SCRAPBOOK

I would like to thank R.W. Bro. T. Roy Davies and his wife Kathy for the time and effort they spend to bring our Scrapbook up to date by inserting press clippings and copies of news items. The generosity of their time is greatly appreciated.

MEDIA RELEASES

We have had the opportunity this year to help create a variety of News Releases for the 150th Anniversary in Hamilton and a number of local lodge celebrations such as anniversaries, 50, 60 and 70 year pins, installations, as well as a wide variety of projects that lodges participated in to improve the quality of life for citizens in our respective communities.

SEMINARS

The Public Relations Committee will be having a session at Grand Lodge for aspiring candidates of District Deputy Grand Master that hopefully will assist them during their year and strongly suggest to them that each District should have a Public Relations Chairman.

FAMILY OF FREEMASONRY

Your chairman also had the opportunity to meet with Public Relations Representatives of other Masonic Bodies: Scottish Rite, Royal Arch, Knights Templar and the Shrine Centres. We also purchased four banners entitled *The Family of Freemasonry* which are available at Grand Lodge. They are suitable for parades, Masonic displays, communications and ceremonials, etc.

MEDIA COMMUNICATION

Our committee is in the process of attempting to develop a DVD to tell the public of the story of Freemasonry. This DVD, with the blessings of Grand Lodge, could then be

distributed to cable TV stations for airing. According to the rules by which these stations are administered, a certain amount of air-time is to be allowed for nonprofit organizations.

OPEN HOUSES

Your chairman has been given notice of all open houses and Friend to Friend events. Our committee is willing to help support these events when requested. We also congratulate those lodges who hold each event to better explain the philosophy of Freemasonry to the public.

SPECIAL EVENTS

This section of the report is presented on behalf of R.W. Bro. Douglas Angus (Team Leader) and his committee, R.W. Bros. Douglas Clouse, Dennis Hawman, Harvey Street and V.W. Bros. Keith Anderson and Larry Carter, who are active in the distribution of information and arranging the Masonic Booths.

International Plowing Match

In September 2005, we had a significant presence at the International Plowing Match at Listowel when we joined with other members of the Family of Freemasonry to display to the public the entire Masonic spectrum. The Meet and Greet on the Thursday evening of the Match was very successful with over 160 in attendance to welcome our Grand Master and other Masonic leaders. On behalf of Grand Lodge, I wish to thank W. Bro. Scott Tanner and his committee for their effort extended at the 2005 I.P.M.

R.W. Bro. Doug Angus and myself are in constant contact by way of minutes and personal visits with the Peterborough District 2006 I.P.M. W. Bro. Bob McBride and his group have regular monthly meetings and are extremely well organized. We are quite confident they will put Freemasonry before the public in a first class manner.

LODGES OF INSTRUCTION

Committee members had an active Fall Season attending all the Lodges of Instruction to display Masonic information that benefits our members. Total sales over five thousand dollars indicates that our brethren are enthusiastic to extend their knowledge of our Fraternity.

OTHER ACTIVITIES

Ontario District is having a special day on June 17, 2006, in Oshawa, entitled, "*A Walk in the Park*" which will be a spring fair type atmosphere to include the whole community. The Grand Lodge Masonic Booth will be present for information to the public. This event is intended to celebrate Ontario District's 150th Anniversary. We thank R.W. Bro. Thomas Hogg, D.D.G.M. of Ontario District, and his members for their project.

We will also, in August 2006, for the first time, have a Masonic display at the Fergus Scottish Festival. The festival is somewhat similar to that of the International Plowing Match. If the weather is favourable attendance usually is in excess of 60,000 over a two-day period. We thank R.W. Bros. William Jones, Ian Millar, Bro. John Campbell and the brethren of Wellington District for making this effort possible.

We also hope to have a significant presence at the Pumpkinfest in Port Elgin the first weekend in October; estimated attendance is usually about 45 to 50 thousand people.

OUTSTANDING ITEMS

We are still attempting to acquire more information on how many lodges have Masonic signs at the entrance of their respective communities.

We also look forward to having the opportunity to refine and complete the DVD to be

used on cable TV stations.

It is my pleasure to present this report on behalf of the hard working and dedicated Masons of the committees mentioned and thank them for their great contribution.

All of which is respectfully submitted.

JOHN GREEN, Chairman

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. R. S. J. Daniels, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Daniels, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Masonry and education are synonymous terms. The object of all educational endeavour is to encourage, assist and support each and every brother to make a daily advancement in Masonic knowledge. Properly considered, a Mason is a perpetual student engaged in a life-long study. It is the responsibility of this committee to provide user-friendly tools and easily accessible resources that will guide his studies in the pursuit of the real meaning of Masonry – to enable him to explore the mysteries and enjoy the privileges that are freely offered to every sincere Craftsman. Freemasonry is the oldest and largest organization devoted to adult education in the world. Every lodge, under the leadership of the Education Chairman appointed by the Worshipful Master, must provide a regular and systematic course of instruction to supplement the rites and complement the ceremonies of the degrees conferred. As Master Masons we are obliged to make the time to explain every detail of the Lectures and Charges delivered to the candidates that we initiate and to expend the effort to interpret the symbols and elucidate the allegories through which we teach for the understanding, edification and enlightenment of all our members.

“The secret of success is constancy of purpose.” – Benjamin Disraeli

Whither are we directing our course? Recognizing that consistency and continuity are essential to the success of any programme, *Let's Talk Masonry* during Masonic Nights at the Round Table and in Lodges of Discussion remains the principal thrust and applied strategy promoted by the committee. Each and every member of the lodge, both the neophyte and the veteran, is provided with an opportunity to exchange ideas, gain insight and discover substance – learning through active participation by airing and answering those questions that every brother has been waiting, but hesitant, to ask.

“Men are never so likely to settle a question rightly as when they discuss it freely.”

– Thomas Babington Macaulay

During the year invitations have been received and accepted from several District Deputy Grand Masters and many Worshipful Masters to present the concept and demonstrate the

technique of holding free and open discussion of pertinent, perplexing and interesting questions in lodge. Workshops were presented in Hanover for Bruce and Grey Districts, in the GTA for Toronto Districts 2, 3 and 4. From these well-attended open forum sessions and sparked by the interest generated on the floor of the lodge, reports have been received that informal study circles, book clubs, and continuing discussion groups have sprung up in several areas around the Grand Jurisdiction.

Learning Resources – *Yours to discover!*

A series of bulletins produced by the Curriculum Group, mostly related to topics of Masonic history, have been distributed by e-mail to the D.D.G.M.s, District and Lodge Chairmen of Education, Worshipful Masters and a broad cross section of brethren. This has proven to be a most successful and cost efficient means of supplying short talks for use in lodge meetings. Reports have been received of their widespread use, shared even beyond this Grand Jurisdiction. Excerpts have been reprinted in lodge summonses and newsletters. Many of these bulletins are archived and posted for reference on the Grand Lodge Web Site.

The College of Freemasonry – V.W. Bro. Syd R. Lowe, Administrator

V.W. Bro. Gordon S. Walker, Co-administrator

The Correspondence Courses offered by the College of Freemasonry had their origins in 'The Study Group' organized by V.W. Bro. Ernest J. Brown, Wyndham Lodge No. 688, Guelph (Wellington District) in 1980. The College, in its present form, was created in 1984 under the direction of R.W. Bro. William R. Pellow, Chairman, with R.W. Bros. Frank Bruce and Edsel Steen as Administrators. In two decades of operation more than 2200 students have benefitted from enrolment. Two courses are offered: 1) for Master Masons – in four parts, and 2) for Past Masters preparing for the Office of D.D.G.M. – in three parts. The course for D.D.G.M.s was introduced in March 1998. Students enrolled submit assignments that are reviewed and evaluated by a team of mentors. Certificates of Achievement are awarded to mark the successful completion of each section of the course. Many letters received from students testify to the value of these courses. Application forms may be downloaded from the Grand Lodge Web Site.

We extend hearty and sincere congratulations to the following Graduates of the Master Masons Course that have earned Certificates of Achievement as **Fellow of the College of Freemasonry (F.C.F.)**:

The Newsletter – V.W. Bro. David Cameron, Editor

R.W. Bro. D. Garry Dowling, Publisher and Subscription Manager

The precursor of The Newsletter first appeared in 1977, when R.W. Bro. Wallace E. McLeod, Chairman, distributed four issues to each district. The Newsletter in its present format was first published in January 1981, with R.W. Bro. David C. Bradley as the editor. In an introductory statement to the first issue, R.W. Bro. McLeod wrote: "*More than anything else the Craft today needs more members who are aware of the aims, purpose and significance of Freemasonry. That is what Masonic Education is all about.*" R.W. Bro. Robert Barnett, London, and W. Bro. Michael Jenkyns, Ottawa, served in succession as

editors. Today, twenty-five years later, The Newsletter has more than 600 subscribers in more than 300 lodges. Each quarterly issue contains articles by Ontario Masons for Ontario Masons. The latest issue (Volume 20, No. 4) features articles written by and about the G-15. Regular features include Custodian's Corner (M.W. Bro. C. Edwin Drew), Book Nook (R.W. Bro. Wallace E. McLeod), and Questions of the Fraternity (W. Bro. Iain Mackenzie). The publication of the past issues in CD format is under consideration. The committee is exploring the possibility of putting an edition of The Newsletter "on line."

Publications and Book Sales— W. Bro. Iain B. Mackenzie, Sub-Chairman and Manager. At the request of the Custodian of the Work, the committee has undertaken the revision of "Meeting the Challenge: The Lodge Officer at Work" (1976) now out of print in preparation for reprinting.

Again this year the Book Table manned by a volunteer sales staff under the direction of R.W. Bro. Don Fick at the Annual Communication provides a wide selection of standard and current titles for purchase. All books are offered for sale at cost as a service to our brethren. The publications of our Grand Lodge provide resources for reference, research, and study.

The **G-15**, the group of enthusiastic and dynamic Masons mentored by R.W. Bro. Wayne Elgie and W. Bro. Iain Mackenzie, continues to meet at regular intervals to consider and discuss seriously the real meaning of Masonry in the lives of men and its practical application to society in the 21st century. W. Bro. Steven MacDonald, P.M., Twin City Lodge No. 509, Kitchener, has acted as liaison with the committee. Following the energetic presence of this group of "*philosopher-gadflies*" at last year's Annual Communication, the personal contacts made have resulted in widespread interest among younger members of the Craft. Representatives have organized and presented many sessions demonstrating a Lodge of Discussion. At the invitation of the Grand Master, representatives of the group made a presentation to the Masonic Leaders of Ontario meeting in May. During this Communication of Grand Lodge, the G-15 will present one of the Tuesday afternoon Workshops sponsored by the Workshops and Seminars Committee: "*It's OK to ask WHY? in the Lodge*" – It's simple to hold a Lodge of Discussion in your lodge. The impact generated by the acute perception and penetrating insight of these keen, concerned, and committed Masons is just beginning to be realized. We all stand to benefit greatly.

Opportunity knocks! There is at present, it seems, a great interest in Freemasonry perhaps generated by blockbuster movies such as "National Treasure" and best sellers like Dan Brown's novel "The Da Vinci Code." Many lodges are presently enjoying an influx of petitions for Initiation as the membership statistics reported by the Grand Secretary indicate. After many lean years, lodge trestle boards are now overflowing with candidates awaiting the several degrees. Emergent meetings and multiple degrees have become necessary.

Carpe diem! This abundance of candidates presents both an opportunity and a challenge. We have long wished for candidates – but are we prepared to properly accommodate them? We must ask some searching questions: What has prompted these petitions? What are these men seeking? What do they expect to find in Freemasonry? How can we satisfy their expectations? Education must play the central and most essential role in the transformation of a card-carrying member into an active practicing Mason. Any Worshipful Master that protests "We are so busy with degree work that there is no time for any education" will soon learn the sad truth of the old saying "Easy come – easy go!" The primary and proper work of the Order is to confer real Initiations, not merely passing candidates through a series of

formal rites and ceremonies. It is easy to learn our Ritual; it is difficult to learn what it means. The Ritual makes Members and Education makes Master Masons.

*Get Knowledge, get Wisdom,
But with all thy getting, get Understanding.*

The Committee on Masonic Education is comprised of a large team of brethren – men with vast knowledge, great skill and ability dedicated to serving their brethren and fellows, carrying on the great work of Masonry in Ontario. R.W. Bro. Scott R. Drummond, Vice Chairman; R.W. Bro. James A. Fisher, Secretary; The Sub-Committee Chairmen – V.W. Bros. David Cameron, Syd R. Lowe and Gordon S. Walker; W. Bros. Iain Mackenzie and Steven MacDonald; The Curriculum Group – M.W. Bro. David Bradley, R.W. Bros. Michael J. Diamond, Wayne Elgie, M. John Moor, Robert C. Tate and Bruce N. Whitmore; The Regional Resource Representatives – R.W. Bros. William M. Atkinson, Philip R. Berard, Dennis A. Hawman, John W. Hodder, Peter F. Irwin, James D. Kingston, Norman J. Paterson, Gareth R. Taylor, William G. Walker, and W. Bro. Richard Wright.

All of which is respectfully and fraternally submitted on behalf of the members of the committee.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. J. David Bell, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bell, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Benevolence Committee is pleased to report that during the year ending April 30, 2006, there was disbursed, in the interest of benevolence, 36 grants and Christmas gratuities from the Memorial Fund, totaling \$88,120.00. In addition, \$11,000.00 was paid for services provided by our Grand Lodge staff and \$8,855.00 was paid to the investment firm of Scotia Cassels Investment Counsel Limited for investment management fees. Total expenditures were \$107,975.00. Income on Investments was \$66,189.00, and bequests and donations of \$1,100.00 were received. Resulting in a net loss of \$40,686.00.

At the annual meeting April 7, 2006, held at the Grand Lodge Office Building, your committee reviewed 12 applications. Five applications, that were of an urgent nature, had been reviewed by the committee members during the year.

Your committee has undertaken a review of the booklet, "A Guide to Masonic Benevolence" last printed in 1995, and has recommended that the present insert *Suggestions Re Visiting an Applicant for Grand Lodge Benevolence* be included in the next printing of the booklet.

I would like to thank the District Deputy Grand Masters and their District Chairmen that have taken an active role in the advancement of benevolence in their respective districts. We should all be mindful of our brethren who may need benevolence, whether it be moral support, a cheerful comment and smile, or financial support. We should all keep it paramount in our minds that – **We are our Brother's Keeper!**

In conclusion, let me express our appreciation for the assistance of our Grand Secretary and Mrs. Stacey Birks, for their continued support.

Respectfully submitted on behalf of the committee: R.W. Bros. T. R. Davies, P. J. Mullen, J. E. Anderson, L. W. Hammell, R. C. James, R. E. Kerr, J. A. R. Keith, J. W. Trousdale, K. L. Whiting, G. W. Nelson, D. A. West, V.W. Bros. D. K. Bromley, W. A. Atkinson Sr.

REPORT OF THE FRIEND TO FRIEND/MENTOR COMMITTEE

This Report was presented by R.W. Bro. D. R. Dainard, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Dainard, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the following report on the activities of the Friend to Friend and Mentor Committee for 2006.

The *Friend to Friend Program* was rolled out in 1994 with the VHS and Booklet – “Freemasonry in Ontario” and is now twelve years old. It has seen many improvements in the original design elements of presentation, and continues to be a valued programme meeting the requirements and objectives of the ‘Strategic Framework’ of the five-year plan of Grand Lodge.

The *Mentor Program* was implemented in 1985 and is now twenty-one years old. The programme has also embraced several refinements to the initial design structure, and remains a quality, valued product, also meeting the requirements and objectives of the Strategic Plan 2005 – 2010.

A full committee meeting was held in the Georgetown Temple on Sunday, August 28, 2005, where the objectives of the programme(s) were reviewed including their distribution, as well as discussions on a strategy for presentations to the membership of the constituent lodges in the Jurisdiction.

The committee recommends that an active posture of promoting the programmes be implemented with a recommendation to pursue and arrange independent and co-operative presentations throughout the Jurisdiction. To this end, a letter was sent to the District Deputies of the Jurisdiction spelling out in the clearest possible terms the availability and readiness of this committee to assist the districts of the Grand Jurisdiction with the presentation and implementation of the *Friend to Friend* and *Mentor* programmes.

The *Friend to Friend* scripting front page was amended with the deletion of the ‘Proposed Scripting’ wording at the bottom of the page. Further, that an Index Page, an Agenda and a Sign-in-Sheet was included in the scripting along with the three letters of Invitation and Appreciation, currently used by the Imperial East Gate Lodge in their programme. Also that the scripting was updated and spell checked for the *Mentor* segments.

In addition, the practice by the chairman of copying the members of committee with all relevant information, reports and budgetary requests submitted by him on behalf of the committee will be continued, thereby keeping all members fully informed and up to speed was endorsed.

It was suggested that a DVD movie be made available for use with this new technology. One hundred (100) were produced from a master disk made from the original VHS tape. The committee is grateful to R.W. Bro. David Wood for providing the committee with five (5) masters and R.W. Bro. Carl Miller for his contribution of time and talent to this effort.

The viability of an audio CD presentation of the "*What is Freemasonry?*" audio cassette tape was explored resulting in the production of one hundred (100) disks.

I am pleased to report that each of the Team Friend to Friend and Mentor Committee have made themselves familiar with both the Friend to Friend and Mentor Power Point elements, so that they would feel comfortable making either presentation at an Overview Session when called upon. Also, it was determined that a Secretary at each of a district(s) or lodge overview event be appointed so that an accurate record of questions, requests and feedback might be kept for discussion by committee for programme improvement/revision or enhancement.

The practice of having Regional Representatives was re-established and the assignment of districts was determined. It was recommended that the listing as published be maintained with a review at the end of each Masonic year. The District Deputy Grand Masters of the jurisdiction were also provided with the Listing of the Representatives.

The committee compiled a CD, and I am thankful to the Deputy Grand Master, R.W. Bro. Allan Petrisor, for distributing the disk and a letter, encompassing the following information, to the District Deputy Grand Masters at their midterm meeting in Scarborough, on January 14, 2006:

Guidelines for the D.D.G.M. for the *Friend to Friend and Mentor Programmes*

Guidelines for the District Chairmen of the *Friend to Friend and Mentor Programmes*

Guidelines for the Regional Chairman (for the Programmes)

Guidelines for the Lodge Chairman *Friend to Friend and Mentor Programmes*

Lodge *Friend to Friend* Programme Reporting Form

Lodge *Mentor* Programme Reporting Form

District Chairman *Mentor* Reporting Form

District Chairman *Friend to Friend* Reporting Form (photocopying was recommended)

Also on the disk, are the Mentor and Friend to Friend Programme packages and the Power Point Presentations for use by the districts.

The Friend to Friend and Mentor Programme Committee feel that the implementation of a '**Reportable Record**' of the activities of these programmes is essential for the continued health and growth of each lodge within the districts of the Grand Jurisdiction. In addition, the information contained in the Reporting Form will assist this committee in the evaluation and improvement for the future growth and use of the programme(s).

I had requested that the chairman of Computer Resources post on the Grand Lodge Web Page these files and had transmitted same to him via e-mail; I extend the appreciation of the committee to him as they are now available on site for review and download.

The Overview Sessions held this year by the host and participating districts to date, stand alone and combined, are as follows:

Toronto District 1 – Toronto 2, 7 – Membership Resources – November 28, 2005

Toronto District 4 – Coronati Lodge – Friend to Friend Event – December 8, 2005

St. Lawrence District – Frontenac, Eastern, Ottawa 1 and 2 – Membership Resources – December 10, 2005

Hamilton – A, B, C, and Brant Districts – Membership Resources – February 18, 2006

Toronto District 4 – Canada Lodge – Friend to Friend Event – March 15, 2006

Peterborough District – Friend to Friend and Mentor – March 18, 2006

Toronto 1, 2, 5, 6, and 7 – Mississauga Temple – R.W. Bro. Petrisor has been invited April

8, 2006 – Membership Resources

Franck Lodge – Prince Edward District – Friend to Friend and Mentor – April 17, 2006

London East and West, Sarnia District – Membership Resources – London – April 22, 2006

Toronto District I – Brampton Masonic Centre – Combined Lodges Friend to Friend Day – April 23, 2006

Waterloo District – Wilson North, Wilson South, Niagara A and B – Friend to Friend Event – May 29, 2006

Friend to Friend and Mentor – Only – May 29, 2006

In addition, the committee has recommended that the DVD be updated to reflect the current status of both the membership and lodges representing the Grand Jurisdiction as well that the “*Ideals of a Mason*” from the Book of Installation and Investiture be included verbatim and that a lead-in scripting be developed with M.W. Bro. C. Edwin Drew presenting that element on the updated DVD.

A letter has been sent to M.W. Bro. C. Edwin Drew, Custodian of the Work, with the request that he present the request of the committee to the Ritual Committee for discussion and approval.

I am indebted to the District Deputy Grand Masters of the Grand Jurisdiction for their unqualified support and understanding for the continuance of these vital programmes and their recognition of the necessity to complete and return the reporting forms as a measurement tool of programme usage to this committee.

Those lodges which report Friend to Friend Programme implementation throughout the jurisdiction have seen an increase in lodge membership, as well as enhancement of knowledge and awareness of Masonry in the communities in which those lodges are resident and I congratulate them.

I would be remiss if I did not recognize the Grand Secretary, M.W. Bro. Terry Shand, and the staff at the Grand Lodge office for their continued support and assistance to this committee for which I, as chairman, am grateful. Also, a special thank you to V.W. Bro. Richard Simpson for producing the DVD – *Freemasonry in Ontario* and the CD – *What is Freemasonry?*.

It has been an honour and my great pleasure to serve as chairman of the Friend to Friend and Mentor Committee, and I am truly thankful for having such a dedicated and devoted team in the persons of R.W. Bro. John Hay, Vice-Chair, R.W. Bros. William Reiach, Will Holden, Mike Kingsley, Wah Chung, George Akers, John McKaig, Dirk Scheeringa, Kim McGeagh, Herb Visser, Jeffery Dickson and V.W. Bro. Robert Lindsay.

It is imperative that the use of these Programme(s) be communicated at every level, and on every opportunity throughout the Districts of the Grand Jurisdiction, now and in the future.

All of which is respectfully submitted on behalf of the Friend to Friend and Mentor Committee,

DAVID R. DAINARD, Chairman

REPORT OF THE BLOOD DONORS COMMITTEE

This Report was presented by R.W. Bro. M. L. Shea, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Shea, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure to be able to present this report on behalf of the members of the Blood Donors' Committee: R.W. Bros. Glenn Cousins, E. Roy Harrison, Terry Pachal, Gary Bloomfield, Doug McLaren, Tom Forbes, William Sylvester, and Ross Ferguson; V.W. Bros. Jim Abrams, Arthur Stokes (Secretary), and David McCallum, and W. Bros. Terry Henderson, and Gary Bryan.

On behalf of all of the members of the Blood Donors' Committee, I wish to extend our appreciation to the many District and Lodge Blood Donor Chairmen and other Masonic volunteers who work so diligently in supporting Canadian Blood Services across the province, sponsoring clinics, working at clinics, and supplying lunches, tea, coffee, juice, etc., and promoting and encouraging their brethren, families, and friends to give the "Gift of Life."

I strongly recommend that District and Lodge Blood Donor Chairmen continue to serve if possible in their roles for more than one year. It is imperative that Lodges and Districts appoint qualified and eager men to serve as Blood Donor Chairmen.

I would also like to recognize the contributions of the many non-Masons and ladies who donate blood on behalf of the various Masonic Lodges, such as family members, neighbours, friends, etc., who attend clinics because a Mason has invited them. I am sure there are many from whom we never hear but we say thank you for their support.

I also understand that W. Bro. John Thomas from Ottawa District I has been invited to sit on C.B.S.'s Regional Liaison Committee and possibly the National Body. This committee consists of some 23 to 24 members from across Ontario. This is good news and I request that we all give John our support.

Some of the key objectives of this Committee for the year were as follows:

Award of Merit Certificates – The Committee continues to produce computer generated certificates that recognize milestone donations. We recognize 25, 50, 75, 100, and multiples of 50 thereafter. These certificates are signed by our Grand Master and the Blood Donor Committee Chairman. Certificates are presented as soon as suitable arrangements can be made. It is important that all eligible Masons and non-Masons are reported to this committee so they may all be recognized for their special achievements.

Recognition – We again recognize the District with the highest number of donations for the year, the District with the greatest per capita donations, and the most improved District. I am most pleased to report the following recognitions:

- Most Donations – Hamilton District B
- Highest Per Capita Donations – Wellington District
- Most Improved District – Wellington District (Increase Per Capita)

A great deal of credit for the increase in number of donations in Hamilton B District goes to R.W. Bro. Robert Kerr. He has worked tirelessly along with the Hamilton Office of Canadian Blood Services and with his local Masons in promoting the giving of Whole Blood and Platelets. Hamilton now also has a new centre in Ancaster.

International Plowing Match – Blood Donors' Committee participated in the Masonic Tent at the International Plowing Match held near Listowel in September 2005. John Nolan from the London Centre of C.B.S. was present and assisted with the display.

This committee will also be present at the I.P.M. being held near Peterborough in September of 2006.

Communications – Effective communication continues to be a challenge at times. As committee members are spread across the province, we rely heavily on communicating by e-mail.

Each committee member serves as a regional chairman, assigned to a group of Districts as near as possible to his home District. He then becomes the important link between this committee and his assigned Districts. Likewise, the District Blood Donor Chairman serves as the link between the lodges and the Regional Chairman. All individuals must communicate information, concerns, questions, etc.

The 46 District Blood Donor Chairmen and the 600+ Lodge Blood Donor Chairmen play a very important part in communicating effectively.

Unrelated Bone Marrow Registry – This committee continues “To raise the awareness of and encourage the brethren, their families, and friends, to consider participation in the Unrelated Bone Marrow Donor Registry.”

Partners for Life Programme – This year, the Blood Donor Committee has joined the “Partners for Life” programme and as a partner we will endeavour to promote the programme and encourage members of our organization to participate. This committee has made a commitment to save lives by donating blood as a team. The greatest benefit of joining Partners for Life is the fact that we have helped countless Canadians that have needed blood or blood products. Listed below are the numbers of plasma, platelet, and whole blood donations by District to March 31st, 2006, our year end.

Conclusion – As this report was being prepared to send to the Grand Lodge office, I received a message from R.W. Bro. Robert Kerr explaining that he was privileged to have been able to represent the Masons of Hamilton District “B” at the 8th Annual Donor Recognition Ceremony conducted by C.B.S. The certificate presented reads as follows: “A successful blood program is the result of community partnerships. Volunteers like you help to ensure that those needing blood and blood products receive them. On behalf of the Canadians who have been touched by your efforts, we offer our thanks. You made a significant difference in Building a Better Blood System for Canadians.” Congratulations to the Masons of Hamilton District “B” for their great contributions to our Lodge Blood Donors programme and to your support of the Canadian Blood Services in general.

Our original terms of reference are still applicable today—“To assist agencies working in the field to keep identified with their wonderful work.” The need for blood and blood products continues to grow and we will be there to assist by whatever means we can.

The “Donors for Life” programme promoted by C.B.S. continues to expand. It is basically a commitment to give blood, plasma, or platelets regularly.

The “Appointment System” also continues to become more popular with the regular donors. More efficient use of time appears to be the real selling point for the programme. Some time and spaces are still saved for walk-ins to enable them to be accommodated.

A new Blood Donor Pamphlet has now been produced and a few are being distributed to the lodges across the province. Printing is expensive and this greatly restricts the numbers

that we would like to distribute. We will continue to find ways to enable you, the Masons, to receive more in the future.

Our number of donations has increased considerably this year and this committee is extremely grateful for the efforts of all those who touch on the Masonic Blood Donor Programme. To the donors, volunteers, lodge and district chairmen, the District Deputy Grand Masters, and the staff of C.B.S. across the province, we say "thank you." The need will always be there and we will be there to support the programmes.

Finally, I wish to particularly express my thanks and appreciation to the Grand Secretary, M.W. Bro. Shand, and the Grand Lodge staff, for their co-operation and patience shown again to this committee.

Special thanks also to Marg Gow and Renee Naiman, members of Canadian Blood Services, for their continued support, advice, and assistance, all year, and in particular for their support in getting our new brochure produced.

If you knew you could save a life – would you? Give the "Gift of Life."

Respectfully submitted on behalf of the Blood Donors' Committee.

REPORT OF THE COMMITTEE ON THE ONTARIO MASON MAGAZINE

This Report was presented by R.W. Bro. R. W. Beckett, Editor, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Beckett, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of the Ontario Mason Magazine Committee on behalf of myself and a very dedicated committee.

Before I get into the gist of the magazine report, I would like to commend the Grand Secretary, his office staff, and R.W. Bro. Brian Bond, for their efforts in supplying the committee with an updated membership list. Thus ensuring, to the best of everyone's ability, that the fall issue of the magazine was delivered to the brethren registered with the Grand Lodge office.

Our start to the fall edition was not an auspicious beginning, as we lost a valuable member of the committee in our early stage of preparation. Fortunately, my committee members worked tirelessly amassing new material, and the support from the Grand Master and the Deputy Grand Master during this period of time was exceptional.

We also received the strong support of the members of the Board of General Purposes and the various committee chairmen. They readily provided me with excellent articles regarding the functions of their relevant committees that proved to be of great interest to the brethren.

One of our goals was to provide another avenue for the dissemination of information to the brethren from the leaders of our Craft. We believe we met this objective through the offices of the Grand Master, the Deputy Grand Master, the Grand Secretary, the Custodian of the Works et al, all providing insights into their relevant offices, responsibilities and duties they provided to our fraternity. These articles were supported by the various committee chairmen's insights into their duties and responsibilities to the Craft.

We also sought to increase the revenue generated by the magazine. In this matter we did

in fact increase the revenue somewhat, but it is an area of my responsibilities that I am not satisfied with. I feel I could have done more had I had the time to develop a network of "Regional Representatives" in such areas as London, Ottawa, Kitchener, and Barrie, to extend our advertising over a greater area of our jurisdiction. This increase in the area of revenue is one I hope the committee will address in a positive vein in the near future.

A further goal set for the *Ontario Mason* magazine was the establishment of an on-line edition of the magazine to be known as an e-zine edition. The committees commenced this task early in April and were able to obtain a Web site for one year at a minimal cost to Grand Lodge. We have registered the Web site URL for the magazine, as **theontariomason.com** and the magazine will be online as of July 1, 2006. The style of the magazine, being more akin to a newspaper than a magazine, will be updated on a regular basis as new material is received. One of the unique features of the e-zine is one that would allow the Grand Master (i.e.) to make a visual audio presentation to the brethren at his discretion. Of course, this aspect would be available to others at the discretion of the committee and its advisor. We also have built in the capabilities for districts to have their own individual section(s) should they so desire. There are many other features of the e-zine magazine that are unique in format and they will be detailed in the magazine as we bring them on line.

I believe that we have achieved the mandate set out for our committee and would like to acknowledge the tremendous support afforded to me by my committee members and that of the Grand Master, the Deputy Grand Master, the Grand Secretary and his staff, and all those brethren who took the time and effort to supply us with interesting material.

Respectfully submitted on behalf of the Ontario Mason Magazine Committee,

ROBERT R. BECKETT, Editor

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. P. E. Todd, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Todd, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following is the report of the Long Range Planning Team and it is given on behalf of its hard working members: R.W. Bro. Frankland M. Wilson, Vice-Chairman; R.W. Bros. Rudolph (Rudy) Mulack, Fred Collins, Alfred (Alf) Messenger, David Salter, Victor A. Codato, Bob Bouchard, Ronald Campbell and Alex O'Neill.

The Constitution of our Grand Lodge outlines the duties of the Long Range Planning Committee which are: to identify, study, and assess any matters which may affect the future of Freemasonry and to prepare and present a five-year plan and to make recommendations for the long term benefit of the Craft. Once again, this year your Long Range Planning Committee has accepted and met these challenges.

With the acceptance of the new 5-Year Strategic Plan 2005–2010 by Grand Lodge at its Annual Communication last year, the task for the Long Range Planning Committee was to distribute the plan to all Masons in our Grand Jurisdiction.

This task was achieved by several different initiatives: copies of the Strategic Plan were made available as handouts at Grand Lodge; all District Deputy Grand Masters received a copy in the hand-outs given at the regional meetings; the Strategic Plan was placed on the Grand Lodge Web site in an easy download format; and copies of the Strategic Plan were sent to all District Long Range Planning Chairmen.

Each of the nine committee members of the Long Range Planning Committee, including the chairman, were assigned specific districts of responsibility during this Masonic year. The committee members then sent introductory letters to each District Deputy Grand Master identifying themselves as the Long Range Planning Committee member responsible for their district and asking them for the contact information of their District Chairman.

The letter also advised the District Deputies that the Long Range Planning Committee was willing, at their request, to put on a workshop in their district or a specific lodge identified by them. Several districts did ask for assistance and successful workshops were held on several occasions by members of the Long Range Planning Committee.

Recommendation: District Deputy Grand Masters be encouraged to forward, as soon as possible after the Grand Lodge Communication, the name of their District Long Range Planning Chairman to the chairman of the Long Range Planning Committee, thereby assisting the committee in its work.

R.W. Bro. George E. Hinds, Chairman of the Condition of Masonry, and his committee identified, after reviewing last year's District Deputy Grand Masters' Official Visit Reports, five districts which had lodges that either requested or in the opinion of the District Deputy required assistance by the Long Range Planning Committee.

Each identified district was contacted by the Long Range Planning Committee member who had their responsibility and individual letters were sent to each lodge with copies to the D.D.G.M., indicating that in the previous year there had been requested or the District Deputy had indicated they needed assistance by the Long Range Planning Committee. Unfortunately, none of the identified lodges chose to accept our offer of assistance.

Recommendation: Continued liaison between the Condition of Masonry Committee and Long Range Planning Committee, coupled with the assistance of the District Deputy Grand Master of districts/lodges which have concerns, to emphasize the need to have a Long Range Plan.

Several districts and lodges over the last few years have requested from the Long Range Planning Committee assistance regarding the process of amalgamation. As a result of these requests, the committee developed a presentation called, *"Amalgamations, The Good, The Bad and the Ugly."* The presentation originally was given orally with handouts at the end of the meeting; however, with demand increasing and with the assistance of R.W. Bro. Alf Messenger the presentation is now committed to Power Point.

The presentation is best given in a relaxed forum of a Saturday morning session, where the brethren are encouraged to ask questions and exchange ideas and hopefully at the conclusion of the workshop the lodges will have a better understanding of the amalgamation process.

Recommendation: Lodges and/or districts who would like to know or learn more about the process of amalgamations, contact members of the Long Range Planning Committee or the Grand Lodge Office and request a Saturday morning workshop with the presentation, *"Amalgamations, The Good, The Bad and The Ugly."*

In the opinion of the members of the Long Range Planning Committee, one way for it to make recommendations for the benefit of the Craft, was to develop study papers regarding situations that may be a concern for the future of Freemasonry in Ontario. This year your Long Range Committee was very fortunate to have R.W. Bro. Ronald K. Campbell come out of retirement and rejoin the committee of which he was once chairman.

R.W. Bro. Campbell wrote five discussion papers during the course of the year. Each paper was sent out to all Long Range Planning Committee members for consideration, comment and suggestions.

R.W. Bro. Rudy Mulack suggested that committee members might want to share the discussion papers with members of their districts for possible feed back or what can best be called “grass roots” opinion. This great idea was followed up by many of the committee members who got great responses from their Districts of Responsibility.

If your lodge or district would like a copy of these five discussion papers to promote discussion, please contact the chairman of Long Range Planning and he would be pleased to send you a copy electronically.

The following is the list of discussion papers prepared by R.W. Bro. Ronald K. Campbell:

- 1) Stem The Decline. 2) All The Way in One Day. 3) Creating a Desire to Belong.
- 4) Creating a Life Long Interest. 5) Senior Members – Heritage – Responsibility.

Also available is a synopsis of the five discussion papers.

R.W. Bro. Ronald K. Campbell determined through his writings of the discussion papers, particularly “*Creating a Desire to Belong*,” that a pamphlet specifically designed as a handout to non-Masons needed to be created for the betterment of the Craft.

The result of his work is the pamphlet, “*Freemasonry: Is it for Me?*” which gives information about our fraternity under the following headings: Philosophy, Its Origin, Misconceptions, Aims, Expectations, Lodge Meetings, Masonic Charity, Requirements to Join, and How to get more Information. If approved by Grand Lodge, the pamphlet should be available for handout this fall.

As in previous years the initiatives of each Grand Lodge committee were tracked on the now familiar WINS chart at specific times during the year, thereby giving the Deputy Grand Master a clear picture of the work done by his committee.

The mid-term meeting of the District Deputy Grand Masters was held this year with a decidedly different agenda. Like previous years, there was first an update by the Grand Master, M.W. Bro. Gary L. Atkinson, and the Custodian of the Work, M.W. Bro. C. Edwin Drew; however, the District Deputy Grand Masters were then divided into different “break out groups” with facilitators to discuss three previously provided questions. This new innovation was well received by the District Deputy Grand Masters.

The Long Range Planning Committee is scheduled to present two seminars at Grand Lodge this year; they are: “*Welcome to the Future*,” a seminar on Strategic Planning for lodge/district and “*Amalgamations: The Good, The Bad and the Ugly*” a seminar to inform the brethren on the process of amalgamations as it relates to our Constitution. The chairman of the Long Range Planning Committee and the chairman of the Condition of Masonry Committee will meet with the outgoing District Deputy Grand Masters during Grand Lodge for a “debriefing” exercise to ascertain what went well, and in some cases, what didn’t go well during their tour of duty.

Recommendation: The Long Range Planning Committee recommends the continuance of the Seminars and Workshops at Grand Lodge and the possible expansion to Regional Workshops all across our Grand Jurisdiction.

In closing, I would like to publicly thank the Long Range Planning Committee members who have work hard this year to inform the brethren of our Grand Jurisdiction the benefits of planning for the future.

All this respectfully submitted on behalf of the Long Range Planning Committee.

PAUL E. TODD, Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. G. E. Hinds, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hinds, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The committee reviewed all of the reports that were submitted by the District Deputy Grand Masters, for the years 2004–2005, and presented the following observations and recommendations.

Lodge Finances

In recent times Lodge Finances have taken quite a blow. In some cases, somewhat devastating. In this committee's initial review of all districts, and report back to the Chairman of the Board of General Purposes, there were eight districts with lodges that had concerns requiring attention.

These concerns varied with each lodge, but some were common to most; e.g. no Long Range Plans, no Long Range Planning Committee, no Annual Budget. This committee feels these actions surely spell disaster in the not too distant future. The reluctance in taking positive action by the Finance and or Long Range Planning Committees of the lodge lies possibly, in not knowing what approach to take.

Recommendations: Sample suggestions should be supplied by the Grand Lodge Committees of Lodge Finances and Long Range Planning with examples of a "Menu Board" with proven Action Plans.

Grand Lodge Programmes

In reviewing last year's reports, the use of such programmes, i.e. Friend to Friend, Brother to Brother, were used very sparingly in many districts, reasons for which there are no answers.

Recommendations: Chairmen of those two committees should continue to promote programmes to all lodges through the District Deputy Grand Masters, encouraging them to hold "Friend to Friend" or "Brother to Brother" evenings in lodges needing that type of support. A competitive atmosphere should be established among the members of the lodges in the district. The lodge having the most successful Friend to Friend evening and the brother having the most invitees on that evening to receive a letter of congratulations from the Grand Master. All brethren who receive letters of congratulations from our Grand Master will have Honorable Mention at our next Annual Communications, and, if present during that session, will be recognized.

Work In Lodge

The work in the Lodge Room in most cases was well presented. There are still a few reports being turned in stating areas of Protocol and Fellowship during the Banquet Hour time slot which still require improvement.

Recommendation: Extra effort should be made by all line officers to improve through the use of Seminars and Workshops during the Annual Communication.

This year the members of the Committee on the Condition of Masonry were instructed to send a letter of introduction to the District Deputy Grand Masters of the Districts that they

will be reviewing. Also requesting permission to be in attendance, at one of their Official Visits during the year. I am pleased to report that on each occasion that this was done, the committee member was well received, and given the opportunity to address the brethren present. Many brethren at the end of the evening came over and expressed how pleased they were that they were able to answer some of their questions.

During the address we had the opportunity to remind the brethren that each member from the Entered Apprentice to the most Senior Past Master was a most valued member of that lodge. The Entered Apprentice was the future; the Senior Past Master was there to pass on his wisdom.

All of which is respectfully submitted on behalf of the committee members: V.W. Bros. Keith Anderson, Ian Dale; R.W. Bros. John Hough, Paul James, George McGowan, Robert McKee, Edward (Ted) Rutter and Robert (Bob) Taylor.

REPORT OF THE COMMITTEE ON COMPUTER RESOURCES

This Report was presented by R.W. Bro. B. E. Bond, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bond, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Grand Lodge Web page: (www.grandlodge.on.ca)

Under the guidance of R.W. Bro. James Kirk-White, Web master for our Grand Lodge Web site, the Grand Lodge Web site has been moved from its American hosting company to a Canadian hosting site located in Mississauga. The reason for this was to obtain more Web space for the use of our Grand Lodge committees and give us more control over the future needs of this Web page.

All committees have been apprised of this availability of space and some have now placed downloadable information on the site for the use of the brethren. As others get ready to use this medium, we will do our utmost to accommodate them. The only exception will be the Ontario Mason on-line magazine, as the storage of these large files requires considerable space. The Ontario Mason Committee is setting up a separate site and links will be provided from the Grand Lodge site so that the brethren and others may have full access to all Ontario Mason publications placed there.

Summonses via E-mail:

It is to be noted that over 428 lodges have attended one of the E-mail Seminars. Each attending lodge has received a copy of the training CD and a printed handout regarding the actions to be taken for the proper preparation and delivery of the electronic summons. As indicated last year, the change of officers at Installation, demits, resignations or unfortunately, death, can result in loss or misplacement of the information needed to properly complete this task.

Several seminars were conducted this Masonic year. For each seminar, all surrounding districts were invited to attend and the representation from these was quite encouraging. The list below enumerates only the host district for each seminar.

HOST DISTRICT	DATE	ATTENDEES
St. Lawrence	November 5, 2005	Secretaries, Masters, etc
Niagara B	November 19, 2005	Secretaries, Masters, etc
Peterborough	December 10, 2005	Web masters and interested members
London E & W	March 11, 2006	Web masters and interested members
Algoma E	March 27, 2006	Secretaries, Masters, etc
Algoma	March 28, 2006	Secretaries, Masters, etc
Western	March 29, 2006	Secretaries, Masters, etc
Frontenac	April 15, 2006	Secretaries, Masters, etc
Nipissing	May 13, 2006	Secretaries, Masters, etc

In each of the seminars, it was again strongly noted that the Grand Secretary, Grand Master and D.D.G.M. MUST receive their summons in printed form and delivered by regular surface post.

Semi-Annual Return

The complete Semi-Annual Return, modified to reflect the changes in fee structure, as approved at Grand Lodge, is included in the distribution CD. This Semi-Annual Return is valid only for the reporting dates JANUARY 2006 and JULY 2006.

A new Semi-Annual Return will be made available after Grand Lodge in July 2006, to reflect the next step of change for the January 2007 and July 2007 Returns.

This Semi-Annual Return may be completed on a computer using Adobe Reader, available as a free download from Adobe.com or from your Computer Resources Representative.

A series of rules are to be followed:

1. The form is to be printed on WHITE, ACID-FREE paper.
2. The original form MUST BE RETURNED to the Grand Lodge Office with the completed PDF form.
3. The DATES and FINANCIAL information contained on the original form MUST BE TRANSFERRED to the PDF form.

Lodge Programming:

The Distribution CD for 2006–2007 contains the following files:

Blind brethren:

Those lodges who have members who are sight impaired may apply for a special CD, designed to be used with the voice synthesizer in their computer. We also distribute a copy of the Book of the Work in LARGE TYPE, on 8.5" x 11" paper.

Both of these items are available to any member who suffers sight impairment. Application to Grand Lodge for this CD or large type must be made by the lodge on behalf of the member, on lodge letterhead and signed by the Master.

- BOOK OF THE WORK 1999
- CONSTITUTION 2005
- GUIDE AND MECHANICS 1985
- MEETING THE CHALLENGE 1998

These files are all in Microsoft Word format as required by the standards set down by the manufacturers of voice synthesizer equipment and approved by the C.N.I. B.

Proceedings:

The Proceedings for 2005 are now in CD format and copies have been provided to Grand Lodge for distribution to those jurisdictions outside of Ontario.

Registration:

Once again, our registration of eligible voters at our Annual Communication will be tabulated by computers, manned by volunteers and members of the staff at Grand Lodge. This process has proven to be quick and accurate, assisting greatly in the easy compilation of the voter lists contained in the Proceedings. W. Bro. Kris Nickerson is the moving force behind the scenes and his work is evident to all.

On behalf of the members of the Computer Resources Committee, V.W. Bro. Donald Reekie, W. Bro. Kris Nickerson, V.W. Bro. Peter Scott, R.W. Bro. James Kirk-White (Web Master), R.W. Bro. Robert Manz and the District Representatives, I would like to extend a special "Thank you" to the Grand Secretary and his excellent staff for their courtesy and assistance throughout the past year.

Respectfully submitted on behalf of the committee,

BRIAN E. BOND, Chairman

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Hugh A. Kernohan, Grand Chaplain

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Greetings! It has been a great honour for me to have been chosen to serve as the Grand Chaplain of our Grand Lodge during the past Masonic year. I was fortunate in being retired

from parish work and so could make my duties as Grand Chaplain one of my priorities. It has indeed been for me a busy but memorable year. It has been a year of learning. Geographically, I have been to parts of Ontario that I have never visited and my pleas for directions have always been graciously answered. There have been fun times such as the Grand Chaplain mistakenly stealing R. W. Bro. Alan Donovan's Rockports. I have had a hard time living that one down. I have observed some of the different customs in use in various areas of the province. That has been a great experience as well. The greatest part of my year has been the new friends I have made and the real sense of brotherhood I have observed and experienced.

My main priorities have been to attend as many receptions for the Grand Master as possible. As well, I have tried to make amalgamations of prime importance. Another important part of my life is my two lodges and I have made the effort to attend as many meetings as possible and participate in the degree work when asked. Yet I have also had to realize that I still have church and family commitments. They must always be of significant importance as well. How can I ever forget that wonderful moment when the Grand Master invited my grandchildren and my wife to assist in investing me with my regalia at the reception held for me by Malone Lodge. It was a truly moving and memorable incident. Similarly, the Historic Fraternal Gathering with Prince Hall Masons was very moving. There was that wonderful moment, both ironic and emotional, when the members of both Grand Lodges sang together, *Blest Be the Tie That Binds*. Hopefully, the tie will continue to be strengthened through the years.

In addition to participating in (11) social events for the Grand Master, (5) Installations, (3) Official Visits, (5) District Services and (4) Amalgamations, the following are some of the outstanding events:

- Participation in the special Worship Service commemorating the 150th Anniversary of our Grand Lodge was certainly inspiring
- October 15th – Celebration 05 in Wyoming
- October 29th – Spry Lodge's 125th Anniversary
- February 25th – The Most Worshipful Prince Hall Grand Lodge Historic Fraternal Gathering
- April 25th – Dedication of the New Facilities for Onondaga Lodge
- June 8th – The Cornerstone Ceremony in Belleville for the new Library
- Four Amalgamations where one shares in the sadness of the history of 2 lodges coming to an end and the equal joy at the institution of the new identity forging ahead into a great future.

In closing, I would like to thank the Assistant Grand Chaplains for filling in for me on occasions when I could not be present. A special thanks to the members of Malone Lodge No. 512, in Sutton, for their support and understanding. I would be remiss if I did not once again offer my heartfelt thanks to M. W. Bro. Gary L. Atkinson, Grand Master, for inviting me to be part of his team this past year. It has been a most gratifying and enlightening year for me. It has been the greatest honour I have received in my fifty-one years as a Mason and my prayers will continue for the Grand Master and Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Respectfully and fraternally submitted,

REV. HUGH A. KERNOHAN, Grand Chaplain

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. T. E. Lewis, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Lewis, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The duties and responsibilities of the Committee on Audit and Finance of Grand Lodge are set forth in the Book of Constitution in subsection 136(a) and the committee now reports to Grand Lodge on the discharge of these several duties and responsibilities.

GENERAL COMMENTS

Our Grand Lodge has now completed the 150th Anniversary celebrations, and the committee on Audit and Finance salutes R. W. Bro. T. McLean and the 150th Anniversary committee for the events planned and executed, together with the enthusiasm generated throughout the Grand Jurisdiction. We would also applaud the manner in which they managed the budgeted funds allocated and set aside for this event.

When the final accounting was completed for the 150th Anniversary event, there was the sum of \$40, 657.00 net of proceeds from the sale of various anniversary items not spent. The Audit and Finance Committee recommended that \$35,000.00 of this amount be invested in a Special 175th Anniversary Fund and the remainder transferred to the general investments of Grand Lodge. The income earned over the next twenty-five years on these funds together with the initial \$ 35,000.00 will provide funding for the 175th Anniversary celebrations. This recommendation was subsequently endorsed by the Management Committee. Again, your approval of this report and that of the Grand Treasurer will permit the implementation of this plan. As indicated in the report of the Grand Treasurer, these funds will be invested in blue chip equities and will be managed by our investment managers Scotia Cassels Investment Counsel Limited.

The Programme Fund continues to be under review for alternate methods of raising income and an ad hoc committee has been struck to review alternate methods to the calendar programme. The committee understands that the calendar programme will continue for 2007. As indicated in the audited financial statements, the Programme Fund balance at April 30, 2006, amounted to \$181,998.00. Accordingly, we submit for your consideration a budget for these funds for fiscal 2007 calling for expenses of \$112,605.00. Again, the support of the membership for this valuable Programme is earnestly solicited to assist to carry out the work of Grand Lodge to benefit the constituent lodges.

ACTIVITIES

Again, the Committee on Audit and Finance continues to review the monthly financial statements as prepared by the Grand Lodge office and compares the results of operations and financial position of Grand Lodge to budget. The results of operations and financial position compared favourably to the budget adopted last year for fiscal 2006 for the General Fund. As indicated in the audited financial statements, the statement of operations for the General Fund resulted in an excess of revenue over expenses of \$52,047.00 for fiscal 2006 compared to a deficiency of \$51,719.00 for fiscal 2005.

The committee has once again reviewed and considered the Annual Reports of the Grand Secretary, Grand Treasurer and the Auditors' as referred to in these Annual Proceedings.

These reports were found to be most informative and complete in all material respects. Accordingly, the committee recommends the adoption of these reports.

INVESTMENT PORTFOLIO

The committee on Audit and Finance continues to meet throughout the year with representatives of Scotia Cassels Investment Counsel Limited to review the Grand Lodge investment portfolio and compare revenue to budget.

The Grand Treasurer, in his report, reviewed the status of the Grand Lodge Investment Portfolio. The overall Investment Portfolio of Grand Lodge as at April 30, 2006, has a market value of \$4,210,326.00 compared to \$4,292,353.00 at April 30, 2005. Generating investment income continues to be a challenge, given the historic low investment returns on fixed income securities and given that by mandate 70% of our portfolio is invested in fixed income securities. Nevertheless, our portfolio is performing as well as can be expected.

Accordingly, we would recommend that Scotia Cassels Investment Counsel Limited continue to be engaged as the Grand Lodge portfolio managers and that the Investment Plan remain the same in that our investment asset mix stay at 70% debt securities and 30% equity investments.

FINANCIAL STATEMENTS

The audited financial statements for Grand Lodge for the year ended April 30, 2006, were reviewed and discussed in detail with our auditors, Grant Thornton, L.L.P., Chartered Accountants, at a recent meeting of the Audit and Finance Committee. These audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2006, your Grand Lodge experienced a consolidated net loss of \$39,604.00 for fiscal 2006 compared to a consolidated net loss of \$106,647.00 for fiscal 2005.

Again, included in the expenses are extraordinary expenses related to the 150th Anniversary celebrations in the amount of \$98,880.00 for fiscal 2006 and \$89,617.00 for fiscal 2005. Adjusting for the foregoing, we in fact incurred a consolidated net gain of \$59,276.00 for fiscal 2006 and a consolidated net loss of \$17,030.00 for fiscal 2005.

This significant improvement is a direct result of cost cutting measures implemented for fiscal 2006 and the fact that the increased per capita assessment and other fee increases to Grand Lodge are starting to be enjoyed. Having said that, I would advise that although we can anticipate increased revenues in the future as a result of the increased per capita assessments, we have and will continue to take a conservative approach to budgeting expenses not only for fiscal 2007, but for future years.

We again congratulate the Grand Treasurer, the Grand Secretary, the Grand Master, the Chairman of the Management Committee and the members of the various Grand Lodge committees for the efficient manner in which they have managed the financial resources of our Grand Lodge.

Accordingly, the committee recommends that the audited financial statements for the year ended April 30, 2006, be adopted as submitted. We also continue to recommend the engagement of Grant Thornton, L.L.P., Chartered Accountants, as our auditors.

A special thanks to our auditors, Grant Thornton, L.L.P., Chartered Accountants, and in particular, Mr. Evan McDade, C.A., and Ms. Manuela Dettori, C.A., for their overall assistance and interest during the year.

BUDGET 2006-2007

The Audit and Finance Committee received from the Management Committee the budgetary requirements of all the Grand Lodge committees for the ensuing year, which were carefully considered in preparing the annual budget for the Grand Lodge for the year ended April 30,

2007. These amounts aggregated \$18,480.00 together with allocations made from the Programme Fund.

The budget for the General Fund for the ensuing year is set out in the appendix to this report, which reflects anticipated revenue of \$710,700.00 and expenses of \$665,930.00 resulting in a projected excess of revenue over expenses of \$44,770.00.

As in prior years, a budget for the Special Programme Fund has been prepared, which is set out in the appendix attached to this report and reflects budgeted expenditures as mentioned of \$112,605.00.

The operational and Special Programme budgets were prepared on a line by line examination based on the actual results of the previous year and giving consideration to the needs of Grand Lodge to facilitate desirable and meaningful programmes.

In accordance with subsection 134(c) of the Book of Constitution, your committee submits for consideration and approval, as set out below, an estimate of the revenues and expenses as they relate to the General Fund for the year ended April 30, 2007. Your committee believes that the budget set out in this report is realistic and provides for items which can reasonably be foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current fiscal year.

CHARITABLE DONATIONS

The Committee on Audit and Finance has also reviewed the donations made by the Grand Master on behalf of Grand Lodge. The donations aggregated \$1,000.00 and were made to the M.S.A. Disaster Relief for hurricane relief in New Orleans. As such, we recommend the approval of the same.

GENERAL

In conclusion, as Chairman of the Audit and Finance Committee, I particularly wish to express my thanks and appreciation to the Grand Treasurer, R.W. Bro. T. R. Davies, for all his efforts and work in connection with Masonry in general and the financial affairs of this Grand Lodge in particular.

I also wish to express my appreciation to the members of the committee for their interest and involvement in the management of the financial affairs of this Grand Lodge, in the persons of M.W. Bros. G. L. Atkinson, T. Shand, R.W. Bros. A. Petrisor, T. R. Davies, J. Sutherland, S. Cohen, R. Tucker, E. Standish, N. McCarthy and P. McGrenere. And a very special thanks to the Grand Lodge staff for their assistance and guidance during and throughout the year.

Respectfully and fraternally submitted on behalf of the committee.

THOMAS E. LEWIS, Chairman

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge,
A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Report does not appear in the Preliminary Proceedings.

It was my privilege, on Tuesday morning, to report on behalf of the Board of Directors to the 43rd Annual General Meeting of The Masonic Foundation of Ontario.

Highlights of Foundation activities form an integral part of the 2006 Annual Report. I strongly encourage you to read it in its entirety to fully appreciate the diversity of activities supported and the accountability of the Board of Directors, to you, the stakeholders. Please pick up copies of the Report at the Foundation Display, or from the Foundation Office in Hamilton.

Your Foundation has enjoyed the unqualified support of our Grand Lodge and our Grand Master, M.W. Bro. Gary L. Atkinson, who, throughout the past year, regularly reminded the Brethren of their charitable obligations with passion and conviction.

Today I would like to formally recognize the enormous contributions of 4 retiring Directors J. C. (James) Sutherland – Treasurer for 5 years; D. L. (Donald) Jagger – the impassioned spokesperson for VOICE; G. W. (Wayne) Nelson – District Projects; and A. J. (Tony) Hope – Kerry's Place (Autism) and 3 Program Chairmen J. T. (Tom) Bourret – 7 years on District Projects; D. R. (Donald) Thornton – 9 years on Bursaries; and Dennis Hoy – the Foundation's first Web Master . . . a severe loss in expertise and continuity. Also a vote of thanks to Mel Duke and Marlene Victor in the Foundation Office and to George Benton, who served as the Foundation Auditor for countless years.

On the bright side, I welcome 4 new Directors: John Ault from Woodstock, Donald A. Campbell from Markham, Barry J. Hutton from Pickering and Ian Millar from Guelph.

Financially, we experienced a good year, unrestricted net assets at March 31st, 2006, rose marginally to \$7,825,755. Other revenues from Yellow and Grey Envelopes and Bequests amounted to \$209,772, an increase of 25%. While we had projected a budgetary deficit of almost \$200K last year, we ended the year with a small surplus of \$46,918. Foundation-supported programs received grants of \$422,765, while Sesquicentennial and Other District Projects added a further \$780,697. In total, your Foundation channelled \$1,203,462 to worthwhile causes, the largest amount ever in one year.

During the year, we concluded a rigorous, objective assessment of all programs, the results of which resulted in a balanced budget for 2006-07. We updated the Strategic Framework for an additional 5-year period, 2006-10, we sketched out a Communications Committee and we designed a "new revitalized face" for the MFO Web Page.

Looking Ahead to 2006-07, your Board of Directors will focus on 2 major thrusts: 1) a 6-pronged Communications effort and 2) the development of an "evergreen" Vision 2010 and related Vision 2014 (our 50th Anniversary). Details of these initiatives are provided in the 2006 Annual Report.

The Board of Directors calls on all Masons in Ontario to endorse these bold, ambitious and forward-looking initiatives for the betterment of future generations . . . **all for the cause of good.**

Respectfully submitted on behalf of the Board of Directors and Officers of The Masonic Foundation of Ontario.

Samuel Kalinowsky, President

REPORT OF THE BROTHER TO BROTHER COMMITTEE

This Report was presented by R.W. Bro. F. M. Wilson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Wilson, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Brother to Brother Committee, it is my pleasure to submit the following report.

The Brother to Brother Programme has been on-stream for a number of years and has been very well received. It continues to be a valuable resource for ideas, information and examples to assist the brethren in addressing and improving their membership and attendance concerns.

Considerable efforts continue to build on the experiences gained, as well as on the endeavours of past committees, regional coordinators, district chairmen and lodge facilitators. Recently, this viable programme has experienced a decline in enthusiasm due, in part, to an unattended coordinator and facilitator network, relinquishment of the hands-on programme presentation format and lost or misplaced Tool Kit manuals. It is time to refocus our efforts on what worked so well in the past and rejuvenate the Brother to Brother Programme.

Programme Delivery

There appears to be a lack of eagerness for the Brother to Brother message. Although the lecture seminars help to get the word out, and is appropriate for some programmes, that type of format and the short time frame allotted do not work well for the Brother to Brother Programme. In the opinion of the committee, there is a need to return to the hands-on, interactive workshop/forum presentation whereby attendees can develop their own Brother to Brother strategy according to the particular circumstances of their lodge. They should be able to leave the session with a tangible, useable 'blueprint' to help them improve their membership and attendance issues.

To communicate the Brother to Brother message, the committee has participated in many Regional Workshops and Seminars. The committee has also responded to all requests for assistance with website information and copies of the Power Point and overhead slide presentations.

Recommendation 1: THAT the Brother to Brother Programme delivery format revert to the workshop/forum type of presentation.

Tool Kit/Manual

The Tool Kit is a handy, easy-to-use, comprehensive resource manual. It's purpose is to offer practical, reasonable and proven suggestions, information and examples to assist brethren to improve lodge membership and attendance concerns. A number of new subsections have been approved and are available on the Grand Lodge Web site. Additional subsections are being prepared to provide even more useable suggestions, such as the ABC Desk Reference.

Upon reviewing the Tool Kit, it was noted that some stand-alone programmes are

'hidden' within larger sections. For example: *Friend to Friend*, subsection 5.7 and *Mentor*, subsection 4.6. The committee believes that these and other independent programmes should have their own sections for easier access.

Recommendation 2: THAT the Friend to Friend, Mentor, Long Range Planning and Blood Donor programmes have new chapters dedicated to those programmes.

Networking

In the past, a sizable network of regional coordinators, district chairmen and lodge facilitators covered most of the Grand Jurisdiction. Such a huge effort required several brethren with contacts around the province to build, co-ordinate and maintain such an essential service. The committee is of the opinion that a sub-committee of the Brother to Brother Programme be established to rebuild this important communication network to share the successes of proven lodge initiatives, provide ongoing contact with the many correspondents and support for the district and lodge facilitator feedback system.

Expectations for the coordinators, chairmen and facilitators would include: Train-the-Trainer or Make-Up Training sessions, how to conduct a district feedback session and how to provide brief, newsworthy contributions to the *Facilifacts* newsletter. It is a tall order; but the network worked well before and it can work well again.

Recommendation 3: THAT a sub-committee of the Brother to Brother Programme be formed to organize and sustain a networking structure including a training component.

Facilifacts

The *Facilifacts* multi-page magazine has been a very important and worthwhile publication that acquainted brethren with ideas, examples, projects and contact information used by lodges throughout the Grand Jurisdiction to help improve membership and attendance. The problems of production expense, maintaining a reliable correspondent network and distribution issues made its continuance very difficult.

The committee suggests that a two-page newsletter format, like the Grand Lodge Communique, be considered. Encouraging lodge facilitators and district chairmen to be correspondents and distributors for *Facilifacts* would help to get this initiative back on track. This extensive undertaking requires an experienced editor with considerable computer skills to be a clearing point for submitted articles.

Recommendation 4: THAT a Brother to Brother sub-committee be formed to develop the new-look *Facilifacts* format and establish a reliable correspondent and distribution network so that the brethren may obtain valuable information and ideas to assist with lodge membership.

Promotion

To help regain renewed interest in the revitalized Brother to Brother Programme, the committee promotes the idea that two advertising initiatives be created. The first, a *promotion pamphlet* to introduce the revised, user-friendly, practical programme. It would include suggestions and ideas, a sample action plan, a list of services and contact information for general distribution.

The second, a *workshop/forum package* for regional coordinators would itemize the materials required to present a workshop/forum. It would include guidelines for a regional coordinator, a Power Point or overhead/slide presentation, flip charts, action item and feedback sheets. Also, an inexpensive B2B ASK ME bookmark or pin could be designed to help foster attention and inquiries about the programme message and the new programme format.

Recommendation 5: THAT a *promotional pamphlet* and a *workshop/forum package* be developed to introduce the rejuvenated Brother to Brother Programme.

As stated in the inaugural Brother to Brother Programme Report in 2000, the “critical success factors of this **lodge driven programme** are communicating, listening, planning and doing. This past year has been one of reviewing, listening and planning – an important first step to putting a fresh-face on this essential programme. The committee trusts that the factors of communicating and doing will, indeed, revitalize the programme for the benefit of all brethren.

If we are successful, then the accomplishment of such a refocused effort will be our legacy for the generations of Masons who will follow us. Just as the vision of those before us created the important theme of: *Retain, Revitalize and Renew*. It will take commitment to initiate communication, to develop, and co-ordination, to maintain it, but what a great opportunity to get back to basics and to craft the Brother to Brother Programme for the future.

I would like to commend the particular dedication of R.W. Bro. Douglas Conway, R.W. Bro. Terry McLean, V.W. Bro. Stephen McCarthy and W. Bro. Allen Hackett for their invaluable assistance and guidance.

All of which is respectfully submitted on behalf of the committee,

FRANKLAND M. WILSON, Chairman

REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE

This Report was presented by R.W. Bro. G. H. Hazlitt, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hazlitt, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

“The business of being a leader is to turn obstacles into stepping stones, weaknesses into strengths, and disasters into triumphs.”

Generally speaking, when preparing to solve problems or complete assigned tasks, a leader will establish a framework, reduce the tasks into small segments and delegate the work to others. He must continue to follow the programme to be sure the tasks are being completed and be ready to step in and offer assistance and encouragement to those who may be faltering.

Implicit to leadership is the fact that one is dealing with human beings with all their unique complexities. Thus, a large part of leading is not only knowing yourself, but also knowing and understanding people.

Being a leader, then, is an art: some have inherent skills, but for the most part, these skills must be learned, practiced and honed over time. As a result, the training ground for a prospective D.D.G.M. begins with the journey to the Chair of King Solomon and continues as one decides to become involved in district affairs. At this point, the scope of the learning field broadens in terms of involvement, decision making, and that very necessary notion of being able to work alongside others with harmony and respect.

Accordingly, the steps leading to the Office of D.D.G.M. **as outlined in the report of 2005** are very clear. They are three-fold and begin at least three years (4/5 is best) prior to assuming office:

1. That he is very clear in his own mind that the position is right for him and indeed, right for his family. At this point, the interested Brother should have read and digested the contents of the recently prepared booklet entitled, "Information for Prospective D.D.G.M.s."
2. That successful completion of the D.D.G.M.s Correspondence Course is an integral part of his preparations prior to the Orientation Programme.
3. That he take the three and a half hour evening Orientation Programme in the fall preceding his election to office. Please note that the Correspondence Course should precede the Orientation Programme.

In the fall of 2005, Orientation Sessions were convened in Sturgeon Falls, Oshawa, Hamilton, Mount Forest, Toledo, Toronto, and Ridgeway. Each session was conducted by two or three committee members and augmented by the wisdom and experience of two I.P.D.D.G.M.s who shared their experiences and offered advice. As the Chairman of the Orientation Committee, I wish to express a sincere appreciation to the present D.D.G.M.s for their role in assisting us with our mandate. It is through you that a prospective candidate for Office receives encouragement to proceed by placing in his hands the booklet, "Information for the Prospective D.D.G.M." You submit his name for enrollment in the programme and also offer support by attending the session when possible with the aspirant.

In addition, I wish to thank the 70 aspirants who attended one of the sessions. Each is to be commended for his desire for personal growth in particular, and for his dedication to the Craft in general. All of this makes it truly rewarding for the committee as we become part of the growing and learning process.

Out of learning comes growth and, of course, one cannot grow without adopting the notion of change. Accordingly, the Orientation Program was offered on Power Point and has been deemed a positive step forward by all in attendance at the Sessions. In addition, the aspirants to office were asked to critique the programme, the presentation, and the evening overall. Their positive and forthright comments are much appreciated and will allow this committee to grow and maintain a current programme for all concerned. To this end, the following thrusts have been adopted and placed on the committee's immediate agenda:

1. That a programme be offered to potential District Secretaries during the evening Orientation Session. The Management Committee has suggested that a programme be developed and presented for approval with possible integration in the fall '06 sessions.
2. That a package of 'quick reference' material be provided as a handout following completion of the Orientation Session. The few 'bits and pieces' previously provided will be developed into a more comprehensive package for the fall '06 programme.
3. That the programme 'break-out' session be 'tweaked' to remove repetition from the Correspondence Course by presenting scenarios of real situations that a D.D.G.M. may encounter, thus stimulating interesting, meaningful dialogue.

It is with regret that R.W. Bro. Tony Ellison has expressed his desire to retire from committee duties after many years of dedicated service. He has contributed a wealth of knowledge and experience to the presentation and advancement of the programme. It has been my sincere pleasure to share duties with Tony and, on behalf of the committee, I wish all the joys of life for him and his wife, Isabel.

Also, it has been my privilege to have had the opportunity to work with such a dedicated and experienced committee in the persons of: R.W. Bros. Richard Bennett, Tony Ellison (Secretary), Cliff Farber, David Mahon, and David Snedden. Each has been most accommodating with his time, experience, and ideas, as we strived to improve the

programme and its presentation. Again, we thank the staff at the Grand Lodge office for providing the requested books and computer technology for our sessions.

All of which is respectfully submitted,

GREG. H. HAZLITT, Chairman

REPORT OF THE COMMUNICATIONS COMMITTEE

This Report was presented by R.W. Bro. D. A. Conway, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Conway, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Communications Committee, it is my pleasure to submit the following report:

The Communications Committee was re-established this year to directly address a recurring concern expressed by the membership at all levels that communications within our jurisdiction remained problematic.

Mandate: *Establish effective communications between Grand Lodge, Districts, Lodges and Members within our jurisdiction.*

The committee strived to work towards improving our communications by creating new and noticeable vehicles of communications and more effectively using those already in place. The following are the highlights of our year:

1. The committee performed the task of being a source for names of Grand Lodge Officers and Committee Chairmen, their addresses, phone numbers, and e-mails. Either postage labels or e-mail addresses were available. To this end, a database was prepared and kept up to date.
2. The committee was responsible for obtaining and distributing all D.D.G.M. Trestleboards. I am pleased to report that for the first time in many years all 46 were available.
3. The committee maintained various e-mail distribution lists and sent out on a regular basis the current Itinerary of the Grand Master and the Deputy Grand Master, desired announcements from D.D.G.M.s and Committee Chairmen, as well as notices of other newsworthy events.
4. The committee was responsible for the updating of the Grand Lodge Web link of 'What's Happening.'
5. The committee administered the Awards Programme for Lodge Summonses and Lodge and District Newsletters. An award winner was selected along with a merit winner. A new category was added for either a Lodge or District Web site. The winners for this year are as follows:

Category	Winner	Merit Winner
Lodge Summons	Nipissing Lodge No. 420 North Bay Nipissing East District	St. Francis Lodge No. 24 Smiths Falls St. Lawrence District
Lodge Newsletter	St. Andrew's Lodge No. 642 Windsor Windsor District	Victoria Lodge No. 474 Toronto Toronto District 1
District Newsletter	Sudbury-Manitoulin District District News Around & About	Sarnia District The Tracing Board
Lodge or District Website	Corinthian Lodge No. 96 Barrie Georgian South District	Trillium Lodge No. 575 Toronto Toronto District 2

6. A Communications Committee Web site area was set up by our Web master that can be accessed from the Grand Lodge home page. It is anticipated that this area will become of increased importance to those that are looking for content for their Lodge or District Publications. The committee will act as a conduit for these items of interest. A close association will continue between the Communications, Computer Resource Committee and Grand Lodge Web master.
7. The committee was available as a resource to any Lodge or District who requested any information on effective communications.

Recommendations:

Remain as a committee to help maintain the focus on effective communications at all levels.

- Maintaining distribution lists and addresses can be of great assistance to the brethren in sending out information in a timely fashion.
- The committee can assist any lodge to improve their most important communications vehicle – The Lodge Summons. As a comment, with Web access there is so much that can be done to enhance communications with individual lodge members.
- D.D.G.M.s are encouraged to appoint a District Communications Chairman who can get information to the committee for distribution or publication on the Web page.
- The Web page can be an important source of information for use in Lodge or District publications.
- Under 'What's Happening,' it is thought that a link might be provided to the lodge or district Web page that has more complete information on the event as well as a map search link to the lodge or banquet hall.

Summary

Thanks must be extended to our committee members whose contribution over the past year has been of particular merit. Our committee was made up as follows: R.W. Bros. Al Dvorak, Robert Manz, Jim Sercombe, Barry Snider, Reade Spence, Lorne Weaver, Mike Wellwood; V.W. Bros. Don Reekie and Malcolm Woodcock, and Bro. Ian LaFleur.

Either by the written, spoken or electronic word your Communications Committee wants to get your message out. All brethren are urged to make use of this recharged and exciting tool made available by your Grand Lodge.

All of which is respectfully submitted on behalf of the committee.

DOUGLAS A. CONWAY, Chairman

REPORT OF THE LEADERSHIP COMMITTEE

This Report was presented by R.W. Bro. N. G. McCarthy, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McCarthy, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Many organizations and corporations involve their volunteers or employees in different formats of leadership development to strengthen their institution. Similarly, our Grand Lodge offers workshops, for example, on officer training and the office of District Deputy Grand Master. Unfortunately, there does not appear to be anything comprehensive for preparing a Brother for his becoming a member of the Grand Lodge Board of General Purposes. As a result, our Grand Master and Deputy Grand Master created a special committee to address this subject.

Since our focus is specific, the committee felt that the name of the committee did not accurately reflect the intent and has made two recommendations: (a) rename the committee, Advisory Group – Resource Committee to Develop Leadership Skills and (b) that this committee become a sub group of the Management Committee.

As a starting point our initial focus has been directed to the new member of the Board of General Purposes with the possibility of addressing the concerns of aspirants to the Board. The committee also realizes that with your support the model that we develop may be useful in the creation of a similar programme for other Grand Lodge officers.

Our mission – *To contribute to the advancement of Grand Lodge by enhancing and/or recognizing leadership skills necessary to create a more positive change in our fraternity and provide the opportunity to develop needed skills.*

To assist us, this committee requested input from current and former members of the Board that were covered in 7 different questions. From the comments of these 12 participants we have formed a foundation for our work ahead. We take this opportunity to thank those individuals for their support and valuable insights.

We are currently working on a resource manual that can be presented to a our new member of the Board that would contain useful knowledge to help get him started. The suggested contents would include several briefs together with appropriate references for detailed information:

- A letter of welcome from the Grand Master and the Deputy Grand Master
- A section describing the standard of dress
- Guidelines on protocol and etiquette
- The structure of our Grand Lodge and an organization chart
- A listing of all the committees of our Grand Lodge and a description in layman terms of what each does
- A portion that lists our programmes by title and an explanation of each
- A part devoted to the competencies critical for leadership
- Image building – the do's and don'ts
- The duties of a committee chairman – meetings, reports, deadlines, membership
- How to prepare a committee budget – capital versus operating, deadlines

This is a work in process and will likely continue in development for some time. At present we see our services as a resource or advisory capacity.

This committee has discussed at length the potential of planning a training session.

There are infinite variables. Our suggestion is to meet at the Annual Communication with the existing members of the Board, without the D.D.G.M.s, for a two-hour open discussion. Other recommendations for development encompassed: meeting with the new Board members soon after the conclusion of the Annual Communication to develop a seminar for the aspirants to the Board of General Purposes; discuss how does a Mason volunteer to become a member of a Grand Lodge committee and should a new member to the Board have as a prerequisite some committee experience.

To assist our Grand Master and his Deputy, this committee is working to develop a *Skills Inventory* form for the members of the Board of General Purposes to complete. This would include skills developed through academic training, professional career experience, volunteer expertise outside of Masonry and his involvement within the various aspects of the Craft. From the information provided, the talent could best be matched with the needs of our Grand Lodge.

It has been a distinct pleasure to work with the following committee members representing such a diverse group with proficiency in education, communication, operations, marketing/public relations and accounting: R.W. Bro. Jim Anderson, W. Bros. Larry Barrett, Ben Palmer, Jim Thornton along with advisors R.W. Bros. Terry McLean and Dave Wood.

Respectfully submitted on behalf of the committee,

NORMAN G. MCCARTHY, Chairman

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Jacklin, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

There have been no Masonic trials conducted this year. Accordingly, the committee has not been called upon to review any decisions made by any Board of Appeal or any applications received for restoration. Two requests were received for Certificates of Severance and they were granted. Doing so, saved both men making their requests and their respective lodges from having to conduct Masonic trials and we are pleased with this realistic approach. The Certificate of Severance provisions of the Constitution are working well in such circumstances to avoid embarrassment to both the requestor and his respective lodge. Your committee is further refining this process with the able assistance of R.W. Bro. Robert Runciman.

There were two instances where the Grand Master decided, pursuant to the Constitution and after full investigation and review, that the matters involved were private piques and quarrels and no further action need be taken.

There was one instance where the Grand Master, after consultation, suspended a Brother for an indefinite period because of violations of the Constitution. Your committee supports and confirms this decision.

There are presently three other matters under investigation which may require action by your committee.

In closing, the committee would remind the brethren that the provisions of the Constitution clearly set out what are Masonic offences and what steps are to be taken should a Brother wish to report it. We would recommend that any Brother contemplating a

complaint, keep this in mind so that only matters which can not be resolved in any other manner come before us.

The committee wishes to express their thanks for the guidance, wisdom and generous assistance provided by our Grand Master, M.W. Bro. Gary Atkinson, and our Grand Secretary, M.W. Bro. Terence Shand.

All of which is respectively submitted.

DAVID E. JACKLIN, Chairman

REPORT OF THE OFFICER PROGRESSION COMMITTEE

This Report was presented by R.W. Bro. C. H. M. Reid, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Reid, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Our action plan for the time period of September 2005 to July 2006 was as follows:

1. To expand District/Lodge Workshops on week nights.
2. To encourage more Junior Officers to attend.
3. To contact earlier those districts with lodges who may require our committee's assistance.
4. To continue to offer Grand Lodge publications.

I am pleased to report that the above objectives have been achieved.

Listed below is a summary of our Workshop Sessions:

November 28, 2005 – Toronto Districts 1, 2, and 7

December 10, 2005 – St. Lawrence, Frontenac, Eastern, Ottawa 1 and 2 Districts

February 18, 2006 – Hamilton A, B, C, and Brant Districts

March 14, 2006 – Victoria District

March 17, 2006 – Colborne Lodge No. 91

April 8, 2006 – Toronto Districts 1, 2, 3, 4, 5, 6, and 7

April 22, 2006 – London East and West and Sarnia Districts

May 15, 2006 – Kingsway Lodge No. 655

The feedback from these sessions has been very positive.

Recommendations:

1. Increase District/Lodge Workshops on week nights.
2. Continue to zero in on Wardens and Deacons as the target audience.
3. Continue to contact those districts and lodges who may need our committee's assistance.
4. Continue to offer Grand Lodge publications.
5. Continue with handouts on useful information.

It has been my pleasure to serve as chairman of the Officer Progression Committee and I would like to thank the following brethren for their time and effort: R.W. Bros. James Aide, Kenneth Campbell, Andre Cayer, Raymond Dobbs, William Elliott, Bruce McLennan, James Parker, Thomas Warner and W. Bro. William Brimer.

Respectfully submitted on behalf of the committee.

CHARLES H. M. REID, Chairman

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. D. H. Mumby, seconded by M.W. Bro. C. E. Drew, and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

It is my pleasure and honor, on behalf of the Committee which is composed of all of the Past Grand Masters, to present the report on the Grand Master's Address.

We join with the Grand Master in welcoming all members and guests and sincerely hope that each will benefit in their own way from this annual communication. At the same time we endorse the tributes paid to our departed members. Their passing will leave a void that will be difficult to fill. Nowhere will this be more apparent than with the untimely and unfortunate passing of M.W. Bro. Norman E. Byrne.

We note that of the two ad hoc committees mentioned, the one centering upon our discussions and relationships with Prince Hall Freemasonry is of an ongoing nature. The other, whose members have diligently worked at formulating a Grand Lodge Office Manual, have also placed a series of suggestions and recommendations before the Grand Master relative to the Office of the Grand Secretary. We trust all of these matters will be considered without undue delay.

It is a pleasure to recognize the two William Mercer Wilson recipients and we join with our Grand Master in extending plaudits to these Brethren for the well deserved honor they have received. They are truly "men among men" and we are all honored to be in their presence.

The Committee concurs with the recommendation to confer Past Rank on those so named; with those appointments to the Board of General Purposes and with the granting of two Meritorious Service Awards. At the same time we join with him in thanking all members of the Grand Lodge Office for the dedicated manner in which they have attended to their duties.

We acknowledge with thanks the Grand Master's kind comments relative to the Past Grand Masters, the Grand Lodge Officers and the Members of the Board of General Purposes.

The presence and participation of the Grand Master at so many special functions as well as the representational duties he has carried out with his wife, Sandy, on behalf of this Grand Lodge, are noted and appreciated. In particular, we extend our congratulations to him on being named Chairman of the 2007 Canadian Conference of Grand and District Grand Lodges. We are cognizant of his efforts in promoting unity of purpose with concordant bodies through the medium of continuing dialogue.

We have taken particular note of the continuance of lodge amalgamations and hope that every effort is being made to ensure amalgamations are not entered into lightly but only after all avenues to keep lodges alive have been explored. The fact that we have lost 9 lodges this years speaks to this necessity.

The Committee also notes that it has become necessary to take disciplinary action against one of our members. The Grand Master has admonished all Brethren to ensure they follow the path of morality and ethics at all times.

We note and concur with the plaudits directed towards those who have aided the Grand

Master throughout this past year. Particular reference is made to his wife and family whose assistance and understanding have been of inestimable value.

Respectfully and fraternally submitted on behalf of the Committee.

Donald H. Mumby, Past Grand Master

REPORT OF THE COMMITTEE ON CREDENTIALS

This Report was presented by R.W. Bro. K. L. Schweitzer, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Schweitzer, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Credentials begs to report: There are on the Register of Grand Lodge Warranted Lodges represented at this Communication:

By Regular Officers	382
By Proxies	109
By Past Masters	57
TOTAL LODGES REPRESENTED	548
TOTAL NUMBER OF DELEGATES REGISTERED	2,485
WITH A TOTAL VOTE OF	3,297

All of which is fraternally submitted.

KENNETH L. SCHWEITZER, Chairman

REPORT OF THE COMMITTEE OF SCRUTINEERS

This Report, presented by W. Bro. George Benton, Chairman, was received and approved on motion of the Deputy Grand Master, seconded by W. Bro. Benton.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have counted the ballots deposited in the ballot boxes under our control in accordance with the instructions given to us by the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario. The ballots therein show the results of the election as follows:

• Grand Secretary	Terence SHAND

AWARDS COMMITTEE

(William Mercer Wilson Medal)

M.W. Bro. Robert E. Davies was appointed a member of the Awards Committee for a further term of three years. Due to illness, the usual report was not presented at the Annual Communication.

REPORT OF THE GRAND HISTORIAN

This Report was presented by R.W. Bro. Wallace McLeod, Grand Historian, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, it is appropriate that the Grand Historian should express his gratitude to the Grand Master, for honouring him with this title. According to the book of *Constitution*, one of the duties assigned to this office is to record matters that are connected with the history of Freemasonry in Ontario. It seems appropriate this year to talk about our 150th Anniversary Celebration and its predecessors. Most of what follows is taken from the forthcoming booklet that is intended to provide an update to the history of our Grand Lodge.

Previous Anniversary Celebrations

The Grand Lodge of Canada was formed in Hamilton (in what was then called Canada West) on October 10, 1855, with William Mercer Wilson (who lived 1813–1875) as the first Grand Master. And ever since then, from time to time, this special date of our foundation has been recalled. Mind you, it seems that no particular event was held to mark the first quarter century. But after that, every twenty-five years has been marked by a celebration of some sort.

Thus, two years before the Fiftieth Year, at the Annual Communication of 1903, the Grand Master, M.W. Bro. John Elly Harding (1840–1925), proposed that we should celebrate the Semi-Centennial Anniversary by establishing a special benevolent fund of \$100,000; interest from this fund would be used “to bring comfort and consolation to a number of our sorely afflicted brethren and their dependents,” who “cannot be properly cared for without an increase of the funds at the disposal of our benevolent committee.”

Donations were slow in coming, and by 1905, only \$20,848.39 had been contributed. But efforts continued, and finally, by July 17, 1913, the account had gone over the top and reached \$101,707.26. And as the Grand Master at that date, M.W. Bro. Aubrey White (1845–1915) announced, this would provide “for all time a steady income of about \$5,000 per annum to add to the aid given to those in distress or sickness by this Grand Lodge.” And to further celebrate the Semi-Centennial, at the Fiftieth Annual Communication, on July 19, 1905, M.W. Bro. John Ross Robertson (1841–1918), the Historian of Grand Lodge from 1900 to 1918, delivered an historical address, outlining the background and evolution of the Craft in Canada; it was published in the *Annual Proceedings*.

And two years before the Seventy-fifth Anniversary, at the Annual Communication of 1928, R.W. Bro. Alexander James Anderson (1863–1946), Chairman of the Special Organizing Committee (who became Grand Master in 1935), noted that “the work of Benevolence of Grand Lodge is becoming greater every year and its demands on our resources are equally increasing Your committee therefore recommends that a fund of at least a quarter of a million dollars be accumulated by June, 1930, to be known as ‘Grand Lodge Memorial Fund’.” In the Anniversary year, 1930, the Grand Master, M.W. Bro. Roderick Bernard Dargavel (1875–1932), referring to the efforts of individual Lodges to contribute to this fund, noted that “in some instances the commercial depression has retarded their efforts,” but even so, by July 12, 1930, the amount in the Memorial Fund stood at \$327,000, nearly a third above the objective. The Grand Master also noted that a book (which had been authorized in 1927) was now available. This was *The History of the Grand Lodge of Canada in the Province of Ontario, 1855-1930*; it had been written by Walter Stevens Herrington (1860–1947), who became Grand Master in 1931.

As part of the Centennial celebration, in 1955, when Joseph Alonzo Hearn (1895–1968) was Grand Master, a Service of Thanksgiving was held in the Grand Stand of the Canadian National Exhibition Park, on Sunday, July 17, with 29,000 people in attendance. The Grand Master's Banquet took place in the Automotive Building, C.N.E., on Monday, July 18, with 3300 Masons present. *The History of the Grand Lodge*, which had been published in 1930, was expanded and revised, and was released several months after the Annual Communication, so that the story of the celebration could be included. Part of the update (the first nine years) was written by the original author, W. S. Herrington, and the remainder by V.W. Bro. Roy Stanley Foley (1887–1983).

A Century and a Quarter

For our 125th Anniversary, in 1980, the Grand Master was Norval Richard Richards, B.S.A., M.S., D.Sc., Professor of Land Resource Science and former Dean of the Ontario Agricultural College at the University of Guelph. There was of course a very active committee that had been appointed to arrange the anniversary celebrations, with R.W. Bro. Charles W. Emmett as Chairman, and R.W. Bro. A. Lou Copeland as Deputy Chairman. Prior to the Communication, a special commemorative coin, of a silver-nickel alloy, had been minted. Thirty-five thousand of the coins had been produced, and all of them were quickly distributed. A number of special events were held, beginning with a Divine Service (July 13, 1980), held at the band shell of the Canadian National Exhibition.

Then, on July 15, a play was presented, entitled “The Birth of Our Grand Lodge.” It dramatized the events associated with the formation, in full costume of the period. The script had been researched and edited by V.W. Bro. Jacob Pos. The presentation was supervised by R.W. Bro. C. John Woodburn, directed by W. Bro. Frank Holland, and produced by R.W. Bro. David Bruce.

At the opening of Grand Lodge, on July 16th, the Seven Toronto Districts presented a

processional banner, three and a half feet wide and over four feet high, bearing in embroidered colours the coat of arms of Grand Lodge. And also on July 16th, there was an exhibition entitled the "Heritage of Masonry Display," which included Masonic memorabilia, such as furniture, jewels, regalia, hand crafted tools, coins, letters, charts, certificates, cards, wood and marble engravings. The exhibit was under the capable direction of R.W. Bro. Edmund V. Ralph. That evening, at the Grand Master's Banquet, R.W. Bro. Herbert Allan Leal (1917–1999), former Dean of Osgoode Hall Law School, and Chancellor of McMaster University, delivered a superb address entitled "New Lamps for Old!"

And, as always, arrangements had been made previously to collect money for a benevolent fund, and to produce an historical update. Two years earlier, in 1978 the Masonic Foundation of Ontario had initiated Project H.E.L.P. (Hearing for Every Living Person), which was intended to mark the 125th Anniversary by raising funds from which the income could go to the Ontario Deafness Research Foundation. The original objective had been \$350,000, but by 1979, \$560,000 had been raised. And so in 1980, a cheque for \$35,000 from the income from this project was presented to the O.D.R.F.

In 1975, five years before the Anniversary, the Grand Master, Eric W. Nancekivell (1916–2002), had named a special committee to produce a new history of Grand Lodge to celebrate a century and a quarter. The book was ready for distribution at the Grand Lodge Communication in 1980, under the title *Whence Come We? Freemasonry in Ontario 1764-1980*. The editor was Wallace McLeod. Altogether, thirty brethren, of various ranks from Master Mason to Past Grand Master, from all across the province, contributed to the book, though without specific credit being given to them for their particular part in the publication. The book was well received, and in the *Transactions* of Quatuor Coronati Lodge in London, the reviewer said, "The book is one to be purchased."

In the Grand Master's Address for 1980, M.W. Bro. Richards paid tribute to those who had worked for the Anniversary celebration. "The work of the 125th Anniversary Committee under the chairmanship of R.W. Bro. Charles W. Emmett, and committee chairmen R.W. Bro. Lou Copeland, R.W. Bro. C. John Woodburn, R.W. Bro. Ron Groshaw, R.W. Bro. John Hunter and R.W. Bro. M. J. Damp has been unfolding before our eyes over several months. At this time I am proud to thank this Special Committee for the planning, leadership and encouragement they have given to make our 125th Anniversary year a particularly significant one. Lodges, Districts, and Grand Lodge have responded to this positive leadership. I believe Masonry in our Grand Jurisdiction will benefit from the efforts of this committee for many years." And in his next address he continued, "The excitement and the memory of the many happenings that marked our 125th Anniversary year still occupy a place not only in our memory but in the many visible forms by which lodges and districts chose to recognize it."

Our 150th Anniversary

How does one celebrate such an occasion like the 150th Anniversary? Well, of course, there was the usual Annual Communication, on Friday and Saturday, July 22–23, 2005, in the Fairmont Royal York Hotel, in Toronto. Altogether 2597 voters registered for the election, but not quite all of them attended the meeting. The officers and members of Grand Lodge entered the Canadian Room to the accompaniment of the Kilwinning Lodge Pipe Band. One of the highlights of course was the Grand Master's Address, in which he stated, "I am now pleased to report that, effective immediately, full right of reciprocal visitation with Prince Hall Free and Accepted Masons within this jurisdiction is authorized." The Prince Hall Grand Lodge in Ontario had been formed in 1856, but we never extended recognition. In 1992, we acknowledged the legitimacy of origin of the Masonic Grand Lodges of the Prince

Hall affiliation (those approved by the Conference of Prince Hall Grand Lodges), but visitation was not yet permitted. So now, at last, Brotherhood in action!

Besides the formal meeting, there were various celebratory activities. At the display booth, brethren could purchase appropriate souvenirs: commemorative coins, silver-plated chalices, tartan ties (in the new Grand Lodge pattern), and picture calendars. (Some of these are still available.) Alan Donovan (who was later installed as D.D.G.M. of Toronto District 3) was the winner of the 150th Anniversary Early Bird Draw, for a free weekend at the hotel.

There were also several special events, all well attended. One of them, held on Thursday afternoon, July 21st, was a play entitled "Then & Now," written by a non-Mason, Paul Ciugo. He had obviously been clearly briefed, and had carried out a lot of research. The play begins today, in a coffee shop, where a non-Mason asks his friend (a Mason) about the nature of the Craft. The answer alludes to a number of events, some of them historical, and some of them contemporary; and each one has a suitable dramatized vignette that appears on the stage. We have such things as a meeting in 1840 between Sir Allan Napier MacNab, military commander (and Provincial G.M.), and a junior officer, William Mercer Wilson (not yet a Mason); the installation of our first Grand Master by the G.M. of Michigan, on November 2, 1855; the last train ride of the late Sir John A. Macdonald, from Ottawa to Kingston, in 1891, in which he (miraculously) stands by his coffin, and delivers several famous old talks from his past; an encounter at the Hospital for Sick Children in 1914, between John Ross Robertson (Chairman of the Board of Trustees) and Dr. Alan Brown (who would become Physician-in-Chief in 1919); a scene from 1944 in which a father greets his son Harry, who is just back, wounded, from the war, and is thinking about joining his dad's lodge; and then, today, we see a Masonic volunteer driving a cancer patient to his treatment, as part of the standard service provided by the lodge; and two brethren arranging to move their friend Ken, who is badly crippled by a stroke, into a home, where he will receive proper care, and where the brethren can visit him. The whole thing was very entertaining, and well received; the cast of actors (Freemasons and a lady or two) performed magnificently. (The play had already been performed in several cities, as part of the celebration: at Kingston on October 23rd, at Simcoe on February 5th, and at Thunder Bay on April 30th, all earning wide appreciation).

On Friday evening there was the usual elegant Grand Master's banquet, in the Canadian Room. The guests were entertained by the beautiful singing of Miss Elana Nicholls, a 17 year old student at Ridley College. The guest speaker was R.W. Bro. James W. Daniel, Past Grand Secretary of the United Grand Lodge of England, who had also addressed us four years ago. He spoke with particular emphasis on the relationship between England and Canada in the early years of our independence.

On Saturday, there was a **Divine Service of Thanksgiving**. The Meditation (Sermon), entitled "What a Difference A Day Makes," was delivered by R.W. Bro. C. Robert Townshend, Bishop of Georgian Bay. The prayers and responsive scriptures were led by Hugh Kernohan (Grand Chaplain, 2005), Harold Wilson (Grand Chaplain, 2004), and M. John Moor (Grand Chaplain, 2003). Several of the prayers that were read in unison by the celebrants were adapted from those used at the 125th Anniversary Service, on July 13, 1980.

And on Saturday evening, there was a **Gala Event**, held at the elegant nearby Roy Thomson Hall. Before the show started, there was an opportunity to "Eat, Meet, Greet," when we could wander around the hall and talk to our old friends, as we enjoyed the wonderful buffet dinner. But the program in the hall was the magnificent "Irish" tenor, John McDermott, whose music prompted both tears and laughter. Previously (in the Masonic Idol contest) Masons had been asked to nominate some young member of their family or friends who was an aspiring performance artist. Mr. McDermott paid tribute to the winners, and

introduced the top candidate, Sarah Robinson, of Alton, Ontario, a Step Dancer, who gave a brief and rivetting display. But the runners up, Scotty Newlands and Elana Nicholls were also mentioned and applauded.

We owe a great debt of gratitude to R.W. Bro. Terry A. McLean, and all the members of his 150th Anniversary Committee (M.W. Bros. Donald Mumby, Robert Davies, Terence Shand, R.W. Bros. Gary Atkinson, Robert Beckett, Donald Campbell, Thomas Lewis, Paul Mullen, Charles Reid, Robert Collins, Wallace McLeod, Alex Watson, Ronald Wallace, David Sheen, and Paul Todd, V.W. Bro. Bill Atkinson, W. Bro. Ben Palmer, and Bro. Sheldon Kofsky) for their efforts and success in organizing such a memorable celebration. What a happy time! When comes such another?

All of which is respectfully and fraternally submitted.

WALLACE McLEOD, Grand Historian

PRESENTATION OF NOTICE OF MOTION

The following Notices of Motion were presented on the floor of Grand Lodge and duly adopted.

Section 384 amended by adding a new paragraph (a) – to read as follows:

384. (a) The Grand Lodge recognizes and adopts the usage of the Lewis Jewel in our jurisdiction.

The current first paragraph renumbered 384(b) and amended to read as follows:

384. (b) No jewels shall be worn in a lodge other than those specified for the officers, except the jewel of a Past Master, a representative of another Grand Lodge, a Royal Arch Mason, a Lewis Jewel, the Veteran Jubilee Medal, the Maple Leaf pin with the square and compasses, the Grand Master's Meritorious Award, and any other jewel, button, or medal specially designed and/or authorized by Grand Lodge, and any lodge insignia approved by the Grand Master.

The current Section 384 (a) renumbered Section 384 (c).

Section 378 amended to read as follows:

378. No lodge shall make a mason for a lesser fee than One Hundred Dollars over the cost of items received by, or paid on behalf of the candidate. Such items include but are not limited to an apron, bible, books, booklets, Grand Lodge fees. No lodge shall remit or postpone the payment of any part of this sum.

DISCUSSION

W. Bro. Roy Metcalfe, W.M. Meridian Lodge No. 687, spoke in opposition to the amendment of Section 378. Then moved, seconded by Bro. William Duncan "To table the amendment for review." This being defeated, the original amendment carried.

Section 134.1 deleted in its entirety.

Section 172 – add a subsection (a), to read as follows:

172. (a) William Mercer Wilson recipients shall be entitled to wear a white collar as follows:

(i) The collar shall be of white corded moire ribbon and 102 mm in width throughout.

The centre seam at the bottom of the collar shall be covered with 13 mm silver braid. The

collar shall be lined with sky blue cloth material. The interlining of the collar shall be of sufficient stiffness so that the collar will not pucker or wrinkle unduly, nor become limp.

Section 318 amended by deleting the word **forthwith**; to read as follows:

318. Each application, having been read in open lodge, shall be referred to a committee of inquiry of 3 or more Master Masons appointed by the Master, none of whom shall have proposed or seconded the application. The committee shall inquire into the character and qualifications of the applicant, and shall report in writing thereon to the lodge at its next regular meeting, held after the lapse of not less than four weeks, or as soon as possible thereafter.

Section 15 amended to read as follows:

Change the existing Section 15(g) to Section 15(h) and add a new Section 15(g) to read:

15. (g) a brother on the occasion of receiving a long service award, 50 year, 60 year or 70 year (service is computed from the date of initiation to the present, less any time deducted for demit or suspension) -three; and

Section 65 amended by adding a subsection (c), to read as follows:

65. (c) Only those brethren who have placed first or second on the first ballot for the office of District Deputy Grand Master, shall be eligible as candidates for the second ballot.
— Presentations concluded

Bro. Wayne Douglas, South Gate Lodge No. 674, stood to speak on an issue regarding a brother suspended by M.W. Bro. G. L. Atkinson, Grand Master.

The Grand Master advised the brother, "I will discuss the issue after Grand Lodge but not on this floor."

INSTALLATION

M.W. Bro. Gary L. Atkinson to conduct the installation.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I beg to report, on behalf of this committee, that it has been an honour and privilege to serve in this capacity, and once again to present the report or foreword to the following twenty-nine Reviews of the Annual Proceedings of our sister Grand Lodges received during the past year. I would like to express our sincere thanks and gratitude to R.W. Bro. Frederic R. Branscombe for his many years of dedicated service as the reviewer, as he has decided to retire after this term. He has carefully selected items and spent countless hours of preparation of these Reviews for the interest of the brethren. Special thanks are once again directed to Mrs. Agnes Arts, Englehart, Ontario, for her kind assistance in translating the Proceedings of the Grand Lodge of the Netherlands. Each year has seen an increase in the number of Proceedings received on computer disk thereby requiring down-loading of which thanks to R.W. Bro. Peter Matijek, Kirkland Lake, Ontario, for arranging this.

The intention of the Reviews is to inform the membership of the conditions and activities throughout the Masonic World. The brethren proposing or responding to Masonic toasts, active in Masonic Education, welcoming visitors, delivering Masonic addresses, will find these Reviews a useful source for topics, quotations, and information. The reader will note many similarities between our Grand Jurisdiction and the Masonic World.

Many interesting topics contained in the Reviews include Public Relations, Community Involvement and Awareness, Youth Programmes, Membership, Charitable Activity, Renewal Programmes, Communications, Protocol, and Changes within Freemasonry. The Public Relations Committee of Alaska concluded, "All lodges that have an active lodge programme are using all means available to them by promoting their lodge and Masonry in a good light to the general public."

The foregoing is a brief analysis of some of the topics contained in the Reviews. The Reviews are contained in the Annual Proceedings each year, and forwarded to every lodge. It is recommended that the Reviews be used for Masonic Education, Newsletter Information, and Summons material. They are time consuming to produce, but time saving for resource.

Sincere thanks are extended to the office of the Grand Secretary and others who assisted in obtaining Proceedings from our sister Grand Lodges in order to make this report possible.

Respectfully and fraternally submitted.

G. WAYNE NELSON, Chairman

**Reviews written by
R.W. Bro. Frederic R. Branscombe**

ALASKA

24th Annual Communication

Anchorage, Alaska, February, 2005

With regard to the state of the Craft, M.W. Bro. L. V. Dees reported that he had seen work of high quality being done in the lodges. "Good ritual work," he said, "is a building block that strengthens leadership. Good ritual work, also, inspires the dedicated membership to continually practice and improve with a desire toward perfection." He was pleased to see so

many attending the new Leadership Training Seminar because the lodges whose officers are attending are making progress. He reminded his members that "the existence of your lodge lies with each of you, as You are Your Lodge."

The Public Relations Committee reported that it had asked every lodge in Alaska for information on what it had done to promote good public relations. The replies included the following community relations: donations of money for school scholarships, providing supplies for school use, participating in a park clean up, taking responsibility for keeping a designated section of a state highway clean and tidy, having occasional friendship dinners open to the general public, hosting a monthly Saturday breakfast also open to the public, hosting garage sales with the proceeds going to Masonic charitable activities, ringing bells for the Salvation Army at Christmas time, donating to and hosting a Halloween Party each October for all children. In the community, donating cash and clothing to the Department of Family and Youth Services and sponsoring a youth soccer team. The committee concluded, "All lodges that have an active lodge programme are using all means available to them by promoting their lodge and Masonry in a good light to the general public."

ALBERTA

100th Annual Communication

Medicine Hat, Alberta, June, 2005

The Report on the Condition of Masonry observed that "A number of lodges use modern technology to keep their records and, although this works well, one must question the wisdom of not having hard copies. Can a new secretary carry on efficiently if he is not computer literate, or does not have the equipment? It is not too time consuming to keep manual records for lodges with a membership of sixty or less."

M.W. Bro. Rodney B. Ponech reported in his Annual Address that he had travelled to the far north for the consecration of a new lodge.

"The lodge in Inuvik, Northwest Territories," he said, "is the most northerly in Canada, North America, and in the Commonwealth. It is one of only a handful of lodges located north of the Arctic Circle, and becomes the third most northerly lodge in the world, rivalling two in Norway."

The Grand Master emphasized the importance of local lodges being engaged in meaningful activities. It was his conviction that "If a lodge does not have a major project, an undertaking that consumes and involves the members, the members have no reason to become involved."

ARKANSAS

162nd Annual Communication

Little Rock, Arkansas, February, 2005

M.W. Bro. George R. Franks recommended approval of a programme designed to develop greater financial stability for the Grand Lodge. He pointed out the three essential aspects of the programme: (1) Reaffirmation of the Master Mason Obligation, (2) A rededication to the financial support for Arkansas DeMolay and Arkansas Rainbow for Girls and (3) Endowment of the Grand Lodge and its operations.

Another matter which the Grand Master brought before Grand Lodge was that of a Worshipful resigning before he had completed his term of office. He recommended that this be allowed with the permission of the Grand Master in each case upon the following conditions: "First, a Brother resigning from the office of Worshipful Master would not be entitled to retain his title of Worshipful or recognition as a Past Master. Secondly, the remainder of the year would be completed by the Senior Warden without assuming the office of Worshipful Master." This recommendation was approved by Grand Lodge.

The charity programme officially recognized by Grand Lodge was the Association of Sheltered Workshops of Arkansas. They were described as providing "training and

employment to our citizens who are mentally and physically handicapped.” Grand Lodge was informed that during the year it had given financial support to twenty-five of these workshops in Arkansas.

BRITISH COLUMBIA AND YUKON

134th Annual Communication

Penticton, British Columbia, June, 2005

In his Address, M.W. Bro. Charles W. Unrau warned that “we have allowed ourselves to become too complacent, and I have asked all Brethren to re-educate themselves, because the world around us is changing at an accelerating pace. Our choice simple: adapt and thrive or fall behind. We continue to face serious challenges, and we must face them squarely, with proper long-term planning and a determination to succeed.”

The Grand Master commented on the establishment of a Youth Committee to give support to DeMolay and Job’s Daughters. He congratulated these organizations on the contributions to Masonry which had been made by their members. “These young people are our future,” he said, “we must continue to support them.”

Another successful year was reported by the We Can Help Programme Committee. This programme provides learning materials used in Public Schools in Grade 4 with children eight or nine years of age to introduce concepts of First Aid and Safety Awareness. The number of student materials shipped in 2003–2004 was 23,744 and shipment of 25,000 materials was projected for 2005.

The committee on the Cancer Car Project indicated that it had completed the first year of a five-year agreement with the Canadian Cancer Society. The transportation needs of cancer patients continue to increase. In 2004, there were 30,736 patient trips having a total of 724,879 kilometres.

ENGLAND

Quarterly Communications and Annual Investiture

London, England, March, April, June, September and December, 2005

At the March Communication the motion to re-elect the Grand Master referred to his past contributions to Masonry: “The guidance, direction and support so unstintingly provided by His Royal Highness the Duke of Kent throughout his period in office has been the source of outstanding pride to all of us in the Craft, a magnificent example to the outside world and a great honour for Freemasonry.”

The Board of General Purposes gave a warning in March that “there is an irregular body styling itself the ‘Regular Grand Lodge of England,’ which is governed by something called ‘the Masonic High Council for England and Wales’.” The Board stated that any member who in any way becomes associated with this organization renders himself liable to disciplinary proceedings.

The Grand Charity reported at the June Communication that it was continuing to give financial support to the victims of the tsunami disaster. It was spreading its support across the region hit by the tsunami and would fund projects in four of the countries affected: India, Sri Lanka, Indonesia and Thailand. The Grand Charity emphasized the need both for immediate relief and for longer-term redevelopment funding. It assured Grand Lodge that “we have every confidence that your generous donations will make a difference to the lives of children whose world was shattered on 26th December last.”

INDIANA

188th Annual Communication

Indianapolis, Indiana, May, 2005

In his Annual Address, M.W. Bro. Richard J. Elman gave an encouraging report: “Freemasonry in Indiana is truly in a position to grow with abundance. The Craft seems

invigorated and excited. Lodges throughout the State are using the many programmes that have been offered and are having success in maintaining or growing their Lodges."

"The Indiana Masonic Home," the Grand Master said, "is the Crown Jewel of Indiana Freemasonry. Each Freemason in the State of Indiana should be proud of the Indiana Masonic Home and the outstanding care that is given to the residents." He recognized that the Board of Directors and the staff "have been faced with many challenges this year and have worked relentlessly to keep your Masonic Home on a solid foundation financially, medically and at a level of service second to none" and deserve the utmost admiration.

The *Raymond L. White Distinguished Military Service to Freemasonry Award* was created. It is to be awarded by the Grand Master upon nomination by a vote of the Grand Lodge. Any Master Mason may be recommended for this award who has served or is currently serving in the Armed Forces of the United States and who is a member of any lodge chartered by the Grand Lodge of Indiana. He must have clearly demonstrated distinguished service to Freemasonry and to the United States of America. It was stipulated: "the recipient shall receive a framed patent and a medal hanging from a neck cord; the recipient may wear the medal at any Masonic event; the recipient may affix the initials 'D.M.S.F.' after his name when signing Masonic correspondence, documents and registers; the award may be made posthumously to the family of the deceased Brother, if the Brother was a Freemason in good standing at the time of his death."

IOWA

161st Annual Communication Sioux City, Iowa, September, 2005

M.W. Bro. Donald E. Mayer gave an encouraging assessment in his Grand Master's Report of the condition of Masonry in Iowa: "In this the fifth year of the Five Year Plan to raise 2000 new Masons by the year 2005, I am pleased to report that we are well over that number. More importantly than numbers is the fact that we are seeing increased use of the Invitation to Petition, Passport to Light and our other programs designed to keep our new Brothers involved. There is also a marked increase in the Degree work in our local lodges. This along with community activity and visibility is what is needed to keep a lodge active."

The Grand Secretary reported that along with other Grand Lodge officers he had participated in services to mark the 100th and 150th anniversaries of local lodges. In visiting a lodge for one of these ceremonies he prepared a short history of that lodge. He stated that "often in the past new lodges were sponsored by existing lodges. There was much pride in the accomplishment. The Grand Lodge does not form new lodges. Brothers form new lodges."

The Public Relations Committee observed in its Annual Report that "there are many forms of communication, media releases are one way, community service is another. More lodges keenly understand that opening up our doors to the public, and extending the hand of volunteerism throughout the community (being seen by the public), paints a powerful and positive image."

IRELAND

Quarterly Communication Newtownards, Northern Ireland, Dublin and Newbridge, Ireland March, June, October, December, 2004

In his quarterly report at the March Communication, M.W. Bro. Eric N. Waller stated, "When I took office in November, 2001, my prime objective was to improve the public perception of Irish Freemasonry. I regard this as essential to the continued success of our great Order. We have enjoyed considerable success with the media by way of press reports, radio interviews and one television programme."

The Victoria Jubilee Masonic Benefit Fund reported that there were 4,213 widows on the

Register of Widows. Grand Lodge was informed that assistance to widows of members had received "widespread appreciation, especially from widows with no formal contact with the Order in general."

At the December Quarterly Communication a full account was given by the Grand Master of a public relations difficulty. He said that the Police Service of Northern Ireland had ordered officers to notify the Chief Constable if they were Freemasons, which implies that they would not be impartial in dealing with the public. Notwithstanding repeated objections by the Grand Master the Order was implemented. An application for a judicial review was made to the High Court in Belfast on the grounds that the Police Service did not have the authority to issue such an order. The application was granted but before the judicial review was held the Order was withdrawn. The Grand Master suggested that this indicated that the Northern Ireland Police recognized that the Order had been illegal.

JAPAN

48th Annual Communication

Tokyo, Japan, March, 2005

In his Annual Report, M.W. Bro. Robert D. Targett made this observation: "trend of the number of members in Japan seems to be turned around or hit the bottom level, during 2004. I am in hope that Masonry in Japan will regain the momentum for the trend of increasing its members during future Masonic years." He based his hope on the prevailing state of Peace, Harmony and Brotherly Love prevailing in the Craft in Japan, notwithstanding some difficulties which had been experienced during the previous year.

The Grand Lecturer commented on the general improvement in the quality of the Work in the lodges. "It is inspiring," he said, "to see new Masons in several lodges take the initiative and move through the chairs."

In its report the Committee on Charity stated that the Grand Lodge of Japan had donated \$2,000.00 in January 2005 to the Grand Lodge of India's Benevolence Fund for emergency relief after the Tsunami Disaster in December 2004.

LOUISIANA

194th Annual Communication

Alexandria, Louisiana, February, 2005

In his Address to Grand Lodge the Grand Master showed his pleasure in being able to turn his back on a gloomy past and face a bright future. Although there were many goals and objectives during the previous year, M.W. Bro. Neil Crain considered that "the main one was to right this derailed locomotive and get it back on track. This has been started and, so far, there has been a bright glow in the otherwise dark abyss." He indicated that several lodges that had been near death are now holding meetings and putting on degrees. One lodge put on so many degrees during the past year that it had to ask for help from other lodges.

M.W. Bro. Crain stated that the reason why failing lodges regained their energy and achieved success was simple: "Community involvement of the membership. Showing the general public what Masonry is about." He referred to four charitable programmes adopted by Grand Lodge in which many lodges were active. They were the Child Identification Programme (CHIPS), the Masonic Angels Programme, the Reader Programme and the Dyslexia Programme. He emphasized that programmes such as these "require the involvement of the Brethren and they require funds with which to operate."

MAINE

186th Annual Communication

Bangor, Maine, May, 2005

M.W. Bro. Claire V. Tusch reported that the Maine Masonic Council, which had been established to increase communication between the various bodies of Masonry in Maine, had

assumed a much more positive role. In order to increase communication with the public it arranged to publish the "informational newspaper insert, *Maine Masons*, that was found in every major newspaper in Maine on April 29, 2005, with an estimated readership of seven hundred thousand. It is intended to disseminate information introducing our Masonic family and to describe the numerous projects undertaken by them."

The Grand Master gave an overview of the Lodge Revitalization and Renewal Committee. He pointed out that it offered support to lodges in four phases:

- (1) Team members will offer a programme of introduction to the concepts of lodge renewal, providing lodges with materials sourcing.
- (2) We can assist each lodge with a self-evaluation and help with goal setting.
- (3) Integrate those resources that are necessary for the lodge to reach its goals.
- (4) Review and course correction.

Each step is offered at the request of the lodge. Every lodge has unique needs and goals. The beauty of the renewal concepts is that they will work for every lodge.

MANITOBA

130th Annual Communication

Portage la Prairie, Manitoba, June, 2005

M.W. Bro. Donald W. Beattie concluded his review of Masonry in Manitoba during the previous year with these words: "Here we are with yet another page in our history written and more importantly a new page is waiting for the next Grand Master and his team. We have provided some draft designs for their consideration as they take their turn and play their role in shaping our destiny. My most sincere thanks to all those who have worked diligently to support our plans and programmes and more especially to those who dared to think outside the box. Collectively we have made great progress and have explored some areas, which heretofore we have not even considered. May the Most High continue to prosper our united endeavours."

The Report on the Condition of Freemasonry in Manitoba stressed the importance of having an agenda for each lodge meeting "with more focus on the lodge programme rather than on regurgitated minutes . . . we are at the cornerstone of a huge turnaround in membership. We have the product that most young men are in need of now: it is up to us to make sure that they receive it. Our condition at present is improving with hopefulness and optimism for the future."

MINNESOTA

151st Annual Communication

Saint Cloud, Minnesota, March, 2004

M.W. Bro. Neil E. Neddermeyer reviewed some of the accomplishments of Minnesota Masonry during the previous year of which he, as Grand Master, was proud. He said that it was worthy of note that there was a substantial percentage increase in the number of raisings compared with recent years. He emphasized that it was a time of serious change and challenge. He spoke of the suicide bomber who took the lives of several Masons in the Masonic Temple in Istanbul, Turkey. In his opinion this was "an act of religious hatred misdirected to the Masonic Fraternity."

The Deputy Grand Master also spoke of the need for Masonry to be aware of the changes that it currently faces. He warned his brethren that Freemasonry is at a turning point. Society has changed drastically," he said, "in the last three decades. The changes in attitudes, in daily routines, in family life and in the goals of life affected every facet of our existence. For centuries Masonry has flourished because our basic tenets of brotherly love, relief and truth have remained untouched. These tenets are no less important and no less applicable today than they were two hundred years ago. But the changes in daily life that we have witnessed in the last three decades require that we address some of the ways in which we practise the

great teachings of our Fraternity.”

The Leadership Committee reported that it had given the Senior Warden of every lodge a Master's Workbook to help him prepare to manage his lodge. In addition, the committee held a Leadership Conference for the benefit of those who felt the need for assistance in that regard.

NETHERLANDS

Annual Communication

Utrecht, Netherlands, June 2005

M.W. Bro. Diederik van Rossum began his Grand Master's Message by reminding the members of Grand Lodge that he had told them a year before that his main objective would be to strengthen the inner capability of the Order of Freemasons of the Netherlands. “The present and the past of the Order meet each other with a certain regularity in the creative tension that is needed to adapt to the times that we are now living.”

The Grand Master assured the lodges that the Officers of Grand Lodge are very well aware of the many initiatives that are being taken to bring the mystery of Freemasonry to those who are interested. It is realized that the lodges are working with more candidates this year than has been the case for the past five years. He said that this shows that there has been a growth in membership. He advised the lodges to regard this growth as a form of added new life and not regard it merely as a statistic number. In that case the officers of lodges would have every reason to be proud of the fruits of their labours.

M.W. Bro. van Rossum closed his Message with a challenge to his brethren to remember who they are: “With all the differences in age, opinions, colour and background, we are kept together by a strong belief. Belief not just based on the past but belief also to be realized in the future. Belief in the building to be completed in honour of the MAIN BUILDER of all. We are committed to this belief in our building through our initiations. Each of us in our own place, with our own capabilities and limitations and in the proper relations to each other.”

NEVADA

140th Annual Communication

Verdi, Nevada, November, 2004

In his Message to Grand Lodge the Grand Master asked whether one should be discouraged by the fact that the average age of Nevada Masons is well over sixty-five years and rising. M.W. Bro. H. Wayne Kingsley answered firmly in the negative because he saw their dedication and their commitment. “The challenge,” he said, “is to convert the dedication and commitment into action and growth. The challenge is to present Masonry to the general public and friends and neighbours in such a way as to encourage good men to inquire about and petition Freemasonry. The challenge is to find ways to bring our ‘card carrying’ members back to lodge. The challenge is to have a plan for the year before every lodge in Nevada every year. We cannot continue to tell our youth groups and our new members that the future of Freemasonry is up to them. It is not their responsibility, it is our responsibility, yours and mine. The gift of Masonry was preserved for us and passed on to us by those before us and it is the responsibility of every Mason to do the same for those after us.”

The Nevada Child Identification Programme reported that in the three and a half years since it was established 12,000 children have gone through the process of identification. All adults who have had their children processed, as well as teachers, have expressed their thanks for the work that Masons are doing in this field.

The Grand Historian stated that he had sent a letter to the Master, Secretary and Historian of every Nevada lodge in which he pointed out the importance of submitting a complete history of their lodge.

NEW BRUNSWICK

138th Annual Communication

Saint John, New Brunswick, May, 2005

With reference to the state of Masonry in New Brunswick M.W. Bro. Gordon R. Rattray made this report: "Lodges in the jurisdiction continue to address the trend of the last few years in declining membership. All lodges have a larger proportion of older members to younger members, with many who have reached the age where they have reduced their input to lodge operation. As they tend to make fewer trips, lodge attendance drops. The number of new Masons seems to be on the rise in many lodges and this trend will soon see many more young Masons holding the offices and taking responsibility for the operation of their lodge. This leads to a good mix of senior advisors and eager young Masons. Lodges that are going to be vibrant must make this conversion and empower these younger Masons. Not to do so means the loss of many of these men and the lodge putting itself in danger."

The New Brunswick Masonic Charities and Housing Company reported on the operation of Camp Good Time. In addition to its usual programme the Camp offered a seven day summer camp for children with a history of cancer.

The Committee on Youth stated that both DeMolay and Rainbow for Girls had experienced very successful years. The committee gave a reminder that adults have two things that youth does not have. One is time and the second is financial resources. The committee asked for assistance: "If we share both of these things with our youth we can help overcome two of the major hurdles that our youth groups face. They do need our time as adult leaders and they do need our financial resources."

NEWFOUNDLAND AND LABRADOR

8th Annual Communication

Corner Brook, Newfoundland and Labrador, October, 2005

M.W. Bro. Donald W. Newell congratulated the members of Grand Lodge on their recognition of the need for a better community image. "You have endorsed my theme *Let Our Light Shine*," he said, "by seeking a higher profile in your communities through different events and public relation initiatives. We have to continue our efforts to decrease the latent suspicions and concerns held by some people in our areas and demonstrate that we are proud members of the oldest fraternity in the world."

The Grand Master stated that he had been unable to visit the Grand Lodges of New Brunswick, Nova Scotia and Prince Edward Island but he had been able to visit one Grand Lodge: "Your Grand Master attended the 150th Annual Communication of the Grand Lodge of Canada in the Province of Ontario." He said that it was truly an overwhelming experience to have been at the opening ceremonies.

The Board of General Purposes reported that the Craft in Newfoundland and Labrador had enjoyed a very successful year. With reference to Community Projects the Board stated, "This is a very important responsibility of our lodges to *Let our Light Shine* in our communities. Many of our lodges, again the past year, sponsored scholarships, local food drives and contributed to various charities. Our Fraternity must continue to strive to be visible in our communities."

NEW HAMPSHIRE

216th Annual Communication

Manchester, New Hampshire, May, 2005

R.W. Bro. David J. Lamprey, Sr., Deputy Grand Master, presided over the Communication as Acting Grand Master because of the death of the Grand Master.

In his Address to Grand Lodge, R.W. Bro. Lamprey said of the Condition of the Craft in New Hampshire, "I see results of such things as Masters Classes, semipublic meetings and doing things in the community, which improves public awareness. I also see that lodges are

having more programs and are using the District Education Officers to put on special programs. It appears that lodges are taking in more petitions, especially from younger men."

NEW MEXICO

128th Annual Communication

Roswell, New Mexico, March, 2005

In his Address, M.W. Bro. Joe Owen Chrisman emphasized the importance in the Masonic experience of properly delivered Ritual. "Our Masonic Ritual," he said, "is what separates us from the rest of the world. We should endeavour to improve our delivery of the oldest ritual known. The Ritual that we learn, hear and recite is beautiful when performed correctly. The Ritual itself does not need to be changed. I have said before that Ritual gives us substance in our lives. Think about the ways that Ritual has influenced your life. Our lives have been tremendously influenced in a good way by Masonic Ritual."

NEW ZEALAND

113th Annual Communication

Auckland, New Zealand, November 2004

After adopting a series of resolutions that were described as "housekeeping matters" Grand Lodge proceeded to the election of officers for the following year. The newly elected Grand Master in his Installation Address spoke of the danger of excessive secrecy leading to the mystery and misunderstandings that have arisen concerning the Craft. "We have too much," he said, "to offer modern society to allow these misconceptions and untruths to flourish. I strongly believe that our organization must put more effort in *communication*. We must communicate both within our organization and with our community at large."

The Grand Master continued with these thoughts: "Freemasonry has done little to improve its own image in the public eye. Indeed by its obsessive secrecy it has only reinforced it has something to hide. If anything, it has more to be proud of than it does to conceal."

NOVA SCOTIA

140th Annual Communication

Truro, Nova Scotia, June, 2005

In its report, the Committee on the Condition of the Order warned Grand Lodge that a programme to induce former members to return is not in itself an adequate response to the problem of declining membership. The reasons for members leaving must be examined and steps taken to correct the situation. In the Committee's opinion "A dull and boring meeting is surely one contributor to the apathy of the membership in many lodges but it is not the only impediment we face. Negative interpersonal relationships both in lodge and outside lodge is another contributing factor. For any healthy and successful association to endure, members must have an equal opportunity to participate and be given the feeling that they are contributing to the overall benefit of Masonry."

PENNSYLVANIA

Quarterly Communications and Annual Communication

Elizabethtown and Philadelphia, Pennsylvania,

June, December, 2004

In the Annual Report of the Right Worshipful Grand Master at the December Communication of Grand Lodge R.W. Bro. William Slater II recorded several successful events during the year. He made particular reference to the Man to Mason One Day Class, pointing out that it was the largest event of its kind. "A total of 3,688 joined Freemasonry on that day," he said, "simultaneously at 13 locations across the Commonwealth. It was successful not only because of the integrity of the men who joined our Masonic family but

also because of the quality of the degree work and the leadership and organization of those who volunteered during the day. When you include the numbers of new Members who have joined Pennsylvania Freemasonry the traditional way, we have gained at least 6,008 new Members so far this year. That, Brethren, makes this the first time in 43 years that we have experienced a net gain in membership."

PHILIPPINES

88th Annual Communication

Cagayan de Oro City, Philippines, April, 2004

The Grand Master, M.W. Bro. Ricardo P. Galvez, in opening a session of the Communication, requested the Filipino Masons who were members of lodges in the United States to stand and be recognized. He indicated that they had been helping the Grand Lodge year after year. They were given a standing ovation.

The Masonic Charities for Crippled Children Inc. reported that the highlight of its year had been the Memorandum of Agreement with the Philippine General Hospital. Under this agreement Masonic patients could be operated on, treated and cared for at no expense to the Craft.

The election of the succeeding Grand Master was followed by his Installation. He chose as the title of his Inaugural Address, *Freemasonry, a Bridge Among Men*. He stated that he intended "to further encourage the subordinate lodges to develop and intensify environmental programmes and to some extent to work with communities and other organizations in the pursuit of environmental plans."

PRINCE EDWARD ISLAND

130th Annual Communication

Charlottetown, Prince Edward Island, June, 2005

In reviewing the year, M.W. Bro. Errol C. Monkley said "The focus of my Masonic activities this year was on 'Protocol' and I believe that the Brethren of the Grand Lodge of Prince Edward Island benefited by hearing a number of voices and viewpoints on a broad variety of protocol topics of interest and potential value to all."

The Grand Master concluded his Annual Report by stating his belief that "the Grand Lodge of Prince Edward Island made some steps forward during the past year. Although not giant steps, they have tended to reinforce the foundations of Freemasonry in Prince Edward Island, which I hope will provide future benefits to our Grand Lodge."

The Deputy Grand Master advised Grand Lodge that "indications are that Masonry will have to become leaner and more efficient in the future, just like every other organization. This does not mean we need to dilute the quality of the Craft or its members. The quality of what the Craft teaches and how it acts will make members want to come."

Concerning brethren who no longer attend lodge, the committee on Membership recommended that "a concentrated effort be made to reach out to those brethren in an attempt to get them to attend meetings on, at least a semi-regular basis, i.e. four/five meetings a year."

SCOTLAND

Quarterly Communications and Annual Communication

Edinburgh, Scotland, February, April, June, September, October and November, 2005

The Grand Master reported in February on the response to the Tsunami Disaster in Asia. "In the short space of time since Boxing Day, 2004," he said, "the Freemasons of our Scottish Constitution have contributed over 100,000 pounds to assist the Tsunami Appeal Fund. Brethren, this is a most positive and heartening illustration of all that is good about Freemasonry."

The Grand Secretary reported at the Communication in September that Volunteer Guides

had been appointed at the Masonic Museum and Library in Edinburgh. He said that this had greatly increased the service that could be provided both to members of the public and to visiting Freemasons.

SOUTH CAROLINA

268th Annual Communication

Mount Pleasant, South Carolina, April, 2005

M.W. Bro. Jack A. Marler reported that in his judgement the state of the Craft in South Carolina and the attitude of the Members were both positive. He believed that attitude is important because it controls our actions. "We must maintain a positive outlook as Masons," he said, "towards God, our fellow man and, yes, even ourselves. If we don't feel good about ourselves, we are not going to feel good about or do good for our Lodge or our fellow man."

The Grand Master expressed his pleasure at the extent of community involvement at the Lodge and the District level. "I believe that this is an excellent way," he said, "to get the name of Masonry into the local public eye." He indicated that awards would be given to districts and lodges that had been particularly successful in promoting Masonry in their respective communities. He emphasized that as there are losers in these efforts all districts and lodges should constantly strive to have their good works seen and appreciated locally.

SOUTH DAKOTA

130th Annual Communication

Sioux Falls, South Dakota, June, 2004

The Grand Treasurer-Secretary reported that although there had been a loss in the number of members during the year the loss was smaller than in the three previous years. "We are moving in the right direction," he said, "but really must work on increasing members by more new Master Masons and by fewer Suspensions NPD and Demits. Communication with Brothers who are not paying their dues and/or requesting a demit is a must. They may have a different outlook on the Fraternity when they see that someone cares."

In its Report the Board of Custodians of the Work indicated that it had considered the creation of a *Masonic Mentor* programme. It explained that "the concept contemplated is that a Brother of some skill in the work and with some ability to teach, would be identified in each lodge and given the specifically articulated role of helping newly made Masons quickly find a part in the work of the lodge by providing a friendly, available and accurate resource for answers to new brothers' questions and, perhaps more importantly, helping them very quickly learn some part of the ritual. Starting our new brothers quickly down the right path will, we hope, encourage them to continue as active Masons with an appreciation of the beauty of the work well learned and well presented."

VERMONT

211th Annual Communication

Killington, Vermont, June 2005

M.W. Bro. Bruce E. Pomeroy reported he found that on the whole the Condition of the Craft in Vermont continues to be strong. The principal reason for this success, in his opinion, was the good work being done by the Lodge Membership Committees: "Lodges with active membership committees in general are doing much better with new members than other lodges."

The following motion regarding lodge membership was adopted on the recommendation of the Committee on Jurisprudence: "A master Mason who is a member in good standing of a Vermont lodge, whose father, grandfather or great grandfather at the time of his raising, was a member in good standing of a Vermont lodge, or a lodge of a Grand Lodge in amity with the Grand Lodge of Vermont, is entitled to wear an emblem or insignia, or receive a certificate recognizing the Masonic family continuity. The emblem or certificate may have

engraved thereon bars, or the certificate may have written thereon, the names of the Master Mason, his progenitors, and the dates each became a Master Mason. The emblem, insignia or certificate may be presented to him by his lodge and the lodge may invite the Grand Master or the District Deputy Grand Master to be in attendance for the presentation."

VIRGINIA

226th Annual Communication

Richmond, Virginia, November 2004

In his Installation Address M.W. Bro. James M. Scare, Jr., announced that his theme for the year would be "Living Masonry Daily." He explained that "living Masonry daily does not point to an end, but to a means to an end. We must try daily to live the tenets taught by this institution called Freemasonry and if we fail we will not reject them in despair, but we will start anew." He quoted Albert Einstein's observation that if you cannot explain a thing in simple language, you do not understand it yourself. "We must," he said, "seek to understand! We must seek to say it simply. We must continue *Building our Temples through love and service.*"

The Grand Master concluded his Address with this advice: "We must attend and support our educational and leadership courses, study and evaluate our thoughts. We must learn our rituals well and explore all that they teach us, we must explore how to be better men, how to love our Brethren and to '*Do Good Unto All.*' . . . we must keep our square a square, by this love, this calling, this Living Freemasonry Daily."

The Committee on Long Range Study expressed the view in its report that the Craft would improve its local image if it were seen supporting some worthy cause in the community.

GRAND MASTER'S BANQUET

INTRODUCTION OF GUEST SPEAKER
BY M.W. BRO. GARY L. ATKINSON

My brethren,

It is a distinct privilege to introduce to you our Guest speaker this evening, M.W. Bro. Richard P. Ruhland, Past Grand Master of the Grand Lodge of Michigan.

Richard Patrick Ruhland was born in Denver, Colorado. During his junior year of high school his family moved to New Jersey. Immediately after graduation from high school the family moved to Michigan. He attended Community College and majored in Business. He received his Bachelor of Science Degree in Business Administration from the University of Phoenix.

He married his wife, Pat, in July 1972 and they were blessed with a daughter and a son.

In 1977, he began a career with the General Motors Corporation and after a series of promotions, he moved into his current position as senior Manufacturing Engineer at the Powertrain Manufacturing facility in Ypsilanti, Michigan.

He was raised as a Master Mason in Wayne Lodge No. 112, in Westland, Michigan, in 1992. He served his lodge as Worshipful Master in 1999. He also served as President of the Masonic Masters Association of Southeast Michigan that same year.

In search of further light in Masonry, he joined Royal Arch Masons, Royal & Select Masons, Knights Templar, Ancient and Accepted Scottish Rite Valley of Detroit, Moslem Shrine A.A.O.N.M.S., Order of the Eastern Star, York Rite Sovereign College of North America, Crusader Council of Allied Masonic Degrees and is a plural member of Britannia Lodge. He has the extreme honour of being an honorary member of six lodges and High Twelve International Mid-Michigan Club. He has received the DeMolay Honorary Legion of Honour, the Rainbow Grand Cross of Color and was commissioned with the Title of Knight Commander of the Temple from the Grand Encampment of Knights Templar of the United States.

He was duly elected and installed as the Most Worshipful Grand Master of Masons in Michigan on May 26, 2005.

Grand Master Ruhland is a planner, organizer, and in some respects a futurist and takes great pride in bringing ideas and projects into fruition. During his term of office he introduced the MI CHIP, Michigan Child Identification Program and the Pocket Petition. He spearheaded the merging of the Michigan Masonic Home Charitable Foundation with the Masonic Foundation of Michigan, Inc. He organized and led a drive to seek property tax relief for Michigan Masonic Lodges. Along with his Board of Directors, he moved the Grand Lodge office to the Masonic Home in Alma. He helped to recruit fifty-one new members of the Lewis Cass Society. The members of this Society pledge assets in their estate plans to the Masonic Foundation.

His term of office ended in the closing hours of the 180th Annual Communication in Grand Rapids, Michigan, on May 24, 2006.

My brethren, during his tenure as Grand Master, M.W. Bro. Ruhland was recognized as one of the true Masonic Leaders in North America. With a theme of "Harness the Horsepower," M.W. Bro. Ruhland shared his contagious enthusiasm with the brethren throughout the state of Michigan. I personally witnessed that enthusiasm as I made my way to the Grand Lodge of Michigan's Annual Communication Session, held in Grand Rapids.

On all major highways into Grand Rapids, were billboards strategically placed, with a picture of men of various ages and the words "Share the Secret" and for more information, contact the Grand Lodge of Michigan's Website, with the information clearly displayed. The hits on the Website have been phenomenal; prior to the billboard advertising program, there were approximately 400 hits per day. When the program with the billboards went into place, the hits on the Website jumped to over 2000 per day, and I understand inquiries are increasing every day. What an innovative idea!

My brethren, please welcome M.W. Bro. Richard P. Ruhland.

"Membership"

My Brethren all, Membership is a topic we are all very intently aware of and concerned about. I know you have had many discussions pertaining to the value of membership. Quite frankly, I would like to say, that in this fraternity, membership isn't everything, but obviously we can't survive without members. In Michigan, we are quite blessed to have a very active "membership program" and that program is lead by our own Past Grand Master, Robert Conley. Much of my material and discussion topics are the very teachings of our renewal program focus and the tremendous work and influence of MW Brother Bob. So, with that said, today my topic will address new members, current members and the retention of our older members. In order to address these individuals in our communities and Lodges we need to understand what makes them tick. What are their likes and dislikes? What drives them and what are their beliefs. People are shaped, formed and molded by their surroundings and the beliefs instilled in them through their environment. So let's look at the different groups and generations of the people we are dealing with. (Now I say "people we are dealing with" because I believe this fraternity is a family made up of Men, Women and Children. Excluding any one of those groups from this discussion will destroy any kind of continuity you gain from a total family involvement.) As we examine these groups you'll begin to understand why this is of paramount importance. Understanding who we have in our organization and who we are trying to attract will better help us tailor our Lodge and its programs to better attract men of quality and better enroll the members we have.

The first group or Generation and quite possibly the bulk of our membership fit into the category of:

Traditionalists

This group is best described with words like, LOYAL,
PATRIOTIC & FAMILY

Traditionalists are those individuals that were born prior to 1946. This group in North America numbers over 80 million. Research indicated that this group is still

the core membership for most all civic, fraternal and service groups. This group would join everything and if they couldn't find something to join they would invent something to join. Many Society, Church, Civic groups and bowling Leagues were created or formed by this group. This generation provided the family glue, the stability, the regimentation of family life. Dinner was always at a certain time and everyone in the family was present. They prayed together, played together, and enjoyed each others company. This generation was described by the CBS anchorman Tom Brokaw and rightfully so, as the "Greatest Generation". This generation twice went to war; left their families and friends behind to defend the freedoms they so deeply believed in. They believed in saving their money, because they knew good times don't last forever. *Waste not want not* isn't just an expression to them, it is a way of life. *Eat everything on your plate, don't waste food. Pay cash for everything.* This group believes the only expense that should be extended over time is the household mortgage and they took great pride and pleasure in paying it off! How many of you have been to a mortgage burning party lately? This group lived the "American Dream" and for them it came true. They raised a family in a middle class environment, healthy, happy, educated their children and gave them a chance to play and enjoy their childhood. This is the legacy this generation left. For those of that generation, these dreams have indeed come true!

Let's look at the formative years of this contingent and the events that helped shape their attitudes and opinions. They grew up between two world wars, remember the great depression, gas rationing, food shortages, unemployment, dust bowls, unions, flag waving, Nazis, NATO, New Deal, Korean War and the GI Bill. These events changed millions of people and help shape our churches, unions our towns and our families. This group believes strongly in the Chain of Command! This group growing up had so little individuality they learned to pull together and pool their resources so that they could accomplish great things. This is the generation that joined our fraternity in great numbers. This is the generation that helped shape the fraternity we know and love today. However, as you know this group is leaving us at an alarming rate. Unfortunately around the globe this group is leaving us at a rate of over 1200 per day. I'm sure the statistics of your Grand Lodge will show the same decline percentages as mine. Replacing this group was the first collision we experienced.

Now, along comes the next group or generation. BOOMERS! The generation, "Baby Boomers" began to burst through the doors of the Corporate World and from a traditionalist point of view, things would never be the same. Many of them will say the very same thing about the Lodge!

Boomers

This group is best described with words like, DRIVEN,
EDUCATED & OPTIMISTS

Baby Boomers were born between 1946 and 1964. They are the largest generation in at least, the history of the United States, comprising of almost 80 Million individuals. As the previous group, the Boomers life style choices are in direct correlation to their upbringing. This group for the most part enjoyed the economic success of the parents following the Great War. The commonly repeated phrase of their parent's generation was, I want you to have what I didn't, and they delivered!

This generation gave their children the very things they had to do without. Boomers believe the attainment of material things was a great determination of success. They coined the phrase *He who dies with the most toys, wins! Or, Money can't buy happiness, but it sure helps!* And they mean it! This generation is college educated and has caused some of the greatest economic expansion we still enjoy today. This generation was shaped by the immortal words of President John F. Kennedy that taught them to *"ask not what their country could do for them, but what they could do for their country."* This philosophy, this very question, helped form the Peace Corp that sent men and women all over the world to provide humanitarian assistance. This generation watched as our country buried a president, as men traveled in space, landed on the moon, hopped on planes, hiked through Europe, attended Wood Stock, created the information age and saw the Peacock turn from shades of gray to full color.

Boomers are for the most part, optimists about life and their future. Their parents taught them that they can be what ever they set their mind to be; obtain what ever they set out to do. The future is in their hands. Boomers believe that no matter how bad things appear, their own integrity will bring them through. Boomers are very competitive in nature and rarely settle for second best. They believe their own endeavors can change the world. This group questions the "Chain of Command," and works hard to change accepted norms. These boomers became creators, developers and entrepreneurs. They are unwilling to "pay their dues." Divorce rate in Boomers is 55% higher than the previous generation. Many families grew up with one parent at home, not two.

Baby Boomers have forever changed the landscape of America. Through their music, entertainment, methods of communication, lifestyle, love of adventure and exploration, belief in human rights, diversity, and concern for the earth they have forever changed the way that those who come after them will look at and interact with their world.

Generation X

This group is best described with words like,
INDEPENDENT, GREEN & TECHNO-SAVVY

This generation, the children of the Boomers, would come to look back not with respect, but with animosity and fear. This group feels abandoned and actually betrayed by the very cause the Boomers attempted to protect. They hear the concerns about global warming, fossil fuels and watch the manufacture and sales of gas guzzling vehicles. This group, some 48 million strong, began in 1965 and continued until 1979. They have a natural distrust for people their parents' age, yet a genuine concern for people of their Grandparents' generation.

This generation has been coined the Television Generation. Many of them grew up in single family homes, watching TV, eating microwave popcorn.

They were influenced by Jerry Springer, Peoples Court, Beavis-N-Butthead, Michael Jordon and Dennis Rodman.

This is the media generation; they traveled to far off lands, saw other people and learned of their cultures. They learned with TV, Cable TV, Digital TV and Satellite TV, VCR, Fax machines, Video Games, Pagers, Cell Phones, Palm Pilots and PC's. While they grew they discovered AIDS, crack, child molesters, pedophiles and drunk drivers. They were told to be ever on guard, don't go with strangers, run if

approached; they weren't safe in their own back yard. As a result X'rs are extremely resourceful, independent and untrusting. This generation does not believe in the Chain of Command or the Change in Command; this group wants Self-Command! X'rs are a very misunderstood group because many of them have a very hard time relating and understanding who they are themselves. This generation grew up alone and now longs for something they cannot identify. As I said the Xers are generally distrusting of others, they have a great respect for their Grandparents' generation. This I believe can be a huge opportunity for our fraternity. We need to bring the Xer to our door and show him there can be a better life for him with men of quality than he will experience alone. If he can find men his own age with similar experiences, and if he can find men that he can trust, then he will be a member who will find what he's looking for with our fraternity. Without those things, he will never come to us in significant numbers.

Millennials

This group is best described with words like,
MOTIVATED, REALISTIC & VISIONARY

This group is some 76 million strong. They were born from 1980 through 1999 and are already having an impact in changing the face of the earth. This group is much more diverse in nature than any that has come before them. The make-up of this group is Hispanic, Chinese, Vietnamese, European, African American, Indian, Pakistani and so on. While the word diversity might not engender warm thoughts for all of us – for this group it's mandatory. Their formative years were filled with experiences and attitudes of accepting people for who they are not just what color their skin is or what language they speak. Diversity is changing the leadership of the world and it is guaranteed to change the face of our fraternity.

This generation is very protected. They have bike helmets, car seats, child protector electrical outlets, cabinet locks and baby on board placards.

This generation has also been a big part of the Technological explosion with the insertion of computers in the schools and earpiece from an iPod's in their ear. This generation experienced School shootings, date rape, drugs and terrorism. Their biggest concern is personal safety. However, as did the generations before, they received a great deal of optimism from their parents, more than enough to outweigh the skepticism of their peers and siblings.

This is the generation that will continue to rewrite the book of our countries. They won't accept anything simply because that is the way it has always been done – and they bore very easily. Bring them in and make them part of the experience and they will move our Craft to places it can only imagine; leave them out of the experience and they'll leave so fast you won't have time to remember their names.

In conclusion, I would like to quote American President, Ronald Reagan, who, during the end of the cold war between the free world and the communist worlds, said to the Soviet leader, "Mr. Gorbachev, tear down that wall." Of course, he was referring to the Berlin wall that separated two countries. But, I leave you with that same thought. Tear down the walls, tear down the barriers we have toward men of difference, men of diversity. Know your current membership, know your prospective membership. Welcome all of them into your family, enroll them into your Lodge. Be willing to try new ideas. Be willing and open to new ideas. Then, and only then will you begin to build or rebuild your Lodge.

DEPUTY GRAND MASTER'S THANKS TO M.W. Bro. Richard P. Ruhland

Most Worshipful the Grand Master, distinguished Head Table Guests, M.W. Bro. Ruhland, guest speaker, and brethren.

When our Grand Master suggested that he might ask M.W. Bro. Ruhland, the Grand Master of Michigan at the time, to be our Guest Speaker, I was quite excited, in that just one year ago it was my pleasure to have made his acquaintance when we worked together in the 150th Anniversary play 'Then and Now.' As you recall, he played the part of the Grand Master of Michigan (M.W. Bro. Bacchus) at the time when our Grand Lodge was formed. He provided an element of authentic History.

Tonight it is a double pleasure and a delight to have the opportunity to thank our guest speaker on behalf of our brethren for his most eloquent speech and humorous anecdotes.

M.W. Sir, your talk indicated that people of today fall into four identifiable age categories (Traditionalists, Boomers, Generation X and Millenials) and as a boomer myself, the phrase "He who dies with the most toys wins," strikes a chord and recalls to my mind the time I nearly met the G.A.O.T.U. when I fell off one of my two snowmobiles. I wouldn't have been eligible for one of your longevity awards.

Well, M.W. Sir, your message has made us mindful that every age is influenced by different attitudes but that each of us possessed by basic human nature looks for something in which to put our faith and trust. You have shown us that the rebuilding of the future is by coming to know our prospective membership and recognizing their differences and welcoming their new ideas.

I say "thank you" on behalf of all of us in this room for your most thoughtful and inspiring message of understanding.

Allan J. Petrisor
Deputy Grand Master

SUMMARY REPORTS OF THE
DISTRICT DEPUTY GRAND MASTERS 2005 – 2006

Algoma District – 10 Lodges

R.W. Bro. Fred F. Bryson

Algoma District is comprised of ten lodges – six lodges within the city of Thunder Bay and one each in the municipalities of Red Rock, Geraldton, Terrace Bay and Hornepayne. I was generally impressed not only with the quality of work, but my reception as well. I was afforded the utmost respect and proper protocol was in adherence. There is no doubt that Lodges of Instruction not only provided the impetus for excellence, but instilled motivation for regular practice sessions. Endeavours of the aforementioned are demonstrating their value and thus must be continued.

Over the past number of years there has been a gradual decline in membership within the fraternity. However, I am pleased to report that there has been a resurgence of new members exhibited by the youth that are populating our lodges.

Some lodges in the district are struggling with finances. Dedication, ingenuity and zeal of the brethren have resulted in a number of fundraising initiatives to help offset expenses. Community Involvement Projects such as the Blood Donors Programme, the annual Salvation Army Christmas Cheer Kettle, and the Masonic Foundation Camp Quality Advanced Project were once again a resounding success.

The District Divine Service, held at the Lakeview Presbyterian Church, was truly a memorable and endearing occasion. The large turnout of Masons with their spouses, children and grandchildren, certainly made a lasting impression on the congregation.

In March, a workshop on e-mail summonses was conducted by the chairman of the Grand Lodge Computer Resource Committee. All in attendance found it most informative.

The Algoma District Masonic Association was very active in supporting lodges that requested assistance with installations and degree work. Their participation was certainly appreciated by all.

Masonry in Algoma District is alive and flourishing. We must continue to work hard and view unsuccessful initiatives not in a negative posture, but as opportunities for growth. It has been a distinct honour and privilege to have served as D.D.G.M. this year.

Algoma East – 8 Lodges

R.W. Bro. L. Bruce Staines

I am pleased to report on the condition of Masonry in Algoma East District for the year 2005 – 2006. It is with great pride that I report that there appears to be an increase in interest in Masonry and this is evidenced by the increase in applications, initiations and advancing through the degrees of Masonry by younger men. This is not universal throughout the district, however. Wherever the economy is more upbeat as in Sault Ste. Marie or where Masonry is more evident due to its activity in the community as in Wawa the growth is pronounced.

Keystone No. 412, the oldest lodge in the district ... is more than holding its own ... has shown signs of renewal after a few years of declining membership. A popular special event is their pancake breakfast on Mother's Day.

Dyment No. 442, Thessalon ... has seen a decrease in their numbers due to the general economy of the area and the loss of three members who have passed to the Grand Lodge Above during this Masonic year ... The Sault lodges have on a few occasions taken a candidate to Dyment for degree work. This is good for all as it keeps the Dyment officers sharp and provides for great visitation opportunities ... They are involved with cleaning a section of the highway, which gives visible exposure to Masonry in general and Dyment in particular, as does their annual church parade.

Algoma No. 469 is in a growth mode this year with 5 new members. A popular special event that Algoma Lodge has each year in the fall is their Harvest Dinner, which is open to the public.

Penewobikong No. 487, Blind River, is experiencing renewed growth. They have recently accepted an application for affiliation ... a new candidate who is a member of the First Nation and have completed two initiations. Early in December ... the lodge has a Christmas evening with the members, their wives and children ... also an annual Church Parade, which is well attended. The lodge enjoys the benefit of having a tenant in their building, which defrays some of the cost of maintaining the facility.

Lorne No. 622, Chapleau, is the most northern lodge in the district. Lorne Lodge sponsored the creation of Woodland Lodge in Wawa, and there is a strong bond between the two lodges even though they are 150 kilometres apart. The greatest challenge that faces [our] district is the survival and health of Lorne Lodge ... the economy has been continuously ravaged by the reduction in employment in the area ... has suffered both a loss in membership and a loss in participation of the resident members ... it is apparent that it will take some extra special efforts to buoy the spirits of the membership and encourage more active participation in lodge affairs ... several initiatives are under way. The first ... is ongoing ... visitation by myself and other members of Woodland Lodge on every regular Lorne Lodge meeting whenever possible. The second ... is the refocusing of fellowship after the lodge meeting at the lodge, as opposed to meeting at some other location ... The third initiative is an offer by Woodland Lodge to have members of Lorne Lodge participate in sausage production at Woodland's facility using Woodland's equipment ... the fourth initiative was a telephone survey of all the resident members of Lorne Lodge to discuss their feelings and desires regarding saving the lodge from going dark ... Everyone I talked to expressed a desire to keep the lodge alive and they are willing to attend a "Lodge of Discussion" ... the purpose of the meeting is to explore options and potential of re-energizing the membership with a commitment to attend lodge meetings and participate in the operation of the lodge. Lorne Lodge provides a bursary to a graduate of the Chapleau High School each year ... this is the Dr. William R. Pellow Bursary. Lately this bursary has been \$3,000.

Hatherly No. 625, the youngest of the three Sault lodges, is experiencing significant growth. There are four applicants before boards of examination with two more in the works. Two new members are proceeding through the degrees at this time. There is a strong spirit in the lodge and is evidenced by some of the activities and special events they enjoy ... Robbie Burns Night ... Wild Game Dinner, which is open to the public.

Woodland No. 680, Wawa, the most westerly lodge in the district ... is enjoying an excellent growth of membership of superior quality young men. This lodge appears to be one of the bright lights in the district ... this Masonic year there will have been 6 applications, 5 initiations, 4 second degrees and 4 third degrees. Some of the reasons for the growth, I feel, can be attributed to the visibility of the Woodland Lodge in community events that are open to the public ... the annual Charity Golf Scramble is a well-attended, well-sponsored function where people enjoy themselves; win prizes and feast on Woodlands famous farmer style sausages ... the proceeds fund the Woodland Bursaries. Through the annual Woodland Bursary awards and publicizing of the criteria for applicants, Masonry is portrayed in a very favourable light. At events open to the public the large banner displaying "Woodland Masonic Lodge No. 680 AF & AM" is prominently and proudly displayed. Woodland's participation in District Projects is well publicized and contributes to the high regard in which Masonry is held in the community.

Elliot Lake No. 698 is located in Elliot Lake, a former mining town that has now become a retirement community and as such retirees from other parts of the country who have relocated here are affiliating with the lodge. This lodge is the youngest lodge and the most easterly in the district ... is showing some growth and is very visible in the community. They put on a breakfast every Saturday morning for the members, their wives, children and friends ... have a BBQ in June and put on a roast beef dinner a couple of times a year ... Elliot Lake Lodge's Temple is such that they are able to rent the banquet hall to other organizations in the community, which helps to pay for the upkeep etc. of the premises.

Brant District – 13 Lodges

R.W. Bro. William Topp

1. The lodges, in general, perform the work very well with some of the lodges making great progress throughout the year due to the two Lodges of Instruction held within the district. Membership is holding its own throughout the districts but some lodges are struggling to maintain their numbers. There is likely to be the need for some lodges to consider amalgamation with another lodge in the future due to the ongoing expense and increasing cost of the buildings.
2. In the district there are some lodges using some of the Grand Lodge programmes, but this is an area that could stand considerable improvement.
3. Every lodge in the district has at least one function that gets them involved in the community thereby promoting Masonry and widening our awareness in each community in the district. It may be anything from a blood donor clinic or a community supper or a barbecue, but most of the lodges raise money to help cover expenses and give donations to charitable organizations.
4. The Long Range Planning Committee of the district is comprised of the past D.D.G.M., the present D.D.G.M. and the next four brethren in line for D.D.G.M. of the district. It is my hope that this will lend some continuity to the progress through the years rather than a new committee each year. There are not too many lodges that have Long Range Planning Committees in place, as this generally falls under the Committee of General Purposes.
5. I would like to see a continued effort to keep the Lodge of Instruction going into the future and to get more of the younger members involved in them. The Grand Lodge programmes should be promoted in each of the lodges; however, these programmes are not well used and it would take considerable effort to get the lodges involved in them. Some of the lodges should be encouraged to visit throughout the district to see how other lodges do the work and what the other lodges are doing in the community as it would be a help for them in their own lodge. It would be a help if the lodges that meet on the same night could make some arrangement for the meeting day to be changed of one of the lodges as some things happen in the district at these lodges and the other lodge cannot be part of, particularly the official visits by the D.D.G.M. I would like to see if the vast experience that we have in Masonry could be put to good use for the brethren of the province that may from time to time be in need of support or in need of some advice for problems that they may be experiencing in their life. The internet could supply the needed medium for this kind of support, with some kind of "Ask a Brother Program" that all of us could have access to via the G.L. Web site. If we could make the difference to one brother, the time and effort it would take to set up would be worth it.

Bruce District – 12 Lodges

R.W. Bro. Barry E. Hall

Bruce District has been a pleasure to represent as the D.D.G.M. The support that each and every lodge has displayed both during official visits and special events has demonstrated the strength and support of the district. The Official Visits saw an average of 75 Masons in attendance, which included several visitors, from Grand Lodge Officers and Masons alike. The Masters of Bruce District are to be commended for the support that they demonstrated throughout their year, with an average of ten Masters supporting the Official Visits, and all twelve at four of our meetings.

Bruce District has seen special events such as a Lodge of Instruction, a Lodge of Masonic Discussion and a Grand Master's Reception, of which all were attended from within and outside our district. This speaks volumes for the state of Masonry within Bruce District, as well as the province.

To start the year, we were fortunate enough to hold a Lodge of Instruction that started our year off on a strong and positive note. All of our district lodges were represented and the effect was extremely evident in the Work that I observed throughout the entire year. The Lodge of Instruction team lead by M.W. Bro. Drew put on a session that was discussed long after it took place and on many occasions it has been mentioned that our district should

follow its lead and form a support team to continue in its steps.

During the Lodge of Discussion, which was a joint effort of both Grey and Bruce Districts, we enjoyed the wealth of knowledge that R.W. Bro. Daniels brings to every session. The brethren enjoyed the interaction and were extremely happy to join in the discussions and had many questions to ask. This was a successful day as the district has been making a noticeable improvement in offering Masonic education at their meetings when time allows it. It takes several forms, such as questions in the bulletins or talks on specific topics which anyone can partake.

The Grand Master's Reception was a first class event and was enjoyed by all that attended. Cedar Lodge celebrated its 125th Anniversary at the same time and the visitors from both near and far commented on the evening, as well as our Grand Master's talk. The Grand Master presented himself in a very positive and professional manner, while making himself available to each and every person in attendance. This was mentioned continuously and certainly had a positive impact on the evening and Masonry as a whole.

The District Divine Service was well attended and the Masonic Image to our families and public was well represented. Our presence in the communities has been improving with such events as Floats in parades, Breakfasts, Golf Tournaments, Fish Fries, Steak Fries, Card Nights, Ladies' Nights, Blood Donor Clinics and Barbecues. A second degree was held at the Outdoor Education Centre in Bruce District and the district also supported this project as a charity. Bruce District is also supporting the Children's Hospital in London as well. These types of events are encouraged and needed to show what kind of men make a Mason.

The improvements that I will be discussing and suggesting is that long range planning becomes stronger in the district lodges as a whole, and that budgets represent the change in the times to ensure our strong well-prepared district continues to thrive.

Chatham District – 11 Lodges

R.W. Bro. Norman W. Kelley

Masonry in the Chatham District – most lodges are doing well. Two lodges, because of membership, are struggling but the leadership and enthusiasm generated by the members they keep operative. They are trying to attract new members; by using the programmes offered by Grand Lodge their future may prove brighter. Every lodge has a number of Past Grand Lodge Officers or Past Masters, therefore protocol, advice, and assistance in proper form are readily available. Although new members are coming into the district, it is not enough to replace the declining numbers.

All the lodges in the district are financially sound and when assistance is needed other lodges are willing to help.

The Chatham District lodges support many community projects such as the Bruce B. Foster Foundation, a well-established project – also the following: Chatham Kent bear programme, local food banks, Remembrance Day Services, the Salvation Army Kettle Drive, breakfast programmes, Heart and Stroke, Diabetes Society, plus providing handicap equipment upon request.

This year I had the opportunity to present a 50 year Past Master, 60 year, 50 year and 25 year pins to brethren. Attended Ladies' Appreciation Days, lodge dinners and social events. All lodges promoted genuine brotherly love and utmost respect, which included the District Secretary.

At this time, I wish to thank the Grand Master and all Grand Lodge Officers for their assistance when required. Also members of the Chatham District for their loyal and strong support giving me the opportunity and privilege to serve them in the capacity of D.D.G.M. of the Chatham District.

Eastern District – 16 Lodges

R.W. Bro. David A. Baerg

For the most part, in this district, the condition of Masonry is in very good hands. Half of the lodges have brethren in the chairs and the experience from the Past Masters is evident in their work. Protocol is getting better and Schools of Instruction have been recommended. I believe our membership is finally on the rise and in all lodges it is holding its own.

Most lodges are financially sound; however, there isn't much use of a budget or long range plan. Only about half of the lodges are using the two aforementioned programmes. We are addressing that as we speak and that will improve over the next year or two. We have a Long Range Planning Committee for the district and just over half of the lodges have their own long range plan in effect.

The Friend to Friend and Brother to Brother programmes, as well as Open Houses, are being implemented throughout the district. Every lodge participates in individual bursaries as well as the district bursary, Fredrick Earl Eaton Memorial Bursary Fund. More and more lodges are participating in community events, i.e., parades, duck race, trade days, etc., and as a result appear to be known in the community.

The number of lodge buildings will decrease, with more lodges becoming tenants and there will still likely be more amalgamations. However, I think that this will strengthen our district. I am extremely proud of the district as a whole, and think that our accomplishments are exemplary.

Erie District – 9 Lodges

R.W. Bro. N. William Lumley

Masonry in Erie District on the whole is strong ... the nine lodges are doing well with the exception of one, which has been struggling for the past few years (how long they can continue remains to be seen). From the reports that I have reviewed all lodges appear to be in reasonably good shape financially and are strong in community work. The quality of the ritual throughout the district ranges from good to very good. The Past Masters along with Past Grand Lodge officers of the district are a steady force and are very dedicated to Erie District and its well being.

Again, this year, our blood donor programme was a big success.

... One of the highlights of my year was to entertain the M.W. the Grand Master, M.W. Bro. Gary L. Atkinson, honouring Erie District with his presence at my Mother Lodge, King Edward No. 488, Harrow, where we dined with the Past and Present Grand Lodge Officers, after which we attended lodge.

As District Deputy this past year, I was honoured to participate in the presenting of two 50 year pins and one 60 year service pin.

I cannot close my report without expressing my sincere thanks to my District Secretary, W. Bro. Larry Wood ... willing at all times to do anything he could towards advancing the interests of the district. He accompanied me on all visits ...

I wish to thank the officers and brethren throughout the district for their kind and courteous manner in which they received me. I firmly believe – visitation is a medium through which we can all gain from each other.

Frontenac District – 18 Lodges

R.W. Bro. Robert E. Haley

By the end of June I will have visited each lodge at least three times, some four or five times. I will have visited outside the district twenty-two times, three Grand Master's Receptions, plus our own district, two Deputy Grand Master's Receptions and a visit to Ogdensburg, N.Y., for the Canada/U.S.A. Night. The district was well represented at our Reception for the Grand Master.

We have a number of lodges facing difficulties, low attendance and some with building or financial problems. Some with talk of amalgamation and one with possible darkness. Almost 50% of the senior lodge chairs are occupied by Past Masters.

We have had 23 initiations this Masonic year, but with death and a number of demits our numbers are down by 27. I have attended 16 Memorial Services (too many) and 4 wakes for members who did not wish a Memorial Service. I will attend 12 Installations in May/June.

All of the lodges need to improve on their "Floor Work." Seminars are great, but its like the Preacher preaching to the converted. The one's that need it do not come out. Will have to take the education to each lodge individually.

I have had the pleasure to present 9 bursaries to students at St. Lawrence College, Kingston, less than other years, but nonetheless greatly appreciated by the recipients.

Georgian North District – 12 Lodges

R.W. Bro. Earl T. McGauley

Most lodges are carrying out the ritual in accordance with the 1999 Book of the Work. Some lodges would benefit by checking the Masonic Manual, to assist them with protocol.

Our approach to Lodges of Instruction was to utilize two members of the Grand Lodge of Instruction team to travel to individual lodges prior to Official Visits and Installations for practices to instruct them in proper ritual for degree work and installations. This approach appeared to be enthusiastically accepted by those making use of this process.

The goal of the district project was \$6,000 for Kerry's Place Autistic Services and appears to be doing well. Kerry's Place originated in Thornbury.

The Long Range Planning Committee met in regards to starting a Daylight Lodge, but the lack of numbers indicated that it would not survive. The committee filed reports for future reference.

We held a seminar for Secretaries and Treasurers which was instructed by M.W. Bro. Terence Shand, and R.W. Bro. Brian Bond. Members from four districts attended and all were enthusiastic. This seminar was especially helpful to those who wish to e-mail the summons.

My main concern is the decline in numbers. According to the latest numbers we appear to be down by about 2.5% in members. To encourage new and especially younger members I believe that lodges should hold more Open House meetings. Friend to Friend nights, or a booth in the local fair. Traveling within the district and outside the district should also be encouraged. Overall interest in Masonry seems to be very high.

Georgian South District – 10 Lodges

R.W. Bro. Paul J. Gower

Georgian South District is located north of the G.T.A. The membership totals between 1,150 and 1,200 Masons and this number remains stable. Many lodges are showing significant increases as regards new members; however, demits, suspensions, and the G.L. Above, level out the equation. Friend to Friend, Brother to Brother, and Mentors programmes must be used to a greater degree and with a progressive attitude to overcome the above.

This year the district set out to establish a true Long Range Plan. Under the direction of a most capable leader, R.W. Bro. James E. Anderson, "Think Tank" sessions were conducted with participation of 100% of the lodges.

Lodges are making a commendable effort in being a part of AND visible in the communities, especially in the smaller towns, i.e., the first ever district-sponsored Blood Donor Clinic was held in Beeton and met the expectations of the C.B.S. by 136%. R.W. Bro. John Milne, our long-serving Blood Donor Chairman, deserves recognition.

The two-year District Project ending in June, 2006, will have surpassed its goal, and well over \$30,000 donated to the construction of the Simcoe-Muskoka Regional Cancer Centre.

A number of highlights ... this year include a visit from the Grand Master for the 125th Anniversary of Spyr No. 385, the attendance of the Deputy Grand Master at the installation of W. Bro. Bob Brethour of Manitoba Lodge in Cookstown, and a District Lodge of Instruction hosted by Minerva Lodge in Stroud. An "All Candidates Day" was held ... in May where eleven candidates were advanced to a higher degree and a banquet was held in honour of all the district's newest members.

The overall "Condition of Masonry" in Georgian South District appears fine. There are no amalgamations currently in the works. Fraternal and Cloverleaf Visits were up in number as was the number of Masters present at Official Visits and Installations. Lodges supported one another and joined together in holding Ladies' Nights and other special functions. All of the above show a good measure of unity and the Masonic year 2005-2006 in this district was blessed with a contingent of strong, dedicated Masters.

Grey District – 12 Lodges

R.W. Bro. David B. Wilde

Grey District covers quite a large geographical area in this jurisdiction, and it has been a pleasure to represent the twelve lodges. Some are quite busy with degree work, which is nice

to see. These lodges also share their bounty with other lodges not so fortunate, and this has resulted in an increase in inter-lodge activity this year.

Friend to Friend breakfasts are on the increase with an accompanying show of interest from the applications that result. It is also important in the lodges themselves to have social time outside the Work. The District Divine Service was very well attended, and received press coverage. The District Ladies' Night was also a great success, with proceeds going to the District Charity run through the Masonic Foundation.

R.W. Bro. R. Daniels came to a joint Grey-Bruce Lodge of Instruction ... in Hanover in February, and this was very well attended ... subject was Masonic symbolism, a nice break from reviewing the Work. There were requests for more presentations of this sort.

Grey District was also well represented at a Secretary Seminar held in Stayner on March 18. The Grand Secretary, M.W. Bro. Shand conducted a very informative and enlightening workshop.

While most of the Work being done in Grey is good, and no books are visible, openings and closings still appear to need some work in order to comply with the Book of the Work. This has been stressed in my letters to the W.M.s following Official Visits. Protocol needs a lot of work in some lodges as well.

Two lodges are having problems, and have not responded to offers to help resolve same. Other lodges might experience some problems in the long term.

Were it not for the very capable work of our District Secretary, W. Bro. Murray Parks, this would have been a very difficult year, so I thank him openly in this report.

Hamilton District A – 14 Lodges

R.W. Bro. Ronald J. McNair

I am happy to report that I have been able to attend all fourteen Official Visitations within the district. The ritual, protocol and ability of the officers and the warmth and friendship in the lodges ranged from good to excellent, with the exception of a few line officers who would benefit from participating in a few Lodges of Instruction.

Visitations to lodges within District A and outside the district have been most enjoyable. I visited all lodges in the district a minimum of three times and some four or five times. The District Deputies of all three Hamilton Districts soon struck up a relationship where we visited with each other on several occasions. I came to appreciate their support and found their company a pleasure.

The presentation of twenty-five 50 year pins during my year was something in which I really enjoyed participating, as some of the brethren were initiated about the same time as I; in 2000, I received my 50 year pin.

In the fall of 2005 District B hosted the Divine Service at St. John's Anglican Church in Caledonia. In the spring the Divine Service was held at Stoney Creek United Church ... Both of these services were well attended. I congratulate those involved for the organization and the Ministers who participated. The Sunrise Service held in June was also well attended and we were blessed with excellent weather once more.

I had the unfortunate responsibility of attending four Masonic Memorial Services during my term, an unpleasant task, but, as we have learned, "death is the entrance to a better life."

Hamilton District B – 12 Lodges

R.W. Bro. Aaron R. Orr

At the outset of this report, I want to thank the brethren of Hamilton "B" for their warmth and kindness to this D.D.G.M. in 2005-2006. I also thank W. Bro. Ian Pirie, our District Secretary, who has done immense service to the district with affable and consistent goodwill.

This Masonic year had celebration, some sadness, and a remarkable response to a plea for Masonic Charity. The celebrations consisted in the Tercentenaries of Acacia Lodge No. 61 and St. Andrew's Lodge No. 62. Our Grand Master and his wife were special guests at those festivities. Some sadness was occasioned by the amalgamation of T. H. Simpson Lodge No. 692 with its Mother Lodge, Wentworth No. 166. Death visited us also and we mourned the loss of our beloved M.W. Bro. Norman Byrne, P.G.M., and eight other brethren also.

In the area of Benevolence, Hamilton District "B" raised from the brethren some \$2,100

USD and forwarded it through the Masonic Relief Association for assistance to the brethren who suffered under the ravages of Hurricane Katrina.

Our District Blood Donors, under the leadership of R.W. Bro. Robert Kerr, have amassed over 5,200 donations in 2005-2006 and we congratulate them on their dedication and commitment to this good work. They received a Certificate of Commendation from the Canadian Blood Services in recognition of this work.

The "B" District Team did a remarkable job in all areas of Masonic endeavour. The district has undergone an incredible transformation in 2005-2006. Brotherly love, kindness and hospitality are now the yardsticks of our Masonic life.

We tried to foster proficiency in Ritual and its proper delivery. We also tried to encourage some of our newest brethren to participate in Ritual concomitant with their progress in Masonry. Last month we saw two E.A.s deliver the "Working tools" as a shared lecture to a newly initiated E.A. These two brethren also presented the E.A. working tools to a new W.M. on his installation.

District "B" is fortunate to have four candidates for D.D.G.M. at this time. Each one has been duly elected as a candidate by his lodge. The D.D.G.M. formed them into an ad hoc committee which would meet informally to discuss future aims and objectives and plan for a period of continuum over the next four years. These brethren are vitally involved in the life of the district and are vigorously planning for the future as well.

District "B" has come through a very dark and difficult period for some time in the past. New life appears in the large group of candidates for initiation and for subsequent degrees. These are a positive hope for the future. Let us therefore go forward with faith in TGAOTU. As we journey, let us recall the words of the late Arthur Hugh Clough . . .

And not by eastern windows only,
When daylight comes, comes in the light,
In front the sun climbs slow how slowly,
But westward look! The land is bright.

Hamilton District C – 14 Lodges

R.W. Bro. Ronald E. Luxon

We attended the D.D.G.M. orientation meetings at the Grand Lodge Building, Hamilton, August 3rd, 2005. These meetings were invaluable in setting us on a common course with confidence and goals of the Grand East.

August 24th, a Tri-Hamilton Districts Annual Masonic Beef and Corn Roast fund raiser for charity was successfully held at Merritt Hall in Ancaster, with many Masons from far and wide in attendance with their families. Lodges in 'C' continue to be benevolent to widows and orphans as well as to international disasters.

On September 15, 2005, a Masonic Memorial Service was held in memory of M.W. Bro. Norman E. Byrne who passed to the Grand Lodge above September 13; a charter member of Meridian No. 687. We will cherish his leadership and memory in our hearts.

A District 'C' meeting was held on September 17, 2005, to welcome the brethren and to share the plan and expectations for the ensuing year. September 27, 2005, was an historical occasion in the newly amalgamated lodge Ancient Landmarks No. 654 inc. Doric No. 382 established in 1879. On this the occasion of the first meeting, and the first candidate, the son of the Deputy Grand Master was initiated into Masonry. Another historical first that evening saw the Grand Master ... M.W. Bro. Gary L. Atkinson, accompanied by M.W. Bro. Clive Barnes, Grand Master of the Most Worshipful Prince Hall Grand Lodge. It was held in the Scottish Rite Cathedral at M.C.H. set up as a lodge, in the same location as the funeral September 16th, for M.W. Bro. N. Byrne, whose goal had been that the two Grand Masters sit in lodge together. February 25, 2006, saw a fraternal G.L. visit, with banquet, to Prince Hall Mt. Olive, the Lodge of M.W. Bro. Barnes. Continuing with historical occasions, October 14, 2005, Grand Lodge attended, with many Masons and politicians, the unveiling of a plaque commemorating the 150th Anniversary of the Grand Lodge of Canada in the Province of Ontario, started in Hamilton, October 10, 1855. This plaque was donated by the lodges of the Hamilton Districts. In conjunction with the 150th Anniversary there was a

Masonic Museum Display at Dundurn Castle until November 14, 2005.

On October 22, 2005, a Lodge of Instruction was held in Simcoe and Masons met with the Custodian of the Work and his team assembled. The Masters need to generate enthusiasm, inviting their teams to attend the next G.L. Lodge of Instruction. A District L.O. Instruction was held November 28th at which the G-15 Group showed how to hold a Lodge of Discussion, which led to more of them over the year.

Two Divine Services were held in the Hamilton Districts, coordinated by the Hamilton Masonic Districts Board of Relief. Approximately 160 Masons and their families attended each service. We attended the 87th Conference of DeMolay. On February 18, 2006, a Grand Lodge Membership workshop luncheon was sponsored with 'A,' 'B' and Brant. Hamilton D.D.G.M.s were honoured at a Masters' and Wardens' D.D.G.M. reception and banquet March 4, 2006. A G.M. reception and banquet was held by the Past Masters' Association April 28, 2006. Finally, the 28th annual Hamilton Districts Sunrise Service and breakfast was held at the Rockton Fair Hall June 4, 2006. 'C' lives!

London East District – 14 Lodges

R.W. Bro. George H. Ulliyatt

In the London East District Masonry for the most part is very positive. Some of the line officers are young and enthusiastic while other lodges have Past Masters sitting in the chairs; this seems to be a sign of the times. The reception with which I was received on both my fraternal and official visits was both warm and friendly. I made several visits to each lodge over and above my official duties. Each visit was a delight and befitting of the Grand Master's representative. My intention was to attend all Entered Apprentice Degrees and make a presentation to all the newly initiated brothers in the form of a Masonic Maple Leaf pin, a Grand Lodge 150th Anniversary coin and a letter of welcome written on behalf of the Grand Master and Grand Lodge. I have so far missed only two due to other official functions (I will be returning to those lodges to fulfill my obligations).

I believe that membership has increased slightly despite deaths and suspensions. This year Masonry experienced several applications from prospective new members due in part to the Masonic website. The controversy over the latest best selling book "The Da Vinci Code" has seemed to stir up people's curiosity. E-mail has also been instrumental and is a big asset.

I had the privilege of accompanying R.W. Bro. Jim Sutherland and W. Bro. Rodger Van Riesen (Masonic Foundation chairman) when a presentation of a cheque was made to the University of Western Ontario Hearing Research Centre. On another occasion, W. Bro. John Stevens, W. Bro. Rodger Van Riesen, and I had the pleasure of presenting a bursary to a student at Fanshawe Community College, to enable her to finish her studies as a Pharmaceutical Assistant. At the start of my term of office several other brethren and I were privileged to ride on the Masonic Float in the Ilderton Parade. The London East and West Districts held a joint District Divine Service at the Salvation Army Citadel which was very well attended. W. Bro. Harold Sharpe and Major Venables were most prominent in making the arrangements; the Salvation Army Brass Band and the Citadel Choir led the musical part of the service. Major Venables was a little sceptical at the first due to his lack of knowledge regarding Masonry; however, W. Bro. Harold Sharpe took the time and spent one afternoon to enlighten him and put his mind at rest. The Ladies of the Citadel provided an excellent luncheon after the service.

The assistance of the District Resources Team in disseminating all the information to the lodge brethren made my year as the D.D.G.M. a most pleasurable and easy task; the team can hold their heads up high for the quality of their work. Each one went that extra mile for me and I am very proud to be associated with them. I can't say enough regarding R.W. Bro. Arthur Ingrey, and his secretary, V.W. Bro. Len Hartin (my predecessors), who went the extra mile to ensure my year got off to a good start. I would like to thank both Grand Lodge and the London East District for affording me the privilege of serving as the D.D.G.M.

London West District – 14 Lodges

R.W. Bro. Fred C. Smallbone

This has been a very challenging year for me due to circumstances in my personal life; however, I have tried not to let this detract from my year as D.D.G.M. I have thoroughly enjoyed it and have met some very fine Masons who will be friends for life. The London West district is a strong, vibrant district; there are strong and weak lodges as you might expect but as you well know the strong ones always step up to the plate when the weaker ones need some help. During my visits I have found the ritual work to be of a high standard and know that everyone has tried their best to be the best they can be.

We have two lodges that are in the process of amalgamation and this should be accomplished in the near future. I expect to see more of this as we go forward. Myra Lodge, which is my Mother Lodge, is the smallest in the district and we have unburdened ourselves of our old lodge building and now meet in Dufferin Hall. These are the types of things I expect to see in the future and there is a current influx of new younger members and it is my hope that they will help to revitalize the Craft.

It is very important that the older members act as Mentors and give up the work that they have traditionally done in order for the new members to feel engaged. This is done very well in several of the lodges at the moment, with special mention going to Oakridge No. 708. This is critical if we are to retain these new members and generate some enthusiasm so that we can have a bright future.

The combined Divine Service of London East and West Districts was held at the Salvation Army citadel and was a great success. Unfortunately, I was unable to attend due to business commitments. I chose this venue because I thought that the Salvation Army did such good work in the community helping those in unfortunate circumstances; the brass band was good too.

Muskoka-Parry Sound District – 8 Lodges

R.W. Bro. John H. Todd

All eight lodges seem to be in sound financial condition with regalia and premises in good repair. The visitation is good, the friendship among the brethren is obvious and protocols followed.

These lodges have now all appointed capable brethren to work with R.W. Bro. David Mahon on Long Range Planning for their lodges and the district. The ritual is being well performed in all lodges with the exception of Golden Rule and Algonquin. Golden Rule has had a number of brethren come forward and from my numerous visits this year the work is steadily improving. Algonquin has a long way to go; however, I see several Past Masters and Past Grand Lodge Officers now coming forward to work in the lodge and bring back the ritual and attendance, which has been slipping badly over the past few years; and I have been assured by them that changes will be made and they will become a lodge to be proud of.

Niagara District A – 15 Lodges

R.W. Bro. Robert Park

Niagara District “A” consists of fifteen lodges, ranging from Niagara No. 2, the oldest in Ontario, to Brock No. 745 Daylight, being the newest in our jurisdiction. Some of our lodges are humming and vibrant, most are active and stable; but we do have three or four who are struggling but yet with some hope on the horizon.

All of the lodges are in pursuit of perfection in the Work, but is fair to say that in periods of inactivity some erosion does take place. The benefit of having new members is that the occasion for degree work forces practice. Practice is paramount for improvement. Improvement creates interest. Interest creates the desire and the forum for more new members. Thus, the never ending circle of life as it might be seen by the Craft. The attraction of new members takes place through referral by current members or through the promotion of the Craft by setting a positive and visible example within the communities. Niagara “A” has made a concentrated effort to gain exposure within our communities through charitable projects and volunteer work. We believe there is a twofold effect. Gaining new members and at the same time evincing to the brethren that Freemasonry is playing a worthwhile role in

the community.

Niagara "A" views no charitable project or charitable act as "too small" and although we don't perceive larger projects as more worthwhile than an eclectic group of smaller projects, we have had occasion to be especially proud of some project or another.

In recent memory, Grantham No. 697 hosted a "Black Tie" dinner for the benefit of Women's Place of Niagara and in the process gained attention on local television and were praised for their efforts by the local M.P. in the Provincial Parliament Sessions. His speech was televised to the entire province and perhaps even nationally. While the praise may be considered secondary to the thousands of dollars raised for Women's Place, the positive exposure for Freemasonry was well received by an Order more accustomed to being maligned through misunderstanding of our cause. Women's Place of Niagara supports the cause of abused women and their families by providing a safe although temporary haven and is but one of the many worthwhile community groups who has received assistance from Niagara District "A" and our Fraternity.

Niagara District B – 11 Lodges

R.W. Bro. David R. Smith

It was quite necessary to go over the last ten plus years of reports from the previous District Deputies of Niagara B to make sure that my understanding and conclusions in this report are a true reflection of what is really going on then and now . . .

The most obvious issue is that of lack of respect and protocol towards the Grand Lodge and the changes laid down over the years which have not been adhered to . . . Lodges are putting people up in office well before their time and not knowing their work and the extent of that office. We have new Master Masons sitting in the East with less than four years under their belt upon entering the Craft . . .

Low attendance at any particular meeting is still a problem; not taking in hand; little or no participation in practice in learning the work or degree at hand. Empty chairs and last minute fill in is still commonplace . . .

Visitations and interactions between the lodges in the district again have come to the surface as an issue. Some of these lodges have a long history of not travelling and staying more onto themselves . . .

There has been talk over the years of just one Niagara; at this time I feel that we need to be very realistic about the future of some of the lodges in both districts. As sure as there is a sun rise and sunset, some of these lodges will probably and should be allowed to go into "darkness." The numbers to support attendance and the cost to maintain some of these buildings through taxes and up keep is too much . . .

The purpose and effective use of the Masters' and Wardens' Association in this district is one of great concern, and continues to be escalating as a group that only answer unto themselves. The original idea and purpose was to serve the district and the D.D.G.M. of the time at hand . . . The mission statement needs to be addressed and a good house cleaning would go a long way to fixing some of the problems in Niagara District B . . .

The issue of retention of Masons in this district needs to be addressed. By working outside of the box we need to follow up on the reasons that "low attendance" is a reality; yet no one mentions what happened to all those candidates that went through a couple of years ago; or the one's that are not going forward or taking an active part in line office.

The district, as it appears at this writing, seems to be heading at a pace and direction that would indicate that by the year 2012 Niagara B would not be able to sustain itself and remain on its own . . . There are too many looking for the problem; and very few wanting to be the cure. The wait and see posture will truly be the end of Niagara B as we know it. Those interested only in SELF and not US are the only voices we seem to be hearing these days.

Nipissing East District – 7 Lodges

R.W. Bro. Henry A. MacMullin

Nipissing East District consists of seven lodges, with membership ranging from the low 40's to the mid 200's. While considered a small district with regard to numbers, it is large

geographically and, in some cases, requires travel time of two to three hours, one way, for visitations.

While some of the lodges (within the boundaries of North Bay) are attracting new members, others, due to a reduced and limited population base, are having difficulty. What the future may hold for those lodges will depend upon their ability, not only to maintain current membership levels, but also to improve their membership base. Should the situation not improve, there is a good possibility that the amalgamation of some lodges could occur in the future. However, all lodges in the district are blessed with a nucleus of proud, experienced and dedicated Masons who are determined to meet and overcome any adversity.

The quality of ritual work throughout the district ranges from fair to excellent. Where applicable, the Worshipful Masters were made aware of any shortcomings, offered every encouragement and assistance and, as a result, the standard continues to improve. The various District Chairmen contacted all lodges and, in several cases, presentations were made to supplement letters sent to each lodge. Finances, at the present time, are not an issue in the district, and although no lodge can be considered wealthy all are able to meet their obligations through dues and various fund raising events.

Overall, the condition of Masonry in Nipissing East, at the present time, is stable and relatively healthy and, hopefully, with the continued support and effort from the many dedicated brethren, should continue to grow and prosper.

It was an exciting year, with official and fraternal visits, Installations, District Divine Service, Memorial Services, social events, etc., and, with the exception of the Memorial Services, a most enjoyable one. It was a great honour and a pleasure to have the opportunity to serve the District and the Grand Master.

North Huron District – 11 Lodges

R.W. Bro. Bob Tanner

The eleven lodges in North Huron District are carrying out the Ritual very well. Although the members of the lodges are getting older and some are having trouble getting out to lodge, the membership is quite steady, with some younger men joining the Craft.

Bernard No. 225, Listowel, and North Huron District started off the season in September with a Masonic Booth and tent at the International Plowing Match just outside of Listowel. The event lasted five days and each day there was always somebody attending the booth. The Grand Master was in attendance at the booth, which was great. This was followed by a Meet and Greet evening, including a light dinner. The D.G.M. was also in attendance. Being a casual event seemed to go over well and over 150 Masons and friends having a good time.

The Friend to Friend and Open House evenings seem to be positive and sometimes getting new members. All lodges have been working to raise the dues, to keep in line with costs.

I feel that there could be an amalgamation of a couple of lodges in the next two or three years, but being in a rural district some of the lodges are quite close together and this may not hurt.

The smaller towns continue to struggle to compete for jobs to keep the population steady.

Ontario District – 15 Lodges

R.W. Bro. Thomas H. Hogg

It is not insignificant that the 150th Anniversary of Freemasonry in Ontario District has coincided with the decision of the fifteen lodges to unite as one body to pursue common objectives over the course of the past year. The prime example of unification was our District Project – fund raising for three guide dogs whose virtual names were Faith, Hope and Charity. This project was embraced enthusiastically. It brought all Masons and their beliefs and principles under one umbrella – human kindness. Subsequently, Masonry blossomed from that point on. Membership jumped, visibility in the community, quality degree work, mentoring and nurturing new members were all sequelae to the shared leadership.

At the time of writing, our greatest achievement was yet to take place, titled “A walk in the Park.” A full day of events has been planned at Memorial Park (Oshawa) on June 17,

2006. This will be a day of education, a day of giving (Lion's Foundation of Canada Guide Dogs) and a day of great family fun. Masonry will be visible, viable and vibrant.

To that end, the G.A.O.T.U. moves people in and out of each others lives and each leaves his mark on the other. Each one of us is made up of bits and pieces of all whoever touched our life and we are more because of it and we would be less if we had not been touched. Thank you, the brethren of Ontario District, for giving me the opportunity to have shared bits and pieces with each of you and every one of you. It was a most successful year!

Ottawa District 1 – 15 Lodges

R.W. Bro. Kenneth Sharp

The condition of Masonry in Ottawa District 1 is alive and well. All of the lodges perform degrees in accordance with the current "Book of Work" in a satisfactory manner, proper protocol is practised in the lodges and in the refreshment hour. New membership in general appears to be higher than previous years, with sixty plus new members in the district this year. All lodges appear to be financially stable. A Long Range plan must be established for those lodges that own their building, to meet the escalating costs of the future.

Most of the lodges are using Grand Lodge programmes and are benefiting from them. The Grand Lodge sponsored instruction seminars are excellent and extremely beneficial to all Masons. Four district Lodge of Instruction seminars were held and much knowledge was gained from them.

Our Blood Donor programme was promoted actively by the District Chairman but the response was not as great as it should be. Hopefully, with the number of new, young, healthy members this can be increased.

The lodges in our district are very active in the community in fund raising and personal time donations. The support for Cancer (Relay for Life and Breast Cancer), Juvenile Diabetes, Live-Work-Play (for disabled adults), Kaps for Kids and school award programmes is amazing and the lodges are to be commended for their support. The support from the district for the Rideau-Perley Veterans Health Centre is most gratifying. Ottawa District 1 is still supporting "Rogers House" which is a palliative care centre for children. A cheque was presented from the Masonic Foundation of Ontario on February 17, 2006, for \$20,587.73 to Rogers House.

In my opening remarks with regard to Masonry the district, there is always room for improvement. Sponsors of new candidates should be more attentive to them, to answer their questions about the Craft and visit other lodges with them. The more involved the new members become the longer they will remain members of our Craft and strengthen the image of Masonry in our district.

Ottawa District 2 – 15 Lodges

R.W. Bro. J. Brian Irvine

Our 2005-2006 Masonic year has been a most successful and enjoyable experience for the brethren. We were honored with two Grand Lodge appointments: V.W. Bro. Gerald W. Bent, Dalhousie Lodge No. 52, and V.W. Bro. George A. Barrie, Madawaska Lodge No. 196, as Grand Stewards. The principal fund raising event of the year continued to be the Valentine's Charity Ball, a joint venture with Ottawa 1 District, which raised \$2,000 for each district. Donations and gifts presented at Ladies' Nights brought the total for "The Lung Association" to \$2,500.

On behalf of the Masonic Foundation I presented 4 Bursaries, totaling \$2,800, to needy Algonquin College Students.

The district lodges were busy initiating new Masons as 34 mostly young men joined our ranks. I was pleased to be able to attend most of the initiations. Websites seem to be the way many men discover the Craft

I was pleased that Ashlar Lodge No. 564 invited the brethren of Solomon Lodge, Prince Hall Masons, to visit. Five of the P.H. brethren, including the District Deputy of P.H. District 6, attended. We all trust that the process of recognition may be completed with peace and harmony.

M.W. Bro. Drew and his team conducted a Lodge of Instruction for the benefit of the

large turnout in October. I was pleased to see some of the ideas evident in the work I witnessed. A district Brother to Brother seminar was well attended and an excellent programme presented by R.W. Bro. Jim Heffel. A district Lodge of Masonic Education and Instruction "Preparing for the East" was well received by the Senior Wardens. Congratulations are due to Bro. Richard Wright for organizing this event. The annual District Divine Service, held in April, attracted more members than in previous years, thanks to R.W. Bro. Gord Roberts.

Grand Lodge programmes continue to be virtually ignored by the several lodges. Many appoint chairmen; but very little is ever done. All lodges do examine their finances regularly and all are in good financial shape. Membership remains the primary problem for all lodges. Long Range Planning, outside of finances, is not any lodge's priority: "It is the Master's Year," seems to be the operative approach. This approach is also true at the district level. Younger men are not willing to take an active part in the various District Committees and we suffer greatly as a result.

The District Blood Donor activities were excellent. The several clinics sponsored by the various lodges, along with personal donations, collected 1,736 units.

Ottawa District 2 enjoys the work of active and dedicated men, in good, well-run lodges.

Peterborough District – 12 Lodges

R.W. Bro. David A. Bedford

Peterborough District this year has been quite busy. Many activities are happening throughout our district. Lodges have picked up a few more candidates and have shared the degree work among those lodges that are not as active in this area. Degree work in the district is generally very good, with past officers helping out and encouraging the newer ones to participate.

The Mentors and Friend to Friend Committee put on a nice programme with the assistance of R.W. Bro. Dainard. Corinthian Lodge experimented with a daylight lodge during the coldest winter months and it was very well attended each time. The Long Range Planning Committee is still working to the benefit of all lodges.

There was an attempt to have an amalgamation in our district and although it did not materialize the groundwork has been laid for the inevitable.

There were numerous pins and awards given out to members for long service. Most proud are we of V.W. Bro. Vern Orr, who has surpassed his 200th blood donation. Another, W. Bro. Stan Foscett has surpassed 190 donations. Both are members of Corinthian Lodge.

The District Newsletter was again produced by W. Bro. McBride and well received throughout our district. Our District Calendar project was missed this year and plans are in the works to have its return.

My theme this year was "Reaching Out," and was well received. After our 150th Anniversary I felt we should be reaching out beyond our inner circle and out to the communities. Our district project is "The Five Counties Children's Centre" to provide a device to assess those children that cannot speak. We have also lowered our sights a little as we have been hitting the district hard for funds in recent years. This year it is \$8,000.

Peterborough District is strong and for the most part unified in our goals as we work together to get things done.

Prince Edward District – 14 Lodges

R.W. Bro. Morley B. Allen

The members of Prince Edward District can be justly proud of the quality of work done within the district. This year, as the District Deputy Grand Master, I have made the commitment to welcome into Masonry every newly initiated Mason on behalf of our Grand Master. The district will have thirty-six new Masons before my term is complete. The degree work was performed to the highest standards and conformed to the Ritual at all times.

The members of Bancroft Lodge hosted a District Reception for our Grand Master on November 12th, as well as a Divine Service on Sunday, November 13th. They also hosted the 18th Century Degree Team as part of their 100th Anniversary. Both events were very well attended.

At this time plans are well under way for the cornerstone dedication of the new Belleville Public Library and Art Gallery. The Grand Master, as well as a large number of Grand Lodge Officers, will be in attendance.

Most lodges in Prince Edward District are financially sound; however, two have their buildings up for sale. The Belleville Lodge and Temple Lodge are in the process of amalgamation. It is hoped that these proposals, although very emotional to some members, will be carried out to the betterment of all.

Most Grand Lodge programmes are in effect in the district; however, not all lodges participate.

To the credit of Prince Edward District, almost all lodges participate in community events. The brethren of Lake Lodge hold a Maple Syrup and Pancake Breakfast that is attended by hundreds of people. Masonry in Prince Edward District is enthusiastic, positive and supportive of Community and Masonic events. We hope to be able to increase our membership and enjoy our Craft. I firmly believe that the doom and gloom predictions of Freemasonry being in peril simply from attrition are ill founded, with more and more worthy men finding the true meaning of Freemasonry.

St. Lawrence District – 17 Lodges

R.W. Bro. George F. Graves

St. Lawrence District is possibly one of the premier districts within the Grand Jurisdiction. Openings and closings and floor work quality range from very good to excellent. Banquets are well managed. The reception of the D.D.G.M. and distinguished visitors is always well done with just the right mix of decorum and respect to the Office. The attendance of members and visitors at Official Visits is very good. Proper protocol is observed throughout the entire period with due recognition to the Grand Master and Grand Lodge.

Membership as a whole is fairly static. Lodges generally have very good premises, sound administration and dedicated officers. A couple of lodges may have a questionable future because of limited financial reserves or declining membership.

District lodges undertake a broad range of activities. These include support of special appeals, charitable causes, awards of annual bursaries to local students as well as various social events to which the general public and members of the Craft are invited. One lodge provides assistance to cancer patients through its Masonic Transportation Unit, an independent registered charity.

Significant events include:

a) **“Computer ResourcesWorkshop”** and **“Overview of Grand Lodge Programs”** seminar in November and December which a large number of Masons of our district and the surrounding districts attended.

b) **First Santa Claus Parade sponsored by the District.** It was truly “a ground breaker.”

c) **Significant financial contribution to the Masonic Service Association** of the United States to assist our brethren in the southern states that were devastated by the terrible storms last year.

d) **Canadian-American Friendship Night** held on March 13, 2006, in Ogdensburg and hosted by Ogdensburg-Acadian Lodge No. 128 to recognize the Grand Master, M.W. Bro. Gary L. Atkinson and the Deputy Grand Master of the Grand Lodge of New York, with St. Lawrence District having the greatest number in attendance.

e) **Reception to honour the Deputy Grand Master, R.W. Bro. Allan J. Petrisor**, which was held in Smiths Falls on May 5, 2006.

f) District’s **Quarry Lodge** weekend in June at Hunter’s Quarry near Spencerville for fellowship with Ladies and Masons.

g) **Excellence in the conferring of degrees** which I observed during my term. Each candidate will have a lasting impression because the effort put into the event was evident to all that attended or participated.

h) **Final Official Visit to St. Francis Lodge**, which was a “sell-out” wind up to a most rewarding year.

St. Thomas District – 10 Lodges

R.W. Bro. Robert A. Keith

Freemasonry in the St. Thomas District for the most part is doing quite well. Over the last year there was a total of 47 degrees conducted, 25 of those were initiates. On the other end of the scale, 26 members ascended to the Grand Lodge Above. The degree work around the district ranges from excellent to satisfactory.

There were two District Lodges of Instruction held; one based on general information and the other strictly for the Installation Ceremony.

I had the pleasure of presenting several 25 and 50 year pins, and there was even, on one occasion, the presentation of a certificate to a member with 65 years' service.

The support that the Canadian Blood Services receives from the Masons has seen a slight increase, but the younger members need to be encouraged more than ever.

The St. Thomas Masonic District Foundation has been very active once again this year. They have donated in excess of \$15,000 to five different charities: the St. Thomas Elgin General Hospital, Crohn's and Colitis, London Dyslexia Learning Centre, Child and Family Learning Centre, the Kidney Foundation and the Tadum Blackwell Fund (a 4 year old girl from the district who has a rare skin disease—Epidermolysis Bullosa or EB for short—the skin is not attached very well to the flesh and will peel off very easily). We are going to try to provide \$300–\$400 quarterly for bandages and dressings. To learn more about Tadum contact St. Mark's Lodge No. 94.

All of the Official Visits were very well attended by members from the district, visitors to the district and Past Grand Lodge Officers. The largest turnout, however, was in April when St. David's Lodge No. 302 had the good fortune of hosting The Honourable Earl of Elgin and Kincardine, Lord Elgin, a Past Grand Master of Scotland—138 signed the register.

We are looking forward to our Sunrise Service in June, as the Grand Master will be the guest speaker. I am hoping to have a large turnout to support the district and the Grand Master, M.W. Bro. Gary L. Atkinson.

In closing, I believe that this district appears to be on stable ground, but I think that there will be a rough road to follow within the next few years.

Sarnia District – 18 Lodges

R.W. Bro. Thomas J. Keith

Visitation seems to be a one of the keys to our modest success in Sarnia District. Usually there are visitors attending each lodge meeting in the district throughout the year and excels on the Official Visitation nights of the D.D.G.M. In total, on Official Visit nights, 1,250 brethren of Sarnia District moved about to participate in and support the lodges of our district. Also, some of the brethren have had no problem in traveling out of our district to attend meetings for any variety of reasons.

For the most part, protocol and etiquette are above average. In the past, each lodge had its own way (local traditions) of receiving and introducing their guests. A form was introduced this year and presented to the Tyler, the I.G. and the J.W. for introductions so that continuity was had between them. I believe that this went over quite well for those lodges that accepted this idea. With ritual, there are a few lodges that traditionally have weak spots, but on the other hand, there are also some that are brilliant in their work.

With membership basically on the decline through suspensions, demits and deaths, this district has had one amalgamation in November and we are having another in June. I would expect that there will be at least one more in the near future. On the positive side, we have seen 24 Initiations to date with a few more applications to be received in June. Average age of these new brethren is 31 years.

The district highlights of our year were the Celebration 05, honouring our Grand Master and his wife for their many accomplishments in their community and in Masonry, our Annual Ladies' Night – pie Olympics included, Tuscan No. 437 held its Annual Festive Board, the District Golf Game was well attended, several lodges hold picnics, Bar-B-Ques, Dinners, and the many long service pins and medals that were presented. Our Grand Master was on hand to present one 50 yr P.D.D.G.M. pin as well.

The great response and support this district receives in fraternal relations with other

districts is tremendous. It was my great pleasure to have been able to visit a few of the other districts to enjoy the company of many other brethren in our Grand Jurisdiction. I am quite sure that Sarnia District will continue to be stable for the time, we may see a decline in the number of lodges and through attrition, a decline in membership; however, there seems to be an interest from younger men which should aid in the recovery of the Craft in this area.

South Huron – 13 Lodges

R.W. Bro. William M. Malmö

South Huron has seen an increase in new members, but our overall numbers are down due to death and demit. We have had an amalgamation which will be a benefit to the two lodges that were struggling.

St. James Lodge moved into a new building and the project has created a new sense of purpose and enthusiasm.

Work continues to vary from lodge to lodge but I attribute that to the amount of travelling that the lodge does. The more visiting, the higher the calibre of the Work.

Finances vary from lodge to lodge as well. Several have full time tenants who offset any building maintenance costs.

2005–2006 was a good year for Masonry in South Huron.

Sudbury-Manitoulin District – 9 Lodges

R.W. Bro. Allan T. Burns

The overall condition of Masonry in the Sudbury-Manitoulin District is one of stable membership numbers. There were 24 new members initiated with many of them below the age of 40 years. The quality of work displayed and Masonic protocol has for the most part been very good. I brought minor inconsistencies in the Work and Masonic Protocol to the attention of the Worshipful Master.

During the year a number of G.L. programmes were used or presented to the lodges. On September 29, 2005 ... a Lodge of Instruction, under the direction of M.W. Bro. D. Mumby, was presented to 90 brethren in attendance at the Belrock Masonic Centre. The District Committee on Masonic Education, Brother to Brother and Long Range Planning topped the list of programmes frequently used. The Blood Donor programme continues ... with regular participation of the brethren and their family members.

Many of the lodges ... have programmes directed for the betterment of the local communities ... scholarships for graduating high school students, annual mixed golf and curling events open to the public, use of lodge banquet rooms by scouting and girl guide troops, participation in Veteran's Remembrance Day ceremonies, Adopt-a-Road clean up groups, District Masonic Choir which performs at retirement and nursing homes, financial donations to charitable groups such as community food banks and the Salvation Army.

The annual District Meeting in November and June set the stage for District Long Range Planning. Budgets, D.D.G.M. aspirants, district projects and future expectations are discussed by brethren from each lodge who may offer suggestions and motions on items. Many lodges have working Long Range Plans reviewed annually ...

Five of the nine lodges ... meet at the Belrock Masonic Centre in Sudbury. The four remaining ... National in Capreol, Espanola in Espanola, Doric in Little Current and Gore Bay in Gore Bay, bring the essence of Freemasonry to their communities and the four distant corners of the district. It is imperative that all Masons in the district, including the D.D.G.M., support these four lodges by attending their Installations, Official Visits, Memorial Services and visiting whenever possible ... the lodges must continue to work at improving the Ritual and Masonic Etiquette. Lodge Officers should attend practices on a regular basis ...

Temiskaming District – 8 Lodges

R.W. Bro. William C. Sweet

Masonry continues to struggle in Temiskaming District! The population is declining in the district. The optimism created by the record commodity prices now being enjoyed by the mining industry is offset by the gloom being experienced by the forestry sector. The pool of potential candidates therefore continues to decline in lockstep with the population decline.

District membership continues to decline at a rate of 30 members per year. We are now below 540 members and have likely reached "critical mass." Lodge attendance averages about 12 members causing recycling of Past Masters and doubling up of assigned tasks. This cannot continue as the normal way of operating. Membership is a critical issue for this district.

The ritual continues to be carried out with care and respect. Lodges support each other to properly portray degrees. Protocol is adequately observed throughout the district.

Lodge finances are generally in good shape. Some lodges do not have a substantial "rainy day" reserve but are otherwise operating successfully.

Grand Lodge programmes have not been used enough in the district. More effort needs to be expended in this area.

A "Prostate Cancer Awareness Symposium" was held in Timmins with the assistance of Dr. J. Abourbih, a brother from Sudbury. This sensitive and too prevalent subject was well presented and received in our community. The district is now engaged in a fund raising project for the Northern Ontario School of Medicine – Charter Class Bursary Fund. The project is targeting \$10,000 by the end of June 2007.

Long Range planning has not been given the necessary attention it deserves. More effort is required with respect to this subject.

Although struggling to survive because of ever declining membership numbers, the Masons of this district continue to meet and enjoy themselves. Many Masonic hearts beat strongly in this district.

Toronto District 1 – 22 Lodges

R.W. Bro. Geoffrey W. Bailey

Overall, the work in Toronto District 1 is very good; however, as in all things, Ritual and Mechanics of the Work can always be improved upon. The brethren do make every effort to perform well, and for the most part, this is achieved. Protocol in both the lodge and banquet rooms was acceptable, with the correct method of giving Grand Honours in three lodges needed to be addressed.

Membership in the majority of lodges is increasing, some more than others. One lodge in particular has enjoyed an increase of over fifty Masons over a one and a half -year period. This increase was and is the result of an excellent website designed by the Master of the lodge.

One lodge expressed interest in amalgamation and requested a presentation based upon the merits and negatives of such action. The presentation was subsequently presented by R.W. Bro. Paul Todd, but with only moderate attendance. At this time of writing, no further action has been taken.

The majority of lodges are solvent, many with good investments; however, there are one or two that would benefit from new money injection via new members.

The proposed realignment within Toronto District 1 was well received by all lodges. Unfortunately, one lodge was moved to another district, but was replaced by a lodge from another district, and by so doing, Toronto District 1 has maintained its status quo of twenty-two lodges. Many favourable comments have been made to me with regard to the stabilisation of the district with minimal disruption, with all credit due to the Grand Master and other Grand Lodge Officers. Two Mentor, Friend to Friend, and Officer Progression meetings were held, with good attendance at both meetings. There was a similar programme with an Open House sponsored by a Braimpton Lodge.

I was very encouraged by the number of Masonic books purchased from the District Librarian by brethren wishing to increase their knowledge of Masonry.

At every official visit and installation, the District Secretary and myself have been welcomed with respect and courtesy.

It has been my privilege and honour to represent the Grand Master in Toronto District 1. The future of Toronto District 1 is in capable hands, and bodes well for the condition of Masonry into the foreseeable future.

Toronto District 2 – 17 Lodges

R.W. Bro. David M. Stevens

As of July, Toronto District 2 will no longer exist as such. In 1950, the Toronto Districts were Toronto A, B, C, and D. In 1956–57, Toronto A was split into A-1 and A-2. Toronto District 2 has been in operation since its inception in 1960-61 when the Toronto Districts were created as Nos. 1 to 7.

Every one of the fourteen lodges in District 2 had a new candidate this year, for a total of 51. The quality of the work in the district is very good, with a few exceptions. Protocol within the Banquet Room has had a slight improvement. This may be due to the fact that the District Lodge of Instruction this year featured protocol.

Most Grand Lodge programmes are being used, but the B-to-B programme is a favourite amongst the lodges. The use of mall booths has subsided this year due to a growth in interest from the internet websites that various lodges have created with a flow of inquiries.

On March 6, 2006, at the Thornhill Temple, the amalgamation of High Park Lodge No. 531 and Melita Lodge No. 605 took place with the attendance of the Grand Master, the Deputy Grand Master and many Grand Lodge officers. There are a number of lodges in this district looking at amalgamating and a seminar was held on the topic.

On the community level, the district's involvement with the Canadian Blood Services is ongoing. The same lodges that had community programmes in the past have them now. They are: Humber No. 305, which holds an annual Christmas Party for single mothers and children, and Mount Dennis No. 599, who continues to be involved with the Community Association for Riding for the Disabled.

The district had success in many thriving events it held. Among them were Education Nights, Ladies' Night and a Golf Tournament. The District Project was in support of the Crohn's and Colitis Foundation of Canada and was able to achieve its monetary goal set. Thanks to the dedication and generosity of the brethren.

The condition of Masonry in Toronto District 2 has been very good.

Toronto District 3 – 15 Lodges

R.W. Bro. Alan Donovan

It has been a great honour and pleasure to represent Toronto District 3 this year. The district has been very active and vibrant which made my job easier. Membership is generally steady or increasing with only 5 lodges out of 15 suffering a decrease in membership. The lodge membership ranges from 51 to 223 with six lodges having less than 75 members. Most lodges balance their books with a small surplus and four with a small deficit. Lodge dues range from \$94 to \$160 per year which currently is sufficient, but our buildings will require upgrading and repairing in the near future. The district has been active with events such as barbecues, ladies' nights, open houses, Irish and Scottish nights, strawberry nights, pub nights and a soapbox derby. The district has a close relationship with District 4 which was expanded this year to help ease the transition of the realignment of the districts. District 3 and 4 had a combined Divine Service, which was a success with about 200 people in attendance. District 4 also participated in the District Awards, District Education day, and we share the Scarborough building for our district meetings. However, our meetings had low attendance. The September meeting had 32 attendees.

The work of the district is of a high standard. The lodges support each other by supplying candidates, helping out with ritual, and supporting social functions. Two lodges in the district are considering amalgamation. The district chairmen worked hard, generated excellent programmes, but had mixed results, mostly because some lodges will not turn out and support the seminars. The district charity was very well supported by the district. We have a district website, a newsletter and have 7 lodges with a website. The majority of lodges do not have a long range plan. Masonry in District 3 is alive and well and I am immensely proud to have had the chance to be the last Grand Master's representative in District 3.

Toronto District 4 – 14 Lodges

R.W. Bro. J. Gregory Seale

2005-2006 was memorable in many respects.

Membership: There was a resurgence of younger men joining our great fraternity. This was helped by the three F-2-F nights held during the year. Congratulations to the District Committee, Lodge Representatives and Grand Lodge F-2-F Committee for its support of the programme.

Note: We must be cautious that those seeking admission are doing so for the right reasons and not merely through curiosity created by National Treasure and the Da Vinci Code, etc.

Outreach: There was a dramatic improvement in attendance at both Remembrance Services. Congratulations to The Prefects – the S.W.s of 2003 for embracing these events and rallying the 50+ brethren who attended.

The lodges provided tremendous support for the district charity – WindReach Farm, which exposed the fraternity to many throughout the GTA and beyond. The Charity Project Committee raised in excess of \$10,000 and must be lauded for its tireless contribution.

The Divine Service with District 3 was a resounding success with 150+ Masons and their family members in attendance. Both Chaplains are congratulated for getting the G.C., both D.D.G.M.s and the D.G.M. to all participate in the service.

Note: Positive representation in the public domain is essential. The exteriors of some lodge temples, our most public face, require a professional make-over in keeping with the world's greatest fraternity.

District Realignment: Toronto East District will have a total complement of 24 lodges. What a great opportunity this presents. Not only is there a sense of enthusiasm and optimism blowing in the air at present, but we can lay the foundation stones anew for the future revival of the Craft.

Note: Is there a better way to get to know each other than by being pulled together at the district level? The sum of all the lodges in the district is greater than each lodge operating in isolation. Can we get all 24 lodges to host the biggest F-2-F night and B-2-B night ever seen before? How about a Charity Ball, with 500 Masons and their friends attending? The future success of the district is in large part determined by the spark that will be created by the committee chairmen in their lodges, with top-down, proactive support from the district committee and Grand Lodge.

Be H.A.P.P.Y.

Toronto District 5 – 15 Lodges

R.W. Bro. Donald M. Livingstone

We have had a year of transition in this district. Entering this year we knew that things would be different next year. Toronto District 5 would be swallowed up after 45 years as part of a new district to be known as *Toronto York District*. And, as with any change, this has not been totally embraced by everyone. However, when we stop and think about the changes, the consolidation that is coming is necessary.

Although membership in the district is only down 1%, attendance and active participation has shown a more substantial decline. We have several of the lodges in this district, as do other districts I am sure, that are proposing to amalgamate or affiliate and others that may be marginal in terms of their future. Generally, this is a result of a lack of involvement and participation by the members over the years.

It all starts with our candidates. If we initiate good men, mentor them and get them involved, the lodge will likely develop strong roots and flourish. However, if we are sacrificing quality for quantity and are satisfied with just numbers, we are ultimately destined to fail. We have seen a number of good candidates brought in and passed through several degrees in the district this year. They are our future and we need to cultivate them as our next leaders.

While a number of our lodges have operated successfully with quality candidates for years, some have not. However, it is most encouraging to see that Ashlar No. 247, St. Clair No. 577, and the Lodge of Fellowship No. 702, in particular, have shown a resurgence this year.

While it starts at the beginning with the candidate, it must be promoted from the top through the ruling Master. Unfortunately, we see some brethren advanced year after year, to higher levels of responsibility without being proficient. This is a failing in our system and should be corrected if the lodge is to grow and survive. I have heard it said that "I don't attend lodge, because the meetings are boring and routine." We can and should change that. Grand Lodge has many programmes that can complement an evening in lodge. We don't have to always conduct a degree, but we need to make the evening interesting if we wish to get more members attending.

Simcoe No. 79 is one lodge that regularly has guest speakers who offer a variation of our routine meetings. King Solomon's No. 22, Zetland No. 326, and Harcourt No. 581 have dinners before each meeting – another idea that has helped them in getting men out to lodge "who want to cook."

We are now and always will be in a time of change. There is not always a right way to strengthen you lodge; however, if what you are doing is not working, try a different approach. While the ritual is not open to change, there are many ways to accomplish the other goals that we seek to deliver in Masonry.

Toronto District 6 – 13 Lodges

R.W. Bro. Earl G. Burrell

This is the last year of which Toronto District 6 functions as a distinct district, and generally I have found the condition of Masonry good throughout the district. Listed below are my observations for the Masonic year 2005–2006.

Quality of work: An improvement in the quality of work was noted, particularly with new members participating in the work of the rituals. I contribute this success to the mentoring programme and the coaching of new members by the lodge committees of mentors to new officers and new members. For further improvements in excellence, I recommend fewer exemplifications and more educational events which will enhance Masonic knowledge to new members.

Membership: This continues to increase at a visibly small pace; also, a high number of brethren have passed to the Grand Lodge Above. Application of the Brother to Brother and Friend to Friend programmes will ensure continued growth of memberships. I suggest continued encouragement and direction from Grand Lodge to the districts to participate in these programmes, as only one-third of the lodges fully participate.

Fraternal Relations: Over the last three years the D.D.G.M. has introduced the "Traveling Square" to recognize and promote visitation in the district. It has been noted that most of the new Master Masons do not participate in visitations. I recommend that the Master of each lodge encourage new members to visit lodges within the district.

Public Relations: This year's District Charity is the Children's Wish Foundation, and it has been well received, and continues to raise funds. A trip to Casino Rama took place to support this cause, as well as proceeds from a Golf Tournament and a Christmas Dinner.

Lodges have continued to be active within the community, participating in Christmas parades and numerous other community events.

On February 27, 2006, after a long two-year rewarding process, I had the opportunity to visit and present a cheque in the amount of \$14,500 to the Hospital for Sick Children for cochlear implants.

Communications: The District Newsletter is published quarterly. It is a good vehicle of communications within the district, and keeps the brethren informed of the events which take place, such as Installations, Official Visits, Ladies' Nights and other social events.

Long Range Planning: Through our audits at official visits, I determined that approximately half the lodges do not have long range planning. The Past Masters and Master of each of the lodges must be encouraged to ensure that a long range plan for their lodge is in place to ensure continued growth and financial stability.

In summary, my theme this year was the preparation for the realignment of the new districts, and the communication to the lodges for the preparation towards implementation. Several meetings were held with the members of Toronto District Six to inform them on the progress. As well, I've utilized every opportunity at installations and official visits to speak for a few minutes on this important issue. I feel that the brethren of Toronto Six have been well informed on the realignment and feel comfortable with direction it has taken thus far.

Toronto District 7 – 25 Lodges

R.W. Bro. David G. Syme

The theme of this year was one of change. In fact the motto was, "It's Time for Change" and from the very beginning we started promoting that change was upon us, within all the Toronto Districts, One through Seven. As the information about change started circulating from the implantation committee from the previous year, many lodges started to prepare for change by looking into the amalgamation process and procedures. In fact, Shamrock Lodge No. 533 and Zeta Lodge No. 410 will complete the process of amalgamation this year and be united in the new Masonic year and become Zeta-Shamrock Lodge No. 410.

In this year of change, of the 24 lodges, 8 reported increased membership, 10 reported steady or no change in growth and 6 reported a decline. It appeared that lodges were in a "wait and see" mode this year, as to say they were looking at the new realignment to help some lodges look at possible new members or amalgamation partners. Wellington and St. George Lodges were in fine shape with many candidates waiting in the wings. These lodges also had a good mix of younger brethren in the chairs. Much interest in promoting Masonry in the university environment as an alternative to clubs was gathering momentum and a successful event took place with the assistance of R.W. David Dainard – chair of the G.L. Friend to Friend and Brother to Brother. Over the year, several of the district events were a great success, including the annual Holiday Special Ladies' Dinner, Roast Beef Dinner and the "Family Day in the Park" which was the main district project promotional event. The district project, Prostate Cancer Research, was promoted at every official visit. Our goal was simple – provide information, at the same time promote awareness. We celebrated the presentation of many 50-year pins and started to use the Grand Lodge pin presentation procedure that was well received by all the brethren. The protocol of the work needed improving in many lodges with emphasis on the basics. This was seen many times in the directions to new candidates and lodges member. It was noted many times that the "Lodge of Instruction" was a great source of information and training to all new Masters and members in general.

This being the last year of Toronto District Seven, curiosity and excitement were constant topics of discussion. District Seven strongly promoted the Travelling Senior Wardens group as a valuable tool for all potential Masters and the fact this teaching should go on into the new districts.

Overall, it has been my privilege to represent Toronto District Seven and wish all the lodges going into their new districts, great success and a viable future.

Victoria District – 14 Lodges

R.W. Bro. Cliff Arcscott

Overall, Masonry in Victoria District is in very good condition. There is a pride in ownership and community involvement within each of the lodges in our district.

The ritual work, protocol and etiquette are areas that may vary slightly in a few of the lodges from time to time but, on the whole, the work is extremely good and in need of little attention.

We are fortunate to have a strong core of Past Grand Lodge Officers and Past Masters and if any needs arise in the district, they are quick to show their support. They have been a steady force and have been very dedicated to the well-being of our district.

We had the privilege of hosting the Grand Master as he attended a reception for Harding No. 477 on November 5, 2005, as that lodge celebrated their 100th Anniversary, and once more, on May 27, 2006, as Victoria District hosted a reception honouring the Grand Master. Long time service awards were presented by the Grand Master to several deserving brethren.

Our District Project is winding up on a successful note and we are looking forward to presenting a cheque to the Ross Memorial Hospital in Lindsay to assist in the funding of a much needed Dialysis Unit in our area. It is very encouraging when the brethren of Victoria District step forward to assist in developing charitable works that benefit those in our community.

The District Divine Service was well attended by many Masons and their ladies from throughout the district. The district continues to serve the community with the Blood Donor Programme and various fund raising events to support the District Project.

Special events held by the district and individual lodges have been successful. Ladies' Night/Grand Master's Reception, Golf Tournament, several barbecues all have raised the profile of the Craft and included spouses and friends in our activities.

My observations indicate to me that Victoria District will continue to thrive as a stable district well into the future.

This year has been stimulating, fulfilling and educational. I will truly be ever grateful for this opportunity. It has been a privilege and an honour to serve the Grand Master and Victoria District as the D.D.G.M.

Waterloo District – 15 Lodges

R.W. Bro. Alan Taylor

It is my privilege to report that Masonry in Waterloo District is alive and well. Twelve of the fifteen lodges had applications for initiation this year – which is a record. We had a total of 52 applications with only 7 brethren passing on to the Grand Lodge Above. The average age for new candidates was in the early thirties. Many of the new brethren found out about Masonry from the various Masonic web sites around our district, as well as directly from the Grand Lodge website. Several Friend to Friend Nights resulted in many applications and the exposure on the big screen with various *Masonic* centred movies has stirred an interest.

The ritual work conducted around the district is generally above average with the brethren taking great pride in their work. Many lodges holding their own Lodge of Instruction to complement the ones presented by Grand Lodge. Continuing on from the previous year, visitation has become commonplace as brethren from the 15 lodges are not only visiting other lodges within the district, but many of them have established friendships that have them visiting outside of the district, it was a pleasure to attend a 50th Anniversary of visits between Grand River Lodge No. 151 and a lodge in Michigan.

A couple of lodges in the district are struggling, both financially and membership wise. I believe that for the good of Masonry there should be 2 or 3 lodges amalgamating with other stronger lodges.

Wellington District – 13 Lodges

R.W. Bro. William M. Jones

It has been a humbling honour and privilege to be the Grand Master's representative to Wellington District. The brethren have given their support by active participation in Masonry.

The Work in Wellington District is well done. Each lodge blends the experience of Past Masters with the enthusiasm of new members so that all can learn and grow. Our Lodge of Instruction was well attended by Past Masters, Masters and most importantly junior officers and new Masons. The lessons were put to good effect in all lodges.

During the formal part of our meetings, the lodges follow correct protocol and are comfortable receiving distinguished visitors, including the Grand Master. Our Festive Boards have become more relaxed, with few formal dinners. It is felt that if the goal of the social hour is to strengthen our fraternal ties provided etiquette and protocol are observed when called for, the festive board that encourages the brethren in social intercourse is the appropriate one.

Lodges make their meetings interesting by having the G-15 lead discussion nights, having concordant bodies give presentations and exciting guest speakers.

The Masters of the district have supported each other at Official Visits, Installations and special events. Waterloo and Wellington, having been one district, I attended an Official

Visit of R.W. Bro. A. Taylor, D.D.G.M. Waterloo District, accompanied by eleven sitting Wellington District Masters.

Lodges raise funds for causes in their immediate community. District-wide charities have been well supported. The N. R. Richards Bursary received over \$2,500 and our Masonic Ring Raffle raised \$860. The brethren of the district, lead by chairman W. Bro. Les Sulzer, have taken our district to the highest per capita and most improved district for blood donations in our jurisdiction.

Our district will have its first amalgamation – the brethren of Walker-Friendship Lodge No. 321 are to be praised for carrying the best of their individual lodges into the new.

The brethren of the district have a new initiative to promote Masonry by having an information booth at the Fergus Highland Games, attended by 60,000 people.

Our labours in lodge make us Masons – the fraternity of the Festive Board binds us together as brothers.

Western District – 10 Lodges

R.W. Bro. John F. Whitton

Western District encompasses a very large area. It takes somewhat over five hours to drive between the most widely spread of the lodges, even when weather conditions are favourable. One result of these distances is that many initiatives tend to concentrate locally rather than district wide. The relatively infrequent physical contacts between many of the lodges become all the more special because of the travelling involved. However, it is encouraging to note the commendable level of inter lodge support. This was evidenced most strongly when eight of the ten district lodges were represented at the same Official Visit on one particular occasion.

It is to the credit of the members of Masonry in the district that most of the lodges are relatively stable in financial and membership terms. However, the concerns common to many of the other districts in the province also apply here in Western District. The average age of the membership continues to increase. While younger members are more evident in the various Chairs in the lodges, there are not yet enough of them to allow for the more deliberate and contemplative rates of advancement favoured by those well skilled in the Craft.

The general standard of The Work encountered throughout the district was observed to range from good to excellent. All the lodges share a desire to carry out The Work to the highest standard possible. The results achieved by individual Masons in this regard are most impressive and serve as inspiration to the rest of us.

Many lodges in the district are actively taking steps to increase their local profile and are reporting modest, but positive progress in reaching new prospective members. It is proving quite difficult to overcome many years of reticence in this regard. While the leadership and guidance shown by Grand Lodge in raising the profile of Masonry is having a useful and positive impact in Western District, more work remains to be done.

The efforts within many of the individual lodges to make operation of the lodge as inclusive of all members as possible are of similar interest and importance. Extracurricular activities such as a meal together before the regular monthly meetings are becoming popular. The better equipped lodges continue to encourage the use of Temple facilities for a range of social contact amongst the members.

In conclusion, it only remains to thank the brethren of Western District for the warmth of their welcomes, the sincerity of their greetings and their true application of the full meaning of brotherhood to one another during the course of the year.

Wilson North District – 12 Lodges

R.W. Bro. Donald R. Rumble

The first night to wear my regalia and tails was September 7, 2005, in Mercer Wilson Lodge. The occasion was receiving R.W. Bro. Allan Petrisor, the Deputy Grand Master, into his home lodge. What an honour to be brought into the lodge under wands beside the Deputy Grand Master.

On October 13, 2005, was the Installation in Oak Branch. The Grand Master, Deputy

Grand Master, and I, as District Deputy Grand Master, were in attendance. It was an evening I will not forget.

The highlight of the year was the 150th anniversary of St. John's Lodge No. 68. The new Mosaic Pavement was dedicated. The Grand Master, Deputy Grand Master and many Grand Lodge Officers were in attendance. The Reception was held at the Elm Hurst Inn with approximately 220 people attending. There were many toasts and replies followed by a speech by the Grand Master. The D.D.G.M. gave a concise history and proposed a toast to St. John's No. 68. The brethren of St. John's Lodge should be proud in the way the events of the day unfolded.

The Wilson North Divine Service was held on Sunday, April 23, 2006, at St. Paul's Presbyterian Church. It was well attended and Rev. Lonnie Atkinson delivered the sermon. Many positive comments were received on the service.

The other highlight was the Official Visit to King Hiram Lodge No. 37, my home lodge. A ham dinner was followed by lodge. Ten D.D.G.M.s were in attendance, as well as several Grand Lodge Officers and Grand Lodge Stewards. Wilson North District is performing well. Good degree Work is being done by both the brethren of the lodge and the candidates. There have been 21 candidates, but also there have been 18 Masonic Services. There seems to be a good attitude in the district. I hope we have turned a corner and can build on it.

Some lodges are experiencing financial difficulties. The brethren are aware and ways will have to be found to solve the problem.

Representing Wilson North District for the year 2005–2006 as District Deputy Grand Master has been a great honour – one that I will not soon forget.

Wilson South – 10 Lodges

R.W. Bro. Joseph W. Lewis

This report is on behalf of the ten lodges of Wilson South District. While attending my fraternal and official visits, the district team, as well as myself were well received and appreciated. I would like to thank the Worshipful Masters, Secretaries, and Past Grand Lodge Officers, the District Team, and the brethren of our district for their support I received throughout my term as District Deputy Grand Master. Most of all, I thank my District Secretary, W. Bro. Howard Todd who kept the communications open between myself and the lodges.

Masonry in Wilson South is holding its own as far as ritual and finances. There is a decline in members due to death, demits and suspensions. The Grand Lodge programmes such as Mentor and Friend to Friend are not utilized in some of the lodges in the district and it shows. It has been brought to their attention by the district chairman and hopefully will be used to keep members involved. There are still some lodges that are having difficulties and one is talking about extinguishing its lights if no help from the brethren of the lodge comes forth. I believe we have to get back to the basics of Masonry. There was some visitation, but not enough to see what other lodges are doing and to build on that in your own lodge.

I believe that some long range planning, together with the Grand Lodge Committee, has to take place to see where our district is headed.

I have truly enjoyed my year as D.D.G.M. The many friends that I have made throughout the various districts that I have visited, as well as, the visits made from other Grand Lodge Officers.

Windsor District – 9 Lodges

R.W. Bro. A. David Vojvodin

The Windsor District, consisting of its 9 lodges, is in very good condition. This can truthfully be said because all of the lodges have increased in membership either from initiations or affiliations. All of the lodges have shown an improvement in attendance, support, and enthusiasm. During my very busy term in office I had an opportunity to present 2 Veteran Jubilee Medals. The first was to a brother who had no desire to advance to the Master's chair, but did not exclude himself from dedicating his service to his lodge in a most rewarding way. The other was to a Past D.D.G.M., who, with his many years of service and

dedication, has set a standard that many new Masons, young and old, will ever strive to achieve.

The opening of the Windsor Masonic Learning Centre in September 2005 will always mark the start of an incredible journey to help our children overcome their daily learning issues with dyslexia. This is a source of pride both for the Craft lodges and the concordant bodies as the general public becomes aware of the good we do in our community on a daily basis. The highlight of my term was to present a donation to a school early morning breakfast programme. To say it was appreciated would be a gross understatement.

Travelling outside the Windsor District has also been rewarding from the bonds of friendship that have been created. It was reassuring that no matter where I went I was received openly and warmly and asked, "When can you come back so we may enjoy your company again."
